This (More, #1) by Jay McLean. ... Hero did a lot of showing of his love for her than telling.** The sex scenes were not explicit. There were more descriptions of their foreplay than the consummation. I wasn't disappointed since, at that point in the book, the highlight was on their emotional & verbal commitment to each ...

More Than This (More Than, #1) Jay Mclean, signed my book. Yay! I was not able to meet the author yet, but she is very kind to signed my book.

Hopefully I will have the chance to meet her.

Jay thank you so much for this series. I more than like it a lot. You have a fan for life in me and I will be one-clicking More Than Him next month when it comes

out. If you still haven't one-clicked More Than This and/or More Than Her yet you don't know what you're missing. I recommend going out and doing it now you really won't be disappointed.

More Than This is a book that will forever be embedded in my memory as the one that broke the mold (for me anyway!). Prom night should be memorable for so many things from who you went with, songs you danced to, friends you laughed with and so much more.

reviews: More Than This
This book? It's everything!
You'll more than a lot like it;
you'll even more than a lot
love it. The characters, all of
them, are everything you'd
ever want in a group of
friends. You laugh with
them, cry with them, get
angry with them, love with
them, and fight FOR them!
You want it all, for them.
You know why? Because
Jay McLean is a master ...

More Than This is book
one in the More Than

series by Jay McLean. This
book was recommended
to me by two different
friends but I hadn't really
read many reviews so it
took me by completely by
surprise. I WAS NOT
prepared for all the feels,
and let me tell you, there
are plenty. And the
hotness factor, oh my
gosh, was off the charts.

More Than Her is book
two in the More Than

series by Jay McLean. This
book is the story of Logan
and Amanda. It starts out
going back and forth
between the past and the
present. It took me a
couple of chapters to
adjust to the time swings
but once I got a feel for it,
everything was good. But
let me warn you, this is an
emotional book.

accepting, Jay! I can't wait
to read about Logan, I bet

there's so much more to him than what we think. Which you proved in that little twist at the end of More Than This :) Thank you Maria, I'm so glad you enjoyed the book. I am loving writing Logan's story. I can't wait to share him with you.

4.5 - There is only so much shit I can take before all the fucked-up things in my life consume me. Stars! More Than this is the first book I have

read by Jay McLean, it is what I affectionately class as a 'kitchen sinker', in that it feels like the author has literally thrown as many tropes as she possibly can at it.

This one is a roller coaster ride and I am so glad I took it. Trust me when I say this More Than This is one of those stories that will stick with you in the end, and what an ending it is. I'm not a fan of cliffhangers (there isn't one), but it does leave

you ready for the next story. Jay McLean developed characters that made you laugh and cry ...
