William A. Corsaro's groundbreaking text, *The Sociology of Childhood*, discusses children and childhood from a sociological perspective. Corsaro provides in-depth coverage of the social theories of childhood, the peer cultures and social issues of children and youth, children and childhood within the frameworks of culture and history, and social problems and the future of childhood. The Fifth Edition has been thoroughly updated to incorporate the latest research and the most pertinent information so readers can engage in powerful discussions on a wide array of topics.

The Sociology of Childhood Insights
Richard I, the Lionheart, remains forever (and perhaps wrongly) the

mythical king of England who preferred to wage war than to rule over his empire. The familiar epithet conveys all the principal features of his indomitable character: courage, valor, prowess, the pursuit of glory, the thirst for fame, generosity in war and peace, a sense of honor combined with a sort of haughty dignity made up of both arrogance and pride. In this book, Jean Flori examines both Richard's role as prince and king in history, and also analyses the different and sometimes controversial elements which, for the chroniclers of his day, helped to make Richard a true model of chivalry.

Among the questions addressed are: What influences formed his character and determined his behavior, real or

assumed? Why did the image of Richard as a king who was also a knight so quickly and so soon supplant all others, creating a quasi-definitive point of reference? Why did Richard deliberately, it would appear, choose to present himself in this chivalric guise and disseminate this image of himself by what we would today call a media campaign, using all the methods then at his disposal, limited perhaps but by no means ineffective? Last but not least, what is the historical and ideological significance of the choice and, even more, success of this image, which has been adopted by history and disseminated by legend, an image based on historical accounts and documents in which history and legend

are sometimes inextricably interwoven? The first part of the book takes a straightforward chronological approach to Richard's life, from his birth in 1157, through conflict with his father, Henry II, and his brothers, to his coronation and his years of crusading and fighting the French; culminating in his death in battle in 1199. The second part analyses Richard's image in relation to medieval chivalry.

Rhythm of War Part One Cambridge University Press

The Anti-Counterfeiting Trade Agreement (ACTA) is the most important effort undertaken to lay down a plurilateral legal framework for the enforcement of intellectual property rights. With the view to learn more about the origins of this treaty, the process leading to its conclusion and its implications for law making in this field, The ACTA and the Plurilateral Enforcement Agenda: Genesis and Aftermath analyses in great depth both the context and the content of the agreements. In order to attain this

objective, a large and diverse group of experts - renowned scholars, policy makers, civil society and industry actors - who represent different perspectives on the necessary balance between intellectual property enforcement and other economic and social interests have been gathered together. This book is the most comprehensive analysis of ACTA, and of its relation with ongoing initiatives to improve enforcement of intellectual property and norms pertaining to a range of international legal regimes, conducted so far.

girlfriends, colleagues, or yourself. Keep on spreading the sticker love!

Diary, Planner The Putin Interviews

A haunting, magical story of a cursed gem and the people who suffer in its wake, set in seventeenth-century London. Most men of stature wouldn't marry their betrothed after she'd been kidnapped and forced into sexual slavery in the harem of the Great Turk, but Paul Pindar, wealthy merchant and former ambassador to Constantinople, is not most men. When Paul and Celia, finally reunited, return to London in 1611, his house at Bishopsgate has stood empty for nearly a decade. A phalanx of carpenters, upholsterers, and gardeners have been summoned to restore it to its former glory. But all is not as it seems. Celia is frail, and their marriage, despite her longing, is childless. Traumatized by her experiences, she is unprepared for English society and the duties of managing a house with a full staff. Paul arranges for Celia's old friend, Annetta, to join them in England as Celia's

companion, but Annetta arrives to find that another woman, the widow Frances Sydenham, has insinuated herself into the Pindar household. Lady Sydenham seems to have a mysterious hold over Celia and, Annetta suspects, increasingly over Paul. Who is this woman, and what are her motives? Like everyone else, including members of the royal family and Pindar's greedy brother Rafe, she is fascinated by the Sultan Blue, the legendary diamond Pindar has brought back from the Middle East. All of London wants to get their hands on the jewel, despite the dark magic properties that are said to surround it, but Paul Pindar might be the only merchant who doesn't have a price.

After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent a year fighting a protracted, brutal war. Neither side has gained an advantage, and the threat of a betrayal by Dalinar's crafty ally Taravangian

looms over every strategic move. Now, as new technological discoveries by Navani Kholin's scholars begin to change the face of the war, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideals, and potentially reveal the secrets of the ancient tower that was once the heart of their strength. At the same time that Kaladin Stormblessed must come to grips with his changing role within the Knights Radiant, his Windrunners face their own problem: As more and more deadly enemy Fused awaken to wage war, no more honorspren are willing to bond with humans to increase the number of Radiants. Adolin and Shallan must lead the coalition's envoy to the honorspren stronghold of Lasting Integrity and either convince the spren to join the cause against the evil god Odium, or personally face the storm of

failure. The story continues in Rhythm of War Part Two. Harry Potter: The Deathly Hallows Ruled Notebook Insights
The deep sea is the last, vast wilderness on the planet. For centuries, myth-makers and storytellers have concocted imaginary monsters of the deep, and now scientists are looking there to find bizarre, unknown species, chemicals to make new medicines, and to gain a greater understanding of how this world of ours works. With an average depth of 12,000 feet and chasms that plunge much deeper, it forms a frontier for new discoveries. The *Brilliant Abyss* tells the story of our relationship with the deep sea – how we imagine, explore and exploit it. It captures the golden age of discovery we are currently in and looks back at the history of how we got here,

while also looking forward to the unfolding new environmental disasters that are taking place miles beneath the waves, far beyond the public gaze. Throughout history, there have been two distinct groups of deep-sea explorers. Both have sought knowledge but with different and often conflicting ambitions in mind. Some people want to quench their curiosity; many more have been lured by the possibilities of commerce and profit. The tension between these two opposing sides is the theme that runs throughout the book, while readers are taken on a chronological journey through humanity's developing relationship with the deep sea. The Brilliant Abyss ends by looking forwards to humanity's advancing impacts on the deep, including mining and pollution and what we can do about them.

Fantastic Beasts and Where to Find Them takes fans to a new era in J.K. Rowling's Wizarding World, decades before Harry Potter and half a world away. Inspired by the Hogwarts textbook, Fantastic Beasts and Where to Find Them, written by J.K. Rowling's character, Newt Scamander, the film follows a magical mix-up that takes Newt on a chase around New York City looking for the magical creatures that have escaped from his case. This kit contains a collectible miniature replica of Newt's leather case, complete with sound and hand movement of the Niffler, along with a

48-page book of short profiles of Newt and the beasts and full-color imagery from the film.

The action-packed and gripping new adventure by number one bestselling author, Wilbur Smith, about one man's quest for revenge. 'An exciting, taut and thrilling journey you will never forget' - Sun **THE DESIRE FOR REVENGE CAN BURN**

THE HEART OUT OF A MAN. The son of a wealthy plantation owner and a doting mother, Mungo St John is accustomed to wealth and luxury - until he returns from university to discover his family ruined, his inheritance stolen and his childhood sweetheart, Camilla, taken by the conniving Chester Marion. Mungo swears vengeance and devotes his life to saving Camilla-and destroying Chester. Camilla, trapped in New Orleans, powerless as a kept slave and subject to Chester's brutish behaviour, must do whatever it takes to survive. As Mungo battles his own fate and misfortune, he must question what it takes for a man to regain his power in the world when he has nothing, and what he is willing to do to exact revenge... **PRAISE FOR WILBUR SMITH:**

A WRY AND HILARIOUS ACCOUNT
OF LIFE AT A BOOKSHOP IN A
REMOTE SCOTTISH VILLAGE "Among
the most irascible and amusing bookseller
memoirs I've read." —Dwight Garner, The
New York Times "Warm, witty and laugh-
out-loud funny..." —The Daily Mail The
Diary of a Bookseller is Shaun Bythell's
funny and fascinating memoir of a year in

the life at the helm of The Bookshop, in the
small village of Wigtown, Scotland—and of
the delightfully odd locals, unusual staff,
eccentric customers, and surreal buying trips
that make up his life there as he struggles to
build his business . . . and be polite . . . In
this wry and hilarious diary, he tells us the
trials and tribulations of being a small
businessman; of learning that customers can
be, um, eccentric; and of wrangling with his
own staff of oddballs. And perhaps none are
quirkier than the charmingly cantankerous
bookseller Bythell himself turns out to be.
Slowly, with a mordant wit and keen eye,
Bythell is seduced by the growing charm of
small-town life, despite—or maybe because
of—all the peculiar characters there.
