Monsters of Men - Wikipedia

The Chaos Walking trilogy is genuinely imaginative dealing as much with questions of privacy and information overload as it does with the more self evident subject of war (The New World 's great menace is a germ that makes men s thoughts audible and visible.)

Chaos Walking is a young adult science fiction series written by American-British novelist Patrick Ness. It is set in a dystopian world where all living creatures can hear each other's thoughts in a stream of images, words, and sounds called Noise. The series is named after a line in the first book: "The Noise is a man unfiltered, and without a filter, a man is just chaos walking."

War makes monsters of men is one of the messages at the heart of this final part of the Chaos Walking trilogy. There are a number of more subtle messages too about how war is, always, a personal tragedy but can also be something experienced at third hand, perhaps by the collective unconscious of the participants.

But then a third voice breaks into the battle, one bent on revenge The electrifying finale to the award-winning Chaos Walking trilogy, Monsters of Men is a heart-stopping novel about power, survival, and the devastating realities of war.
