Servantship is essentially about following our Lord Jesus Christ, the servant Lord, and his mission--it is a life of discipleship to him, patterned after his self-emptying, humility, sacrifice, love, values, and mission. Servantship is humbly valuing others more than yourself, and looking out for the interests and wellbeing of others. Servantship is the cultivation of the same attitude of mind Christ Jesus had: making yourself nothing, being a servant, humbling yourself, and submitting yourself to the will and purposes of the triune God. Since servantship is the imitation of

Christ, it involves an unreserved participation in the *missio Dei*--the Trinitarian mission of God. In this pioneering work, sixteen servants describe the four movements of radical servanthship. Servanthship is the movement 1.from leadership to radical servanthship; 2.from shallowness to dynamic theological reflection; 3.from theories to courageous practices; and 4.from forgetfulness to transforming memory. Servanthship recognizes, in word, thought, and deed, that "whoever wants to become great among you must be your servant, and whoever wants to be first must be your slave--just as the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many."

Burgoo, barbecue, and bourbon have long been acknowledged as a trinity of good taste in Kentucky. Known as the gumbo of the Bluegrass, burgoo is a savory stew that includes meat -- usually smoked -- from at least one "bird of the air," at least one "beast of the field," and as many vegetables as the cook wants to add.

Often you'll find this dish paired with one of the Commonwealth's other favorite exports, bourbon, and the state's distinctive barbecue. Award-winning author and chef Albert W. A. Schmid serves up a feast for readers in *Burgoo, Barbecue, and Bourbon*, sharing recipes and lore surrounding these storied culinary traditions. He introduces readers to new and forgotten versions of favorite regional dishes from the time of Daniel Boone to today and uncovers many lost recipes, such as Mush Biscuits, Kentucky Tombstone Pudding, and the Original

Kentucky Whiskey Cake. He also highlights classic bourbon drinks that pair well with burgoo and barbecue, including Moon Glow, Bourbaree, and the Hot Tom and Jerry. Featuring cuisine from the early American frontier to the present day, this entertaining book is filled with fascinating tidbits and innovative recipes for the modern cook.

A born storyteller, Troy Cassar-Daley has at last turned his talent to sharing his own inspiring life. `Troy?s achievements are many, and perhaps the finest may be his ability to make us listen to his heart.? Joy McKean For the first time, Troy talks about his early life - how his parent?s divorce changed things for him, about missing his Dad and growing up in Grafton surrounded by the warmth and love of his mother, Irene, his Nan and Pop and his extended Indigenous family. A larrikin at heart, Troy includes all the highs and lows on his path to stardom: the thrill of performing on stage at the Tamworth Music Festival with Jimmy Little when he was just 15; the excitement of heading off on tour with Brian Young and then discovering just how lonely life on the road could be; his first record deal; playing with the greats ? Johnny Cash, Willie Nelson, Merle Haggard and Slim Dusty; his first album *Beyond the Dancing*, which blended his indigenous heritage with his rural background; meeting the woman who would steal his heart; recording in Nashville; and, finally, releasing *True Believer*, the album that really launched his career. The multiple Golden Guitar, APRA, ARIA and Deadlys winner also lets us in on some of the life lessons he learned the hard way, lessons that kept this

prodigiously talented Aussie on the straight and narrow (most of the time). Things I Carry Around, is the warm, genuine, and inspiring story of a young indigenous Australian who had a dream and turned that dream into reality.

‘Troy?’s a true gentleman, warm and genuine, always a pleasure to be around. He sings straight from his heart and straight from the heart of his country.?’ Paul Kelly

Dubbed the 'man in black', it 's time to look beyond the myth and the rumours of this most charismatic but misunderstood of rock Guitarists.

Ritchie Blackmore's early days saw him mixing with colourful characters like Screaming Lord Sutch, Joe Meek and Jerry Lee Lewis. Then he became a defining member of Seventies legends Deep Purple, creating the rock anthems 'Black Night' and 'Smoke On The Water'. Over the years

Blackmore's moodiness and eccentric behaviour, his three marriages and his

clashes with the law have earned him a reputation as one of rock's most abrasive figures. Yet there are many unexpected sides to this complex man. Black Knight has been written and researched by Jerry Bloom, a fan who first met Ritchie more than twenty years ago and has followed his varied career ever since. The result is a biography rich in detail and full of surprising insights.
