"[...]one day be on his side. When at home and afar from her, he felt capable of seizing the girl—of carrying her back with him as the old-time savage won his bride; but when he looked into her clear, calm eyes his villiany, his resolution fell away from him. He found himself not merely a man of the nearer time, but a Catholic—in training at least—and the words he had planned to utter fell dead on his lips. Libertine though he was, there were lines over which even his lawlessness could not break.[...]"

Making, keeping, and enjoying money isn't just about investments, salaries, inheritances, or dividends, according to Deborah Price. It's also about the games people play around money and their character type in relation to it. In *Money Magic*, Price shows how to transform your relationship with money to obtain the wealth you desire. The book is structured around eight "types": the Innocent (the ostrich approach); the Victim (blaming circumstances); the Warrior (conquering money); the Martyr (always rescuing someone); the Fool (gambler looking for a windfall); the Creator/Artist (regarding money as evil); the Tyrant (controlling through money); and the Magician (benefitting spiritually and financially from money). The Magician is the book's ideal, and Price offers exercises to help readers attain it. Describes eight money types, and offers quizzes to determine your type. Shows readers how to stop making fear-based money choices.

Now, in response to huge reader demand, this latest addition to my magical *Course in Manifesting* series turns to the subject of money. In *Becoming Rich*, you'll not only learn the precise details of how you can use Magic to transform your entire financial world and start bringing money flowing to you. So, why Magic?

Only a few years ago I lived in a tiny flat, working twelve hours a day in a factory for minimum wage. Today, I live in a beautiful home by the sea, often earning more in one month than I used to in an entire year. In this book you will discover the steps that enabled me to turn my financial life around in this amazing, life-changing way. The change in my financial circumstances was so dramatic, it makes more sense to describe it as involving Magic than anything else. And when money starts to come tumbling your way in a manner that goes far beyond mere coincidence and luck, you will no longer doubt that Magic exists. Yet my finances were actually the last thing I mastered 'magically'. I felt cursed, blocked, financially stuck for ages. But having got things right once or twice, I went on to discover that, even after a lifetime of poverty, money turned out to be the very easiest thing of all to manifest using Magic. And I went on to bring an unbelievable amount of money into my life. If you're jaded by the whole New Age Law of Attraction idea, or have become bored by its failure to deliver... this book is for you. Because this is a practical book, offering concrete techniques and instructions for bringing wonderful things into your life. You're looking at this book because you need money, and it's now time to bring that money into your life. The plan is to build your knowledge slowly, gradually, building on what has gone before, moving on to more complex techniques only once the basics are mastered. So many people fail with Magic and the Law of Attraction because they rush headlong into using techniques,

trying to create enormous manifestations, trying to manifest huge sums of money off the bat ... but making very simple yet crucial mistakes. When they are disappointed, they imagine they have been duped. The sceptics are right. This is just a load of nonsense. Then they give up, declaring it just doesn't work. But I can assure you it does work. And you can make it work. This book will show you how. My intention is make sure that Becoming Rich will allow you to become a true creator of your own financial life, reawakening and rekindling your belief and interest in The Law of Attraction, Reality Creation, Cosmic Ordering or whatever you wish to call it. I prefer simply to call it Magic.

This is a book of 40 short, powerful, practical, proven spells for WEALTH CREATION. Not included here is fluff, hype, gimmicks or platitudes, nor is anything here unnecessarily complicated, or hard to understand or difficult to implement. The spells within are quite

simply alchemy of the soul. As the introduction of the book states, these spells are not directed at outer effects. This magick is simple, born of necessity... my own burning desire to unleash myself from the shackles of lack and limitation that seemed to haunt me at every turn, even when I had money. In this 40-Day process, we only spell SELF. We do not spell outer conditions. There is no need to spell outer conditions. Outer conditions have no power. This magick acknowledges that all the power to effect change in your world is INSIDE YOU. This magick takes an 'inside-out' approach, rather than the forms of magick that cast spells on other people or on anything outside of self. If you change, all else will change. That's the heart and soul of this magick: SELF TRANSFORMATION. ALCHEMY OF THE SOUL.
