"The perfect kind of story for our current era."—Hypable From the author of *Burn Our Bodies Down*, a feminist *Lord of the Flies* about three best friends living in quarantine at their island boarding school, and the lengths they go to uncover the truth of their confinement when one disappears. This fresh debut is a mind-bending novel unlike anything you've read before. It's been eighteen months since the Raxter School for Girls was

put under quarantine. Since the Tox hit and pulled Hetty's life out from under her. It started slow. First the teachers died one by one. Then it began to infect the students, turning their bodies strange and foreign. Now, cut off from the rest of the world and left to fend for themselves on their island home, the girls don't dare wander outside the school's fence, where the Tox has made the woods wild and dangerous. They wait for the cure they were promised as the Tox seeps into everything. But when Byatt goes missing, Hetty will do anything to find her, even if it means breaking quarantine and braving the horrors that lie beyond the fence. And when she does, Hetty learns that there's more to

their story, to their life at Raxter, than she could have ever thought true. And don't miss Rory Power's second novel, *Burn Our Bodies Down!* Praise for *Wilder Girls*: 4 STARRED REVIEWS! "Take Annihilation, add a dash of Contagion, set it at an all-girls' academy, and you'll arrive at Rory Power's occasionally shocking and always gripping *Wilder Girls*."--Refinery29 "This thrilling saga...is sure to be one of the season's most talked-about books, in any genre."--EW "Fresh and horrible and beautiful....readers will be consumed and altered by *Wilder Girls*."--NPR *A Book of Golden Deeds* Lulu.com Moving to rural Georgia, a failed academic plans to write a history of his family's old

plantation and the horrors that occurred there but instead discovers a sense of unspoken dread among the townspeople and a long-standing debt of blood. 100,000 first printing.

He's wearing a white linen suit she's never seen before, and he's supposed to be dead. Grief-stricken and baffled, Clare tails Richard, a horror film scholar, through the newly tourist-filled streets of Havana, clocking his every move. As the distinction between reality and fantasy blurs, Clare finds grounding in memories of her childhood in Florida and of her marriage to Richard, revealing her role in his death and reappearance

is a propulsive, brilliantly shape-shifting novel from an inventive author at the height of her narrative powers. **Wrath Bringer (The Epic of Battailous - Book One)** Text Publishing

This volume, covering the period from the 1890s to the future, includes stories from founding fathers of the field like H. G. Wells and C. S. Lewis; beloved mainstays of the genre, such as Philip Jose Farmer, Roger Zelazny and Jack Vance; notable female writers, including Nancy Kress, and authors like Bruce Sterling,

William Gibson and James Morrow, critically or commercially successful, but there's only one metric that matters: are they scary? Back in the silent era, viewers thrilled at Frankenstein and Dracula. Today, the monsters may have changed, but the instinct remains the same: to seek out the unspeakable, ride the adrenaline rush and play out our fears in the safety of the cinema. The Book of Horror focuses on the most frightening films of the post-war era - from Psycho (1960) to It Chapter Two (2019) - examining exactly how they

who have hit their stride in the last two decades. Also featured are those widely recognised outside the genre, the celebrated writing of E. M. Forster and Michael Shaara, as well as translations of foreign writers' formative work including that of Wolfgang Jeschke and Dino Buzzati.

Bestseller! A BuzzFeed Best Young

Adult Book of 2020 Perfect for

fans of *The Last Magician* and

Serpent & Dove, this heart-

stopping debut is an imaginative

Romeo and Juliet retelling set in

1920s Shanghai, with rival gangs

and a monster in the depths of the

Huangpu River. The year is 1926,

and Shanghai hums to the tune of

debauchery. A blood feud between

two gangs runs the streets red,

leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarlets for generations. And behind every move is their heir, Roma Montagov, Juliette's first love...and first betrayal. But when gangsters on both sides show signs of instability culminating in clawing their own throats out, the people start to whisper. Of a contagion, a madness. Of a monster in the shadows. As the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and

work together, for if they can't stop this mayhem, then there will be no city left for either to rule. A Gift of Magic Penguin Books Oskar doesn't have many friends. So when Eli moves in next door, things seem to be improving. She's a little strange, and her 'father' is frankly sinister, but at least she likes Oskar. Then a child's body is found hanging from a tree, and all hell breaks loose. Is it a serial killer? Or something a bit...different? *The Peculiar Pleasures of Fear* Little, Brown "A wild roar of a novel . . . Writing about music is tricky. Ninety-nine percent of the time

hearing the actual song or going to the actual concert is far more revealing than any paragraph describing it. But Jackson pulls off this near-impossible feat, pulling the reader past the velvet ropes into the black-box theaters and sweaty, sticky-floored stadiums." -Marisha Pessl, *The New York Times Book Review* An epidemic of violence is sweeping the country: musicians are being murdered onstage in the middle of their sets by members of their audience. Are these random copycat killings, or is something more sinister at work? Has music itself become corrupted in a culture where everything is available, everybody is a "creative," and attention spans have dwindled to nothing?

With its cast of ambitious bands, yearning fans, and enigmatic killers, *Destroy All Monsters* tells a haunted and romantic story of overdue endings and unlikely beginnings that will resonate with anybody who's ever loved rock and roll. Like a classic vinyl single, *Destroy All Monsters* has two sides, which can be read in either order. At the heart of Side A, "My Dark Ages," is Xenie, a young woman who is repulsed by the violence of the epidemic but who still finds herself drawn deeper into the mystery. Side B, "Kill City," follows an alternate history, featuring familiar characters in surprising roles, and burrows deeper into the methods and motivations of the murderers. "At some point, I began to think of it as an ancient folk tale. It's fine work, with a kind of scattered narrative set within a tight frame. Fast-moving throughout—fragile characters who suggest a bleak inner world made in their own collective image." —Don DeLillo

"*Destroy All Monsters* has a distinct pulse—a kind of heartbeat—that comes out of the rhythm of the prose, the inventiveness of the form, and the willingness of Jeff Jackson to engage the mysterious alchemy of violence, performance, and authenticity. This accomplished, uncanny novel is simultaneously seductive and unsettling." —Dana Spiotta, author of *Innocents* and *Others* and *Eat the Document* "Surges

with new-century anxiety and paranoia . . . A clear-eyed, stone-cold vision of what's to come."
-Ben Marcus "Jeff Jackson is one of contemporary American fiction's most sterling and gifted new masters. Destroy All Monsters . . . is a wonder to behold." -Dennis Cooper

-The New York Times Catriona Ward's *The Last House on Needless Street* is a shocking and immersive read perfect for fans of *Gone Girl* and *The Haunting of Hill House*. In a boarded-up house on a dead-end street at the edge of the wild Washington woods lives a family of three. A teenage girl who isn't allowed

outside, not after last time. A man who drinks alone in front of his TV, trying to ignore the gaps in his memory. And a house cat who loves napping and reading the Bible. An unspeakable secret binds them together, but when a new neighbor moves in next door, what is buried out among the birch trees may come back to haunt them all. "The new face of literary dark fiction."

A Ladder to the Sky Macmillan
"A satire of writerly ambition wrapped in a psychological thriller . . . An homage to Patricia Highsmith, Oscar Wilde and Edgar Allan Poe, but its execution is entirely Boyne's own."—Ron Charles, The Washington Post
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND MINNEAPOLIS STAR TRIBUNE
Maurice Swift is handsome, charming, and hungry for fame. The one thing he doesn't have is talent—but he's not about to let a detail like that stand in his way. After all, a would-be writer can find stories

anywhere. They don't need to be his own. Working as a waiter in a West Berlin hotel in 1988, Maurice engineers the perfect opportunity: a chance encounter with celebrated novelist Erich Ackermann. He quickly ingratiates himself with the powerful - but desperately lonely - older man, teasing out of Erich a terrible, long-held secret about his activities during the war. Perfect material for Maurice's first novel. Once Maurice has had a taste of literary fame, he knows he can stop at nothing in pursuit of that high. Moving from the Amalfi Coast, where he matches wits with Gore Vidal, to Manhattan and London, Maurice hones his talent for deceit and manipulation, preying on the talented and vulnerable in his cold-blooded climb to the top. But the higher he climbs, the further he has to fall. . . . Sweeping across the late twentieth century, *A Ladder to the Sky* is a fascinating portrait of a relentlessly immoral man, a tour de force of storytelling, and the next great novel from an acclaimed literary virtuoso. Praise for *A Ladder to the Sky* "Boyne's mastery of perspective, last seen in *The Heart's Invisible Furies*, works

beautifully here. . . . Boyne understands that it's far more interesting and satisfying for a reader to see that narcissist in action than to be told a catchall phrase. Each step Maurice Swift takes skyward reveals a new layer of calumny he's willing to engage in, and the desperation behind it . . . so dark it seems almost impossible to enjoy reading *A Ladder to the Sky* as much as you definitely will enjoy reading it."—NPR "Delicious . . . spins out over several decades with thrilling unpredictability, following Maurice as he masters the art of co-opting the stories of others in increasingly dubious ways. And while the book reads as a thriller with a body count that would make Highsmith proud, it is also an exploration of morality and art: Where is the line between inspiration and thievery? To whom does a story belong?"—*Vanity Fair*

Monsters of Our Own Making
Hogarth

The "masterfully chilling" novel that inspired the hit AMC series (Entertainment Weekly). The men on board the HMS Terror – part of the 1845 Franklin Expedition, the first steam-powered vessels ever to search for the legendary Northwest Passage – are entering a second summer in the Arctic Circle without a thaw, stranded in a nightmarish landscape of encroaching ice and darkness. Endlessly cold, they struggle to survive with poisonous rations, a dwindling coal supply, and ships buckling in

the grip of crushing ice. But their real enemy is even more terrifying. There is something out there in the frigid darkness: an unseen predator stalking their ship, a monstrous terror clawing to get in. "The best and most unusual historical novel I have read in years."

–Katherine A. Powers, Boston Globe
