I just repurchased this 4th edition after realizing that the later editions of Molecular Cell Biology have damped down on biophysical and biochemical aspects of cell biology; much of the equations have been removed from this classic textbook in the later editions. It is a common problem across most biochemistry and cell-biology texts these days ... Chapter 8 LODISH - Molecular Cell Biology 7th edition ...

Molecular Cell Biology stands out from its peers in this course in that it provides a clear introduction to the techniques and experiments of scientists past and present, not just an "encyclopedia" of information. This experimental emphasis, together with a solid pedagogical framework in the chapters, provides the clearest, most cutting-edge text available.
