## **Goal! NOLO**

The Ultimate Guide to Pregnancy for Lesbians covers everything you need to make the thrilling and challenging journey to motherhood: from choosing a donor to tracking fertility to signing the right papers on the dotted lines. Rachel Pepper's lively, easy-to-read guide is the first place to go for up-to-date information and sage advice on everything from sex in the sixth month to negotiating family roles. Why a second edition? When the acclaimed first edition appeared, the author's daughter was only a few months old. This new edition takes into account the parenting know-how Pepper has developed over the intervening six years, as well as the evolving legal status of lesbian parents, and the increasing importance of the Internet for information on fertility, sperm banks, and donors. The resource section is greatly expanded, as are the sections on each trimester of pregnancy, on childbirth, and on life with a newborn. And Pepper provides more insight into preconception planning for both single lesbians and couples. An indispensable resource, The Ultimate Guide to Pregnancy for Lesbians is now bigger and better.

## The Ultimate Guide for Gay Dads Blue Topaz

Out-parented at PTA? Out-liked on social media? Wondering how your best friend from high school 's kids are always color-coordinated, angelic, and beaming from every photo, while your kids look more like feral monkeys? It 's okay. Imperfection is the new perfection! Join Meredith Ethington, " one of the funniest parents on Facebook, " according to Today.com, as she relates encouraging stories of real-mom life in her debut parenting humor book, Mom Life: Perfection Pending. Whether you 're buried in piles of laundry, packing your 50th sack lunch for the week, or almost making it out the door in time for school, you 'll laugh along with stories of what real-mom life is like—and realize that sometimes simply making it through the day is good enough. An uplifting yet real look at all that is expected of moms in the 21st century, Mom Life: Perfection Pending is so relatable you 'll find yourself saying, " I guess I 'm doing okay after all. "

*Healthy Made Easy* Da Capo Lifelong Books

Trust your gut, take care of yourself, and find new life on the other side with this "straightforward" (Ilene S. Cohen, PhD, award-winning author of *When It's Never About You*), empowering guide to divorce for moms. We hear it all the time on the news. The divorce rates are rising. More children are being raised in split homes. But you didn't think it would happen to you. Luckily, you're not alone. Popular divorce coach Michelle Dempsey-Multack not only survived her own divorce but figured out how to move on with her life, just like you will, too. Now happily remarried with a blended family, she's living proof that no matter which "firsts" you might be experiencing as

you end your marriage, and no matter how long you stayed with someone who didn't meet your needs, your best days are ahead. *Mom's Moving On* is your "go-to guide" (Dr. Elizabeth Cohen, psychologist and author of *Light on the Other Side of Divorce*), filled with practical, actionable, and empowering advice from someone who has been through it and has come out the other side. Through Michelle's guidance, you'll learn how to navigate your divorce with confidence, adjust to life as a single mother, and shift your perspective to find your way back to your best self. From coparenting to dating as a single mother, you'll learn how to truly move on and create the life you deserve.

*Sh\*tty Mom* Abrams

If you are thinking of becoming a gay dad? or if you are already a gay dad? this book is for you! Are you ready to have kids? More and more gay men are turning to adoption and surrogacy to start their own families. An estimated two million American LGBTQ people would like to adopt and an estimated 65,000 adopted children are living with a gay parent. In 2016, The Chicago Tribune reported that 10 to 20 percent of donor eggs went to gay men expanding their families via surrogacy, and in many places the numbers were up 50 percent from the previous five years. Gay parenting: Having a kid is like coming out all over again, on a daily basis, especial if you have an infant. Was coming out stressful for you? It's

about to get more intense and you will have a child watching your every move and listening to your every word. If you stutter or pause, they may pick up on your discomfort and could start to feel like something is wrong about their family unit. The Ultimate Guide For Gay Dads is jam packed with parenting tips and advice to help you build confidence and become the awesome gay dad you were meant to be! How Is This Parenting Guide Different From Others? Unlike other parenting books that have whole chapters focusing on things specifically related to mothers (such as how to get the perfect latch when breastfeeding), this parenting book replaces those sections with things relevant to gay dads. It covers topics like how to find LGBT friendly pediatricians, how to find LGBT friendly schools, how to childproof your home with style, how to answer awkward and prying questions about your family from strangers, examples for what two-dad families can do on Mother's Day, and much more. The book also includes parenting tips and advice from pediatricians, school educators, lawyers, and other same-sex parents. Top LGBT parenting expert: Bestselling author Eric Rosswood covers every aspect of fatherhood for gay men in this essential guide to growing your family in the post-DOMA era. He is a major influencer on social media with over 100,000 followers on Twitter alone, as well as thousands on other platforms. Exploring LGBTQ issues: Rosswood is an in-demand authority and commentator on LGBTQ issues, including civil rights, parenting, marriage and politics. The author has been featured in major media including The Washington Post, Cosmopolitan, CBS News, The Huffington Post, Elite Daily, Yahoo! News, AOL News, NY Daily News, IB Times, and regional LGBTQ press.

*Green Babies, Sage Moms* Independently Published

"Nearly criminally funny . . . carries a powerful message to all parents, but especially moms, that distilled to its essence is this: chill." —Time Sh\*tty Mom is the ultimate parenting guide, written by four moms who have seen it all. As hilarious as it is universal, each chapter presents a common parenting scenario with advice on how to get through it in the easiest and most efficient way possible. With chapters such as How to Sleep Until 9 A.M. Every Weekend and When Seeing an Infant Triggers a Mental Illness That Makes You Want to Have Another Baby, as well as a Sh\*tty Mom quiz, this is a must-have, laugh-out-loud funny book for the sh\*tty parent in all of us. "A totally hilarious and

---

uncensored look at some of the impossible situations we mothers find ourselves in.”

—The Bump “As the attachment parenting craze has hit a zenith in American culture, four very funny moms—comedy writers, TV producers, and a novelist—blast open a long locked safe filled with frustrations faced by all modern mothers, with sympathetic and sharp humor . . . The authors’ unfiltered candor is a welcome reminder for readers that they’re not alone.” —Publishers Weekly (starred review) “Hilariously entertaining. A must-read survivor’s guide for every mother!”—Christy Turlington Burns, founder of Every Mother Counts “A long overdue little burst of honesty from the supposed minority of mothers who are, in fact, not that maternal . . . After a generation of supermoms one-upping each other in dead earnest on playgrounds and schoolyards, the emerging mass appeal of Sh\*tty Mom is a welcome relief.” —The New York Observer

*The Mother of All Pregnancy Books*

*Moms Moving On* Penguin

An Amazing Resource for Nursing Moms

Although breastfeeding is the natural and healthy way to nourish your baby, it's not always easy. Many new mothers are scared away from nursing because of difficulty getting started and lack of information about what to do when things don't go as planned. In this fully revised and updated edition of *The Ultimate Breastfeeding Book of Answers*, two of today's foremost lactation experts help new mothers overcome their fears, doubts, and practical concerns about one of the most special ways a mother can bond with her baby. In this comprehensive guide, Dr. Jack Newman, a leading authority on infant care, and Teresa Pitman, a La Leche League leader for more than twenty years, give you the facts about breastfeeding and provide solutions for the common problems that arise. Filled with the same practical advice that made the first edition a must-have for nursing moms, the new edition features updates on:

- Achieving a good latch
- What to do if your baby refuses the breast
- Avoiding sore nipples
- Ensuring your baby gets enough milk
- Feeding a colicky baby
- Breastfeeding premature and special-needs babies
