Combining coverage of the key concepts and tools within phonetics and phonology with a systematic introduction to Praat, this textbook provides a lively and engaging 'way in' to the discipline. The author first covers the fundamentals of the articulatory and acoustic aspects of speech and introduces Praat as the

main tool for examining and visualising speech. Next, the unit of analysis is gradually expanded (from syllables to words to turns and dialogues) and excerpts of real dialogues exemplify the core concepts for discovering how speech works. The final part of the book brings all the concepts and notions together with commentaries to the transcription of several short excerpts of dialogues. This book will be essential reading for students on undergraduate courses in phonetics and phonology.

"A bravura performance."—The New York Times
Histories and personalities collide in this literary tour-de-force about the Philippines ' present and America ' s past by the PEN Open Book Award – winning author of *Gun Dealers ' Daughter*. Two women, a Filipino translator and an American filmmaker, go on a road trip in Duterte ' s Philippines, collaborating and clashing in the writing of a film script about a massacre during the Philippine-American War. Chiara is working on a film about an incident in Balangiga, Samar, in 1901, when Filipino revolutionaries attacked an American garrison, and in retaliation American soldiers created " a howling wilderness " of the surrounding countryside. Magsalin reads Chiara ' s film script and writes her own version. *Insurrecto* contains within its dramatic action two rival scripts from the filmmaker and the translator—one about a

white photographer, the other about a Filipino schoolteacher. Within the spiraling voices and narrative layers of *Insurrecto* are stories of women—artists, lovers, revolutionaries, daughters—finding their way to their own truths and histories. Using interlocking voices and a kaleidoscopic structure, the novel is startlingly innovative, meditative, and playful. *Insurrecto* masterfully questions and twists narrative in the manner of Italo Calvino's *If on a Winter's Night a Traveler*, Julio Cortázar's *Hopscotch*, and Nabokov's *Pale Fire*. Apostol pushes up against the limits of fiction in order to recover the atrocity in Balangiga, and in so doing, she shows us the dark heart of an untold and forgotten war that would shape the next century of Philippine and American history.

A long-term study providing rare insights into the precarious career and ordinary working culture of professional footballers. Away from the celebrity-obsessed media gaze, the work of a professional footballer is rarely glamorous and for most players a career in football is insecure and short-lived. A former professional, Martin Roderick's familiarity with the world of football is the foundation for this privileged research into a world that is typically closed to the public gaze and ignored

by media reportage and academic research which prefers to focus on a small, unrepresentative group of elite players. Key themes explored within the text include: the culture of work in professional football the changing identity, orientation and expectations of players during their careers the fragile and uncertain nature of professional sport careers the performance and dramatic aspects of a career under public scrutiny the role of relationships with managers, owners, support staff and partners players' responses to the insecurities inherent in professional football such as injury, ageing, performance and transfer. The text deals with a wide range of issues of interest to sports students and academics, particularly those with a focus on the sociology of sport but also including sport

development, sport management and coaching studies. The text will also be of interest to researchers in the fields of careers, industrial relations and the sociology of work.
