Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

There's never been another dog as delightful—or dirty—as Harry. This lovable white dog with black spots (or black dog with white spots) has charmed children for fifty years, and we are celebrating with an anniversary edition. This childhood favourite is perfect for reading aloud before going to bed or avoiding a bath.

[Where the Crawdads Sing \(Movie Tie-In\)](#) City Lights Books

Widow Georgia finds striking parallels between her and the protagonist of the steamy novel her book club is reading, and decides to follow her counterpart into love as she falls for Woody, a hockey star.

The 48 Laws Of Power More Notes of a Dirty Old Man

"It began as a mistake." By middle age, Henry Chinaski has lost more than twelve years of his life to the U.S. Postal Service. In a world where his three true, bitter pleasures are women, booze, and racetrack betting, he somehow drags his hangover out of bed every dawn to lug waterlogged mailbags up mud-soaked mountains, outsmart vicious guard dogs, and pray to survive the day-to-day trials of sadistic bosses and certifiable coworkers. This classic 1971 novel—the one that catapulted its author to national fame—is the perfect introduction to the grimly hysterical world of legendary writer, poet, and Dirty Old Man Charles Bukowski and his fictional alter ego, Chinaski.

Some lines should never be crossed. But sometimes the temptation is too good to resist... Mason Black was everything to me: my father, my provider, my protector. But then one day, he vanished, leaving me lost and alone. I was devastated. Years later, just when I thought I had put the pieces of my life together, my world splintered apart again. Everything I thought I knew about my biological father and Mason's role in my life? Turns out, it was all a lie. Every. Last. Word. Now Mason's back. However, he offers no excuses, no explanations. He just wants me to be what he claims I've always been: his little girl. But the ache inside me won't be denied. The longing I feel isn't one of a little girl who misses her father. No. I need Mason to be more than just a father figure. More than a loving protector. I need him to be my Daddy. ***Brace yourself for a twisty, forbidden romance so deliciously devious, it'll tie you up by your heartstrings and then drag you along for the ride. Like my Quick-and-Dirty Reads, it features a guaranteed melt-your-heart ending. But unlike those shorter stories, this is hardly a light-hearted romp. If you're a fan of very taboo older

man/younger woman pairings, broody, protective Daddy figures, and contemporary Gothic vibes, then this book was tailor-made for your Kindle.

Jeremy Heere is your average high school dork. Day after day, he stares at beautiful Christine, the girl he can never have, and dryly notes the small humiliations that come his way. Until the day he learns about the "squip." A pill-sized supercomputer that you swallow, the squip is guaranteed to bring you whatever you most desire in life. By instructing him on everything from what to wear, to how to talk and walk, the squip transforms Jeremy from Supergeek to superchic.

The sequel to his famous book, "More Notes of a Dirty Old Man" reprints rare Bukowski columns unseen in decades.

[Absence of the Hero](#) Macmillan

A raw and tenderly funny look at the human-cat relationship, from one of our most treasured and transgressive writers. "The cat is the beautiful devil." Felines touched a vulnerable spot in Charles Bukowski's crusty soul. For the writer, there was something majestic and elemental about these inscrutable creatures he admired, sentient beings whose searing gaze could penetrate deep into our being. Bukowski considered cats to be unique forces of nature, elusive emissaries of beauty and love. On Cats offers Bukowski's musings on these beloved animals and their toughness and resiliency. He honors them as fighters, hunters, survivors who command awe and respect as they grip tightly onto the world around them: "A cat is only ITSELF, representative of the strong forces of life that won't let go." Funny, moving, tough, and caring, On Cats brings together the acclaimed writer's reflections on these animals he so admired. Bukowski's cats are fierce and demanding—he captures them stalking their prey; crawling across his typewritten pages; waking him up with claws across the face. But they are also affectionate and giving, sources of inspiration and gentle, insistent care. Poignant yet free of treacle, On Cats is an illuminating portrait of this one-of-a-kind artist and his unique view of the world, witnessed through his relationship with the animals he considered his most profound teachers.

Alisa Valdés-Rodríguez's vibrant, can't-put-it-down novel of six friends--each one an unforgettable Latina woman in her late '20s--and the complications and triumphs in their lives Inseparable since their days at Boston University almost ten years before, six friends form the Dirty Girls Social Club, a mutual support and (mostly) admiration society that no matter what happens to each of them (and a lot does), meets regularly to dish, dine and compare notes on the bumpy course of life and love. Las sucias are: --Lauren, the resident "caliente" columnist for the local paper, which advertises her work with the line "her casa is su casa, Boston," but whose own home life has recently involved hiding in her boyfriend's closet to catch him in the act --Sara, the perfect wife and mother who always knew exactly the life she wanted and got it, right down to the McMansion in the suburbs and two boisterous boys, but who is paying a hefty price --Amber, the most idealistic and artistic member of the club, who was raised a valley girl without a word of Spanish and whose increasing attachment to her Mexica roots coincides with a major record label's interest in her rock 'n' roll --Elizabeth, the stunning black Latina whose high profile job as a morning television anchor conflicts with her

intensely private personal life, which would explain why the dates the other dirty girls set her up on never work out --Rebecca, intense and highly controlled, who flawlessly runs Ella, the magazine she created for Latinas, but who can't explain why she didn't understand the man she married and now doesn't even share a room with; and --Usnavys, irrepressible and larger than life, whose agenda to land the kind of man who can keep her in Manolo Blahniks and platanos almost prevents her seeing true love when it lands in her lap. There's a lot of catching up to do.

An account of Charles Bukowski's 1978 European trip. In 1978 Europe was new territory for Bukowski holding the secrets of his own personal ancestry and origins. En route to his birthplace in Andernach, Germany, he is trailed by celebrity-hunters and paparazzi, appears drunk on French television, blows a small fortune at a Dusseldorf racetrack and stands in a Cologne Cathedral musing about life and death.

[Dirty Old London](#) Harper Collins

Charles Bukowski examines cats and his childhood in You Get So Alone at Times, a book of poetry that reveals his tender side. He delves into his youth to analyze its repercussions.

[The Nerdy and the Dirty](#) Penguin

A cultural history of the last forty years, The Age of American Unreason focuses on the convergence of social forces—usually treated as separate entities—that has created a perfect storm of anti-rationalism. These include the upsurge of religious fundamentalism, with more political power today than ever before; the failure of public education to create an informed citizenry; and the triumph of video over print culture. Sparing neither the right nor the left, Jacoby asserts that Americans today have embraced a universe of "junk thought" that makes almost no effort to separate fact from opinion.

[The Dirty Book Club](#) City Lights Books

NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

[The Dirty Little Secrets of Getting Your Dream Job](#) Shift 4 Pub
Everyone's favorite Dirty Old Man returns with a new volume of uncollected work. Charles Bukowski (1920-1994), one of the most

outrageous figures of twentieth-century American literature, was so prolific that many significant pieces never found their way into his books. *Absence of the Hero* contains much of his earliest fiction, unseen in decades, as well as a number of previously unpublished stories and essays. The classic Bukowskian obsessions are here: sex, booze, and gambling, along with trenchant analysis of what he calls "Playing and Being the Pet." Among the book's highlights are tales of his infamous public readings ("The Big Dope Reading," "I Just Write Poetry So I Can Go to Bed with Girls"); a review of his own first book; hilarious installments of his newspaper column, *Notes of a Dirty Old Man*, including meditations on neo-Nazis and driving in Los Angeles; and an uncharacteristic tale of getting lost in the Utah woods ("Bukowski Takes a Trip"). Yet the book also showcases the other Bukowski—an astute if offbeat literary critic. From his own "Manifesto" to his account of poetry in Los Angeles ("A Foreword to These Poets") to idiosyncratic evaluations of Allen Ginsberg, Robert Creeley, LeRoi Jones, and Louis Zukofsky, *Absence of the Hero* reveals the intellectual hidden beneath the gruff exterior. Our second volume of his uncollected prose, *Absence of the Hero* is a major addition to the Bukowski canon, essential for fans, yet suitable for new readers as an introduction to the wide range of his work. "He loads his head full of coal and diamonds shoot out of his finger tips. What a trick. The mole genius has left us with another digest. It's a full house--read 'em and weep."—Tom Waits "This second volume of Bukowski's uncollected stories and essays offers all that Bukowski is known for—wry obscenity, smutty wisdom, seeming ramblings whose hidden smarts catch you unaware--but in addition there are moments here in which he takes off the mask and strips away the bravado to show himself at his most vulnerable and human. A must for Bukowski aficionados."—Brian Evenson, author of *Last Days and The Open Curtain* "Like a brass-rail Existentialist or a skid-row Transcendentalist, [Bukowski] is candid, unblinking, leaving it to his readers to cast their own judgment about his mishaps, his drinking, his sexual appetite or his own pessimism. He is Ralph Waldo Emerson as a Dirty Old Man, not lounging in the grape-arbor of Concord, Massachusetts, but bent-over a table in an L.A. flophouse scribbling in pencil to the strains of Sibelius."—Paul Maher Jr., Phawker "[Bukowski] could be generous and mean-spirited, heroic and defensive, spot-on and slanted, but he became the world-class writer he had set out to be; he has joined the permanent anti-canon or shadow-canon whose denizens had shown him the way. Today the frequent allusions to him in both popular and mainstream culture tend more to respect than mockery. If scholarship has lagged, this book would indicate that this situation is changing."—Gerald Locklin, *Resources for American Literary Study* "The pieces range over nearly half a century, and include a story about a baseball player seized by a sudden bout of existential paralysis, along with early, graphically sexual (and masterfully comic) stories published in such smut mags as *Candid Press*."—Penthouse "An absolute must for fans of Charles Bukowski's work, *Absence of a Hero* is also a welcome addition to public and college library literary studies shelves."—Midwest Book Review [More Notes of a Dirty Old Man](#) Simon and Schuster From the author of the #1 New York Times bestselling series *The Clique* comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J.

goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels they read—and the notes passed down by the club's original members—the new members of The Dirty Book Club help each other find the courage to rewrite their own stories and risk it all for a happy ending.

[The Age of American Unreason](#) Penguin

From the self-illustrated, unpublished work written in 1947 to hardboiled contributions to 1980s adult magazines, *The Bells Tolls for No One* presents the entire range of Bukowski's talent as a short story writer, from straight-up genre stories to postmodern blurring of fact and fiction. An informative introduction by editor David Stephen Calonne provides historical context for these seemingly scandalous and chaotic tales, revealing the hidden hand of the master at the top of his form. "The uncollected gutbucket ramblings of the grand dirty old man of Los Angeles letters have been gathered in this characteristically filthy, funny compilation ... Bukowski's gift was a sense for the raunchy absurdity of life, his writing a grumble that might turn into a belly laugh or a racking cough but that always throbbled with vital energy."—Kirkus Reviews Born in Andernach, Germany, and raised in Los Angeles, Charles Bukowski published his first story when he was twenty-four and began writing poetry at the age of thirty-five. His first book of poetry was published in 1959; he would eventually publish more than forty-five books of poetry and prose. He died of leukemia in San Pedro, California on March 9, 1994. David Stephen Calonne is the author of several books and has edited three previous collections of the uncollected work of Charles Bukowski for *City Lights: Absence of the Hero*, *Portions from a Wine-Stained Notebook*, and *More Notes of a Dirty Old Man*.

[Shakespeare Never Did This](#) Harper Collins

From two of the world's top scientists and one of the world's top science writers (all parents), *Dirt Is Good* is a q&a-based guide to everything you need to know about kids & germs. "Is it OK for my child to eat dirt?" That's just one of the many questions authors Jack Gilbert and Rob Knight are bombarded with every week from parents all over the world. They've heard everything from "My two-year-old gets constant ear infections. Should I give her antibiotics? Or probiotics?" to "I heard that my son's asthma was caused by a lack of microbial exposure. Is this true, and if so what can I do about it now?" Google these questions, and you'll be overwhelmed with answers. The internet is rife with speculation and misinformation about the risks and benefits of what most parents think of as simply germs, but which scientists now call the microbiome: the combined activity of all the tiny organisms inside our bodies and the surrounding environment that have an enormous impact on our health and well-being. Who better to turn to for answers than Drs. Gilbert and Knight, two of the top scientists leading the investigation into the microbiome—an investigation that is producing fascinating discoveries and bringing answers to parents who want to do the best for their young children. *Dirt Is Good* is a comprehensive, authoritative, accessible guide you've been searching for.
