Prep School Gangster is the true story of an over-privileged hoodlum growing up in Manhattan in the 90s. The book follows the troubled youth all the way from hanging off the back of subway cars at fourteen, through a romance with a mafia princess doomed for disaster, to a law school class where the unreformed and semi-repentant miscreant sits politely with his hand raised. It is unclear whether he is truly remorseful for the offensive behavior of his past, or just weary from dealing with the consequences, leaving the success of his future as a responsible citizen and lawyer in question.
