Recensione "More Than This" di Jay McLean (More Than #1)

Jay thank you so much for this series. I more than like it a lot. You have a fan for life in me and I will be one-clicking More Than Him next month when it comes out. If you still haven't one-clicked More Than This and/or More Than Her yet you don't know what you're missing. I recommend going out and doing it now you really won't be disappointed.

More Than Her (More Than, #2) by Jay McLean
More Than This is book one in the More Than series by Jay McLean. This book

was recommended to me by two different friends but I hadn ' t really read many reviews so it took me by completely by surprise. I WAS NOT prepared for all the feels, and let me tell you, there are plenty. And the hotness factor, oh my gosh, was off the charts.

This book? It's everything! You'll more than a lot like it; you'll even more than a lot love it. The characters, all of them, are everything you'd ever want in a group of friends. You laugh with them, cry with them, get angry with them, love with them, and fight FOR them! You

want it all, for them.
You know why?
Because Jay McLean is
a master ...

More Than This is a
book that will forever
be embedded in my
memory as the one
that broke the mold
(for me anyway!).
Prom night should be
memorable for so many
things from who you
went with, songs you
danced to, friends you
laughed with and so
much more.

More Than Her is book
two in the More Than
series by Jay McLean.
This book is the story of
Logan and Amanda. It
starts out going back and
forth between the past
and the present. It took
me a couple of chapters
to adjust to the time

swings but once I got a
feel for it, everything
was good. But let me
warn you, this is an
emotional book.

4.5 - There is only so
much shit I can take
before all the fucked-
up things in my life
consume me. Stars!
More Than this is the
first book I have read
by Jay McLean, it is
what I affectionately

class as a
‘kitchen
sinker’, in that it
feels like the author
has literally thrown as
many tropes as she
possibly can at it.

Thank you Maria, I'm
so glad you enjoyed
the book. I am loving
writing Logan's story. I
can't wait to share him
with you.

REVIEW: More Than This (More, #1) by Jay McLean. ... Hero did a lot of showing of his love for her than telling.** The sex scenes were not explicit. There were more descriptions of their foreplay than the consummation. I wasn't disappointed since, at that point in the book, the highlight

was on their emotional & verbal commitment to each ...

This one is a roller

coaster ride and I am so glad I took it. Trust me when I say this More Than This is one of those stories that will stick with you in the end, and what an ending it is. I'm not a fan of cliffhangers (there isn't one), but it does leave you ready for the next story. Jay McLean developed characters that made you laugh and cry ...
