moments add up to a life rich with meaning, deeply satisfying, and full of purpose. Every day we have an opportunity to make our lives meaningful, to make them matter. Yet, for so many of us, we let too much of life happen without taking notice. For author, speaker, and podcaster Carlos Whittaker, living deliberately has become a way of life. Making moments that are significant, memorable, or impactful are a part of how he navigates each day, and it has forever changed the landscape of his story. In *Moment Maker*, Carlos shares powerful stories and examples from ordinary life, as well as insights from Scripture, that have formed his practical and meaningful game plan for living on purpose and with purpose. In these pages, he will guide you to: Increase awareness of your surroundings, the people you encounter, and the needs of others Recognize opportunities that present themselves and be encouraged to seize them Discover how to create, receive, and rescue key moments in everyday life Unlock the satisfaction of living to the full depth of your life's potential The beauty of having a moment-making life is that it does not require a big investment of time, energy, or money. It simply requires a commitment to pay attention. All around you there are opportunities to meet a need, shift your focus, and begin healing. It is time to become a *Moment Maker*. *Live Alone And Like It* HarperCollins Winner of the Hugo Award! In *A Psalm for the Wild-Built*, bestselling Becky Chambers's delightful new Monk and Robot series, gives us hope for the future. It's been centuries since the robots of *Panga* gained self-awareness and laid down their tools;

---

centuries since they wandered, en masse, into the wilderness, never to be seen again; centuries since they faded into myth and urban legend. One day, the life of a tea monk is upended by the arrival of a robot, there to honor the old promise of checking in. The robot cannot go back until the question of "what do people need?" is answered. But the answer to that question depends on who you ask, and how. They're going to need to ask it a lot. Becky Chambers's new series asks: in a world where people have what they want, does having more matter? At the Publisher's request, this title is being sold

Memory-Making Mom  
Center Street

A Wall Street Journal bestseller, now in paperback. Poker champion turned decision strategist Annie Duke teaches you how to get comfortable with uncertainty and make

better decisions. Even the best decision doesn't yield the best outcome every time. There's always an element of luck that you can't control, and there's always information hidden from view. So the key to long-term success (and avoiding worrying yourself to death) is to think in bets: How sure am I? What are the possible ways things could turn out? What decision has the highest odds of success? Did I land in the unlucky 10% on the strategy that works 90% of the time? Or is my success attributable to dumb luck rather than great decision

making? Annie Duke, a former World Series of Poker champion turned consultant, draws on examples from business, sports, politics, and (of course) poker to share tools anyone can use to embrace uncertainty and make better decisions. For most people, it's difficult to say "I'm not sure" in a world that values and, even, rewards the appearance of certainty. But professional poker players are comfortable with the fact that great decisions don't always lead to great outcomes, and bad decisions don't always lead to bad

---

outcomes. By shifting your thinking from a need for certainty to a goal of accurately assessing what you know and what you don't, you'll be less vulnerable to reactive emotions, knee-jerk biases, and destructive habits in your decision making. You'll become more confident, calm, compassionate, and successful in the long run. My Tech-Wise Life Penguin Discover the Art of Moment Making "It's time to live life in the Front Row(tm)", says Jon Vroman, author of The Front Row Factor: Transform Your Life with The Art of Moment Making.

Prentice Alvin Hachette UK The Defining Decade has changed the way millions of twentysomethings think about their twenties—and

---

themselves. Revised and reissued for a new generation, let it change how you think about you and yours. Our "thirty-is-the-new-twenty" culture tells us the twentysomething years don't matter. Some say they are an extended adolescence. Others call them an emerging adulthood. In *The Defining Decade*, Meg Jay argues that twentysomethings have been caught in a swirl of hype and misinformation, much of which has trivialized the most transformative time of our lives. Drawing from more

than two decades of work with thousands of clients and students, Jay weaves the latest science of the twentysomething years with behind-closed-doors stories from twentysomethings themselves. The result is a provocative read that provides the tools necessary to take the most of your twenties, and shows us how work, relationships, personality, identity and even the brain can change more during this decade than at any other time in adulthood—if we use the time well. Also included in this updated edition: Up-to-date research on work,

love, the brain, friendship, technology, and fertility. “ Sometimes, a child is born to a parent who can ’ t be a parent, and, like a seedling in the shade, has to grow toward a distant sun.

Ariel Leve ’ s spare and powerful memoir will remind us that family isn ’ t

everything—kindness and nurturing are. ” —Gloria Steinem  
Ariel Leve grew up in Manhattan with an

eccentric mother she describes as “ a poet, an artist, a selfappointed troublemaker and attention seeker. ” Leve learned to become her own parent, taking care of herself and her mother ’ s needs. There would be uncontrolled, impulsive rages followed with denial, disavowed responsibility, and then extreme outpourings of affection. How does a child learn to feel safe in this topsyturvy world of conditional love? Leve captures the chaos and

lasting impact of a child ’ s life under siege and explores how the coping mechanisms she developed to survive later incapacitated her as an adult. There were material comforts, but no emotional safety, except for summer visits to her father ’ s home in South East Asia—an escape that was terminated after he attempted to gain custody. Following the death of a loving caretaker, a succession of replacements raised Leve—relationships which

---

resulted in intense attachment and loss. It was not until decades later, when Leve moved to other side of the world, that she could begin to emancipate herself from the past. In a relationship with a man who has children, caring for them yields a clarity of what was missing. In telling her haunting story, Leve seeks to understand the effects of chronic psychological maltreatment on a child's developing brain, and to discover how to build a

life for herself that she never dreamed possible: An unabbreviated life. The Power of Who Penguin Lev Grossman's new novel THE BRIGHT SWORD will be on sale July 2024 Return to Fillory in the riveting sequel to the New York Times bestseller and literary phenomenon, The Magicians, now an original series on SYFY, from the author of the #1 bestselling The Magician's Land. Quentin Coldwater should be happy. He escaped a miserable Brooklyn childhood, matriculated at a secret college for magic, and graduated to discover

that Fillory—a fictional utopia—was actually real. But even as a Fillorian king, Quentin finds little peace. His old restlessness returns, and he longs for the thrills a heroic quest can bring. Accompanied by his oldest friend, Julia, Quentin sets off—only to somehow wind up back in the real world and not in Fillory, as they'd hoped. As the pair struggle to find their way back to their lost kingdom, Quentin is forced to rely on Julia's illicitly learned sorcery as they face a sinister threat in a world very far from the beloved fantasy novels of

in a family where you  
could become one of  
three things—a doctor,  
lawyer, or a failure. His  
family was convinced

he had chosen option  
three: instead of  
attending his college  
graduation ceremony,  
he headed to India to  
become a monk, to  
meditate every day for  
four to eight hours, and  
devote his life to  
helping others. After

with no recognizable skills on his resume, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and

mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion

views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative

Award. Instead of giving him lunch money, Rex's mom has signed him up for free meals. As a poor kid in a wealthy school district, better-off kids crowd impatiently behind him as he tries to explain to the cashier that he's on the free meal program. The lunch lady is hard of hearing, so Rex has to shout. Free Lunch is the story of Rex's efforts to navigate his first semester of sixth grade—who to sit with, not being able to join the football team, Halloween in a handmade costume, classmates and a teacher who take one look at him and decide he's trouble—all compelling and authentic, while wearing secondhand clothes and being hungry. His mom and her boyfriend are out of work, and life at home is punctuated by outbursts of violence. Halfway through the semester, his family is evicted and ends up in government-subsidized housing in view of the school. Rex lingers at the end of last period every day until the buses have left, so no one will see where he lives. Unsparing and realistic, Free Lunch is a story of hardship threaded with hope and moments of grace. Rex's voice is compelling and authentic, and Free Lunch is a true, timely, and essential work that illuminates the lived experience of poverty in America. ### An Abbreviated Life Zondervan

Carlos Whittaker equips you with practical steps to destroying the roots of your deep-seated habits so you can get rid of what's holding you back and embrace true freedom in Christ. Are you tired of trying to live for Christ--only to fail time and time again with the same old behaviors? Do you pray for guidance, ask for

deliverance, and vow to do better, yet fail to progress? As an author, speaker, podcaster, and communicator for our time, Carlos has lived much of his spiritual life in the spotlight. But, like any Christian, his faith story has had its ups and downs. He spent decades trying to figure out how to be a "better person." Time and time again, he strived for holiness, only to get caught in a cycle of destructive

---

habits, behaviors, and thought patterns. But the buck stops here. Or, rather, the spider is killed here. Throughout *Kill the Spider*, Carlos walks you through the key aspects of killing the spiders in your own life, including:

- Confessing the lies you've believed
- Renouncing the lies that have held you back
- Rejecting every lie that Jesus has exposed to you
- Replacing these lies with Jesus's truth

In *Kill the Spider*, Carlos shares everything from hilarious, self-deprecating stories to passion-filled wisdom to teach us that we can't just clear away the pesky cobwebs. Instead, we need to find the spider--the source of the issue--and take it out entirely. Carlos offers a breath of fresh air to any believer looking to finally step into the freedom in Christ. Take a seat, open up your book, and grab a shoe. We're going on a spider hunt.
