1926. New York. The Roaring Twenties. Jazz. Flappers. Prohibition. Coal-powered cars. A cold war with a British Empire that still covers half of the globe. Yet things have developed differently from established history. America is in the midst of a cold war with a British Empire that has only just buried Queen Victoria, her life artificially preserved to the age of 107. Coal-powered cars roar along roads thick with pedestrians, biplanes take off from standing with primitive rocket boosters, and monsters lurk behind closed doors and around every corner. This is a time in need of heroes. It is a time for *The Ghost*. A series of targeted murders are occurring all over the city, the victims found with ancient Roman coins placed on their eyelids after death. The trail appears to lead to a group of Italian-American gangsters and their boss, who the mobsters have dubbed 'The Roman'. However, as *The Ghost* soon discovers, there is more to *The Roman* than at

first appears, and more bizarre happenings that he soon links to the man, including moss-golems posing as mobsters and a plot to bring an ancient pagan god into the physical world in a cavern beneath the city. As *The Ghost* draws nearer to *The Roman* and the center of his dangerous web, he must battle with foes both physical and supernatural and call on help from the most unexpected of quarters if he is to stop *The Roman* and halt the imminent destruction of the city. From the Trade Paperback edition. *Fiendish Schemes* National Geographic Books

*Rick Deckard* has sold his story to a young Turk film director, *Urbenton* and shooting is scheduled at an orbital station off planet. Watching his past hunt for the replicants being repeated on the set is doing weird things to his mind. As soon as filming is over he is going straight back to Mars where he has been living incognito with Sarah Tyrell. But before corporation loyalists determined to resurrect the vanquished company.

THOMAS USHER HAS A MOST TERRIBLE TALENT. Following a car crash in which his wife and daughter are killed, he can see the recently departed, and it's not usually a pretty sight. When he is called to investigate the violent death of the daughter of a prominent local gangster, Usher's world is torn apart once more. For the barriers between this world and the next are not as immutable as once he believed. Mashing together the grittiest British police procedural with dark supernatural terror, author Gary McMahon creates a refreshingly new take on horror fiction. A dark and twisted Victorian melodrama, like *Alice in Wonderland goes to Hell*, from the author of *The Singular & Extraordinary Tale of Mirror & Goliath*. Two orphans, Pedrock and Boo Boo, are sent to live in the sinister village of Darkwound. There they meet and befriend the magical and dangerous Mr Loveheart and his neighbour, Professor Hummingbird, a recluse who collects rare butterflies. Little do they know that Professor Hummingbird has attracted the wrath of a demon named Mr Angelcakes. One night, Mr Angelcakes visits Boo Boo and carves a butterfly onto her back. Boo Boo starts to metamorphose into a butterfly/human hybrid, and is kidnapped by Professor Hummingbird. When Mr Loveheart attempts to rescue her with the aid of Detective White and Constable Walnut, they too are turned into butterflies. Caught between Professor Hummingbird and the demon Angelcakes, Loveheart finds himself entangled in a web much wider and darker than he could have imagined, and a plot that leads him right to the Prime Minister and even Queen Victoria herself ... The Map of the Sky Simon and Schuster

In 1986 K. W. Jeter coined the term "steampunk," applying it to his first Victorian-era science fiction alternate-history adventure. At last he has returned with *Fiendish Schemes*, a tale of George Dower, son of the inventor of Infernal Devices, who has been in new self-imposed exile...accumulating debts. The world Dower left when he went into hiding was significantly simpler than the new, steam-powered Victorian London, a mad whirl of civilization filled with gadgets and gears in the least expected places. After accepting congratulations for his late father's grandest invention—a walking, steam-powered lighthouse—Dower is enticed by the prospect of financial gain into a web of intrigue with ominously mysterious players who have nefarious plans of which he can only guess. If he can locate and make his father's *Vox Universalis* work as it was intended, his future, he is promised, is assured. But his efforts are confounded by the strange Vicar Stonebrake, who promises him aid, but is more interested in converting sentient whales to Christianity—and making money—than in helping George. Drugged, arrested, and interrogated by men, women, and the steam-powered Prime Minister, Dower is trapped in a maelstrom of secrets, corruption, and schemes that threaten to drown him in the chaos of this mad new world.
