Mikayla In one night my fairytale ended. Or it may have begun. This is my story of friendship and love,

heartbreak and desire, and the strength to show weakness. *Jake* One night I met a girl. A sad and broken girl, but one more beautiful than any other. She laughed through her sadness, while I loved through her heartbreak.

More Than Her is book two
in the More Than series by
Jay McLean. This book is
the story of Logan and
Amanda. It starts out going
back and forth between the
past and the present. It took
me a couple of chapters to
adjust to the time swings but
once I got a feel for it,
everything was good. But let

me warn you, this is an
emotional book.
