Nikos Demakis and
Cassia Andrade were
married under a billion-
dollar company merger

contract. Nikos isn't ready to give up his playboy lifestyle, and Cassia is far from the glittering socialite that their elite circle expects. Events force them to live separate lives. Ten years later, Nikos is ready to give it all up and settle down with the wife he only sees once a year. Cassia is also ready to settle down...just not with Nikos. Will Cassia once again surrender herself to the man who scarred her forever? Or will she give up her inherited fortune to leave and never look back? Will they still be able to fulfill the terms of their billion-dollar marriage contract, when death and danger stalk them at every turn? The Conspiracy of the Universe W. W.

Norton & Company Tessa O'Connell is a girl as ordinary as they come - or so she thinks. Her aim for senior year is to keep her head down yet somehow manage to convince her childhood love Jay Stone to love her back. What she isn't prepared for is for Jay's brother, Cole, to return to town and change the life she's always been seemingly content to live. I made a mistake, we all did . . . go back to the beginning . . . it ' s not too late. As the only female to survive the devastating virus, Ara hasn ' t

seen another human in months—not since her father disappeared. The plague has swept away humanity, and Ara’s world is desolate, haunted by the ghosts of her former life. Her mother. Her sister. Kaden and his crew live by a code: stay alert, stay alive. When they catch Ara stealing from them, they are furious—and confused. She is the first girl they have seen in three years. And while Kaden knows taking her captive is wrong, he tells himself he’s doing it to protect her. But with Ara determined to follow through on her father’s mission—Go back to the beginning. End the plague—Kaden becomes mesmerized by Ara’s will and beauty. He knows he will do anything to help her, even if it tears their worlds apart. This new kind of dictionary reflects the use of "rhythm rhymes" by rappers, poets, and songwriters of today. Users can look up words to find collections of

words that have the same rhythm as the original and are useable in ways that are familiar to us in everything from vers libre poetry to the lyrics and music of Bob Dylan and hip hop groups.

The Word Rhythm Dictionary Summit Publishing Company Inc.

Wasn't that the whole point of being alive? ... To ask the right questions, not just as a journalist but as a human being? To not just examine other people's dark, cold, self-hating, contradictory, disconnected places, but to examine one's own, given that this was possibly the most uncomfortable inquiry one could ever undertake? ... not to rush to one position

or another, but to allow disparate ideas to co-exist, within ourselves and within others. To begin to know oneself, and to begin to know that we don't know. More than a decade ago, journalist David Leser started writing a biography of his famous father, legendary magazine publisher, Bernard Leser. But David couldn't finish the project because he didn't want to employ his investigative and forensic feature writer's skills to unmask his father - to do so seemed utterly at odds with his desire to be the loving son he wanted to be. But freed from the obligation of having to think of his father as a book project, David started seeing him as a man,

as both a son and a father, as someone loved and familiar but also flawed and unknowable. And the harder he looked at his father, the more he saw himself and how his own life had been lived both in tribute to and rebellion from the legacy of his father. A lyrical, deeply moving and searingly honest memoir of two men, father and son, and their shared truths and burdens, *To Begin to Know* is a story of love and forgiveness, of acceptance and hope. It goes to the heart of a family - the hearts of all families - and asks questions crucial to us all.

The work of Giorgio Agamben, one of the world's most important living philosophers, has been the object of much scrutiny. Yet, there is one dimension of his thought that remains unexamined by scholars: the presence of the ancient science of astrology in his writings. This book, the first of its kind, identifies the astrological elements and explains the implications of their usage by Agamben. In so doing, this study challenges us to imagine Agamben's thought in a radically new light. A critical account of the presence of astrology and related

themes in Agamben's writings, ranging from the earlier works to the more recent publications, illustrates that the astrological signature constitutes a mode of philosophical archaeology that allows for an enhanced understanding of concepts that are central to his works, such as potentiality, the signature, bare life and biopolitics. The Wallflower's Revenge Wattpad Books This book sheds new light on the role of the military in Italian society and culture during war and peacetime by bringing together a whole host of

For Westwood senior Brynn Cadence, high school drama is taken to a whole new level when she discovers the dead body of a classmate on the football field one Friday night. When she tells the police she saw a masked figure fleeing up the bleachers, they dismiss her and

label the death accidental. With no one believing what she saw, Brynn's internal walls start to go up. But there's one wall she has no control over—the one that separates her and Kyler Fellan's gym lockers. That's right, Brynn opens her locker only to find herself face-to-face with the shirtless abs of the school's star football player and resident flirt. While not an unwelcome surprise, Brynn knows she should leave her fluttering feelings for Kyler on the locker room floor in order to focus on exposing the truth of her classmate's death. But Kyler's top jock status has

made him privy to some potentially useful gossip, making him a helpful and trustworthy partner in her investigation. As two find themselves delving deeper into the case, they are inevitably drawn closer to each other—even if that isn't safe for either of them.

Mafia Protection Some Kind of Wonderful Publishing LLC

"I will come back for my revenge." That was Tatiana Rostova's promise to herself as she fought for her life one cold night out at sea, after the two people she loved the most betrayed her and watched as the ruthless ocean tried to swallow her whole. She would even sell herself to the devil-

even if the devil came in the form of a six-foot-two, silver-eyed Italian duke named Lucca Cavelli. She would take everything that was rightfully hers—and this will be the start of the wallflower's revenge. *The Artful Edit: On the Practice of Editing Yourself* Scarecrow Press

"I need you to go to New York and pretend to be your twin sister." That was the command Laila Fiorenza's father gave her when her sister ran away from home just days before she had to meet her betrothed, the handsome, party-going, Greek shipping magnate, Nikos Pallis. But after being jilted in a previous betrothal, Laila had only one wish, which is to never be the

second choice in love again. So, eager to go back to her sheltered life in Sicily and unwilling to do what her father commands, Laila comes clean to Nikos about the farce, hoping he would call off the wedding. However, Nikos had other plans, and he might just be willing to grant her wish.

The deeply moving second novel from the author of the award-winning FIVE RIVERS MET ON A WOODED PLAIN. 'Courageous...memorable...moving' - Guardian 'One of our most exciting young writers' - The Times 'Life-

affirming, beautiful and achingly poignant' - Donal Ryan 'Isn't the life of any person made up out of the telling of two tales, after all? The whole world makes more sense if you remember that everyone has two lives, their real lives and their dreams, both stories only a tape's breadth apart from each other, impossibly divided, indivisibly close.' Every year, Robert's family comes together at a rambling old house to celebrate his birthday. Aunts,

uncles, distant cousins - it has been a milestone in their lives for decades. But this year Robert doesn't want to be reminded of what has happened since they last met - and nor, for quite different reasons, does his granddaughter Kate. Neither of them is sure they can face the party. But for both Robert and Kate, it may become the most important gathering of all. As lyrical and true to life as Norris's critically acclaimed debut *Five Rivers Met on a Wooded Plain*, which won a Betty Trask Award and was

shortlisted for the Ondaatje Prize and Debut of the Year at the British Book Awards, this is a compelling, emotional story of family, human frailty, and the marks that love leaves on us. *Helios Murders* Wattpad Books Having lived a sheltered life under her father's strict rule, Ella's newfound freedom is tested when she meets Angelo Tomassi, the most well known crime boss in Miami. Despite his duty to marry another woman, Angelo shows Ella a softer side that wins over her

heart. She refuses her chance to leave and willingly gives up her freedom for a chance at love with Angelo. When their romantic involvement ignites a string of brutal attacks from an enemy group, Angelo places Ella under his watchful eye to keep her safe. To his surprise, innocent Ella shoots back with impeccable accuracy and skill, raising questions connected to her past. This book may contain language, violence or sexual content and is intended for mature audiences. Reader discretion is advised.

Sarah "Nerdy" Littman is your typical high school nerd-geeky glasses, straight A's, the works. Her only social life consists solely of hanging out at the cafeteria with her best friend Becky Tyrone, as she tries to avoid being bullied by her arch nemesis Matt Adams. When superstar Leon Walden transfers to their school pretending to be just another regular student, Sarah's life completely turned upsidedown, much to her chagrin. Things get even more complicated when Leon moves in next door and deliberately befriends her. And when Sarah finds herself falling for the teen star, she learns that there is no mathematical

equation or scientific
formula that can help
her sort out her
feelings.
