Good Dogs: Stories of Benevolence is a collection of true stories about dogs helping people and people helping dogs. They are stories about all kinds of dogs-some with jobs; some who were abused and ultimately cared for; some who were simply loving pets; and a few who were famous-but all of the stories are about kindness, hope, starting over, and lending a hand. The dogs found here-Lacey, Scarlet, Polly, Lord Geoffrey, Ronnie, Daisy, and all the others-are proof of the meaningful relationships and strong bonds that can be formed when the best side of humans and the best side of dogs reach out to each other and form friendship and good will.

Filled with inspiring stories and photographs, this heartfelt tribute to the pit bull celebrates one of America's most popular yet misunderstood dogs. Perhaps more than any other breed, the pit bull has been dogged by negative stereotypes. In truth, pit bulls are innately wonderful family pets, as capable of love and good deeds as any other type of dog. Setting the record straight, Ken Foster sings the praises of pit bulls in I'm a Good Dog, a gorgeously illustrated, tenderly written tribute to this most misunderstood of canines. Founder of the Sula Foundation, which promotes responsible pit bull ownership in New Orleans, and the author of two acclaimed books about abandoned dogs, Foster has made it his mission to bring overlooked canines into the limelight.

I'm a Good Dog traces the fascinating history of this particularly maligned breed. A century ago, the pit bull was considered a family dog, featured in family photos and trusted as loving companions for children. More recently, pit bulls have been portrayed by the media as stereotypes of everything they are not. Foster shatters that reputation through moving profiles of pit bulls that serve as therapy dogs, athletic heroes, search-and-rescue dogs, and educators, not to mention as loving pets. Foster also profiles many pit bull lovers, from Helen Keller and Dr. Seuss to actor Todd Cerveris, who took his pit bull on tour with him for the musical Spring Awakening. Proving that there's much to love and nothing to fear, I'm a Good Dog restores the pit bull to its rightful place as friend, family member, athlete and entertainer.

**Dog Love - An Unbreakable Bond** Penguin

Hello there, friends, I'm Rabbit Redbone. Back in the seventies, I had a little radio call-in show called "All Good

Dogs", and it was about...you guessed it...dogs! Now, I wasn't what you'd call a celebrity, but folks did start to get to know me, and I had a decent little following. I did that for a few years before I went on to be the cook at a kids' day camp. Turned out I was a halfway decent cook, which is about two-thirds better than I was at working the radio buttons. Still, though, it was nice to hear people's stories, and I do miss it sometimes even to this day. Let me tell you a little about it. First of all, here's how I'd start each broadcast: "Hello there, friends, I'm Rabbit Redbone. Now, a course, that ain't a hunner percent my real name, but it surely is what I know by now. My mom calls me Rabbit, and my dad does the same. My three sisters call me Rabbit, too, and it's all because my little brother couldn't say 'Robert', and I guess it stuck mostly because that little tike died when he was three. I think it's his voice I hear sometimes in the wee still hours...maybe he's calling out to me from Heaven, trying to let me know that everything's okay." That always got me a little, you know? So I'd take a swallow of air, and then I'd go on: "But anyways, it's the name I'm most used to, so, you can go ahead and call me Rabbit. Friends, if you don't know by now, then you're surely finding it out today...I love dogs. Big dogs, little 'uns. Barkers, howlers, whiners. Breeds, mixes, mutts. Workers and couch potatoes alike. In fact, I ain't never met a dog I didn't like! Even the bad ones are good ones. Yes, friends, they are all good dogs." See, that's how I got the name of my radio show. And now this here book, too.

A warm and entertaining memoir about what happens when you foster fifty dogs in less than two years—and how the dogs save you as much as you save them. When Cara felt her teenaged children slipping away and saw an empty nest on the horizon, she decided the best way to fill that void was with dogs—lots of them—and so her foster journey began. In 2015, her Pennsylvania farm became a haven for Operation Paws for Homes. There were the nine puppies at once, which arrived with less than a day's notice; a heart-worm positive dog; a deeply traumatized stray pup from Iraq; and countless others who just needed a gentle touch and a warm place to sleep. Operation Paws for Homes rescues dogs from high-kill shelters in the rural south and shuttles them north to foster homes like Cara's on the way to their forever homes. What started as a search for a good dog, led to an epiphany that there wasn't just one that could fill the hole left in her heart from her children gaining independence—she could save dozens along the way. The stories of these remarkable dogs—including an eighty-pound bloodhound who sang arias for the neighbors—and the joy they bring to Cara and her family (along with a few chewed sofa cushions) fill the pages of this touching and inspiring new book that reveals the wonderful rewards of fostering. When asked how she can possibly say goodbye to that many loveable pups, Cara says, “If I don't give this one away, I can't possibly save another.” Filled with humanity and hope, Another Good Dog will take the reader on an journey of smiles, laughs, and tears—and lead us to wonder how many other good dogs are out there and what we can do to help.
