iUniverse

Mothers and Sons: Centering Mother Knowledge makes a case for the need to de-gender the framing and study of parental legacy. The actualization of an entire collection on this dyad foregrounding motherhood without particularizing the absence of fatherhood is in itself revolutionary. This assemblage of analytical, narrative and creative renderings offers cross-disciplinary conceptualizations of maternal experiences across difference and mothering sons at intersections. The

authors' mother knowledge, or that of their subjects, delivers new insights into the appellations mother, son, motherhood and sonhood.

Moms Team Tech Boy

What if Darth Vader took an active role in raising his son? What if "Luke, I am your father" was just a stern admonishment from an annoyed dad? In this hilarious and sweet comic reimagining, Darth Vader is a dad like any other—except with all the baggage of being the Dark Lord of the Sith. Celebrated artist Jeffrey Brown's delightful illustrations give classic Star Wars® moments a fresh twist, presenting the trials and joys of parenting through the lens of a galaxy far, far away. Life lessons include lightsaber batting practice, using the Force to raid the cookie jar, Take Your Child to Work Day on the Death Star ("Er, he looks just like you, Lord Vader!"), and the special bond shared between any father and son. Plus, this is the fixed-format version, which looks almost identical to the print edition.

The New York Times—bestselling graphic memoir about Alison Bechdel, author of Fun Home, becoming the artist her mother wanted to be. Alison Bechdel's Fun Home was a pop culture

and literary phenomenon. Now, a second thrilling tale of filial sleuthery, this time about her mother: voracious reader, music lover, passionate amateur actor. Also a woman, unhappily married to a closeted gay man, whose artistic aspirations simmered under the surface of Bechdel's childhood...and who stopped touching or kissing her daughter good night, forever, when she was seven. Poignantly, hilariously, Bechdel embarks on a quest for answers concerning the mother-daughter gulf. It's a richly layered search that leads readers from the fascinating life and work of the iconic twentieth-century psychoanalyst Donald Winnicott, to one explosively illuminating Dr. Seuss illustration, to Bechdel's own (serially monogamous) adult love life. And, finally, back to Mother—to a truce, fragile and real-time, that will move and astonish all adult children of gifted mothers. A New York Times, USA Today, Time, Slate, and Barnes & Noble Best Book of the Year "As complicated, brainy, inventive and satisfying as the finest prose memoirs."—New York Times Book Review "A work of the most humane kind of genius, bravely going right to the heart of things: why we are who we are. It's also incredibly funny. And visually stunning. And page-turningly addictive. And heartbreaking."—Jonathan Safran Foer "Many of us are living out the unlived lives of our mothers. Alison Bechdel has written a graphic novel about this; sort of like a comic book by Virginia Woolf. You won't believe it until you read it—and you must!"—Gloria Steinem

The definitive Comics Journal interviews with the cartoonists behind Zap Comix, featuring: Supreme 1960s counterculture/underground artist Robert Crumb on how acid unleashed a flood of Zap characters from his unconscious; Marxist brawler Spain Rodriguez on how he made the transition from the Road Vultures biker gang to the exclusive Zap cartoonists' club; Yale alumnus Victor Moscoso and Christian surfer Rick Griffin on how their poster-art psychedelia formed the backdrop of the 1960s San Francisco music scene; Savage Id-choreographer S. Clay Wilson on how his dreams insist on being drawn; Painter and Juxtapoz-founder Robert Williams on how Zap #4 led to 150 news-dealer arrests; Fabulous, Furry, Freaky Gilbert Shelton on the importance of research; Church of the Subgenius founder Paul Mavrides on getting a contact high during the notorious Zap jam sessions; and much more. In these career-spanning interviews, the Zap contributors open up about how they came to create a seminal, living work of art.

The King's Communicative English Course For Class X Image Comics

From international bestselling author Liz Climo comes *You're Mom*, a hilarious and relatable collection of original comics about motherhood. Moms: they are there for us through the good, the bad, the scary, the sticky, and everything in between. They also read us a lot of picture books along the way, and now there's a picture book just for them. Liz Climo brings her trademark wit and adorable drawings to *You're Mom*: a funny, honest, and sweet homage to motherhood. Detailing the ups and downs of mothering, along with the many paths to becoming a mom and the different types of motherhood, Climo pairs humorous observations with clever illustrations of baby animals and their mothers. With more than 100 beautiful drawings, *You're Mom* is a book for the new mom, the seasoned mom, anyone in a mom-like role, or anyone who has ever loved a mom. It's a thank you to those taking on the challenging role of parenting - and it's also short and sweet, which means you can read it and then hopefully get some sleep!

A Little Book for Mothers (And the People Who Love Them) Routledge

First released in 2002, this provocative, critically acclaimed novel is now a major motion picture starring Bel Powley, Kristen Wiig, and Alexander Skarsgård. "I don't

remember being born. I was a very ugly child. My appearance has not improved so I guess it was a lucky break when he was attracted by my youthfulness." So begins the wrenching diary of Minnie Goetze, a fifteen-year-old girl longing for love and acceptance and struggling with her own precocious sexuality. After losing her virginity to her mother's boyfriend, Minnie pursues a string of sexual encounters (with both boys and girls) while experimenting with drugs and developing her talents as an artist. Unsupervised and unguided by her aloof and narcissistic mother, Minnie plunges into a defenseless, yet fearless adolescence. While set in the libertine atmosphere of 1970s San Francisco, Minnie's journey to understand herself and her world is universal: this is the story of a young woman troubled by the discontinuity between what she thinks and feels and what she observes in those around her. Acclaimed cartoonist and author Phoebe Gloeckner serves up a deft blend of visual and verbal narrative in her complex presentation of a pivotal year in a girl's life, recounted in diary pages and illustrations, with full narrative sequences in comics form. The Diary of a Teenage Girl offers a searing comment on adult society as seen through the eyes of a young woman on the verge of joining it. This edition has been updated by the author with an introduction reflecting on the book's critical reception and value as diary or novel, historical document or work of art. Also included in this revised edition are supplementary photographs and illustrations from the author's childhood, including some of her own diary entries.

"Phoebe Gloeckner... is creating some of the edgiest work about young women's lives in any medium."—The New York Times "One of the most brutally honest, shocking, tender and beautiful portrayals of growing up female in America."—Salon "It's the most honest depiction of sexuality in a long, long time; as a meditation on adolescence, it picks up a literary ball that's been only fitfully carried after Salinger."—Nerve.com

ARCHIE GIANT COMICS ADVENTURE

offers popular, proven full-color content at the same price and page count as most black-and-white mass-market paperbacks. This is the next volume of our new series of super-value Archie comics collections featuring 480 pages of stories in the same format as our #1 best-selling Archie Digest kids' magazine series and 1000 Page Digest book series. Designed for venues dedicated to offering customers the best value in kids' books today at an affordable price, such as grocery stores, drug stores, and mass merchants, as well as traditional book outlets. This volume collects 480 pages of iconic Archie comic stories, featuring the same mix of wild humor, awkward charm and genuine relatability that has kept Archie and the gang popular with kids and families for 80 years.

From Gus Arriola to Los Bros Hernandez
Fantagraphics Books

An outrageously funny book about middle-aged women that reexamines romance, lust, and gender norms Lee Soyeon, Myeong-ok, and Yeonjeong are all mothers in their mid-fifties. And they've had it. They can no longer bear the dead weight of their partners or the endless grind of menial jobs where their bosses control everything, down to how much water they can drink. Although Lee Soyeon divorced her husband years ago after his gambling drove their family into bankruptcy, she finds herself in another tired and dishonest decade-long relationship with Jongseok, a slimy waiter at a nightclub. Meanwhile, Myeong-ok is having an illicit affair with a younger man, and Yeonjeong, whose husband suffers from erectile dysfunction, has her eye on an acquaintance from the gym. Bored with conventional romantic dalliances, these women embrace outrageous sexual adventures and mishaps, ending up in nightclubs, motels, and even the occasional back-alley brawl. With this boisterous and darkly funny manhwa, Yeong-shin Ma defies the norms of the traditional Korean family narrative, offering instead the refreshingly

honest and unfiltered story of a group of middle-aged moms who yearn for something more than what the mediocre men in their lives can provide. Despite their less-than-desirable jobs, salaries, husbands, and boyfriends, these women brazenly bulldoze their way through life with the sexual vulnerability and lust typically attributed to twenty-somethings.
