A designer crossbreed or designer breed is a crossbred animal that has purebred parents, usually registered with a breed registry, but from two different breeds. These animals are the result of a deliberate decision to create a specific crossbred animal. Less often, the animal may have more than two pure breeds in its ancestry, but unlike a mutt or a mongrel, its entire pedigree is known to ...

I seldom go below 20 blood vials with this strategy because the lost blood vials more than pay for themselves due to the high arcane.

Arcane works well as a "side" stat to play around with as well, for example I believe the Executioner Glove tool is useful for it's tracking and stagger ability alone.

Snatchers are an enemy in Bloodborne. Snatchers are tall, hooded monsters that appear in and around Cathedral Ward after the Hunter defeats the Blood-Starved Beast. They sling a large bag over their shoulder that they use to attack. If killed by a Snatcher, the Hunter will be brought to a prison called Hypogean Gaol. This is the only way to enter the Unseen Village before the red moon.
