Review of Practical
Nursing for the NCLEX-
PN® Exam - E-Book

Mosby Canada
Get a complete study guide and certification review in one book with the Workbook and Competency Evaluation Review for Mosby's Textbook for Long-Term Care Nursing Assistants, 7th Edition. Engaging review questions, exercises, and valuable independent learning activities go beyond the textbook and build critical thinking skills to prepare you for your certification exam and clinical practice. A variety of activities and exercises including multiple-choice questions, matching, true/false, fill-in-the-blank, crossword puzzles, and labeling to enhance learning. Competency Evaluation Review section prepares you for certification

exam without requiring you to purchase an additional text. Procedure checklists provide step-by-step list for completing skills for detailed instructor or self-evaluation of performance skills from the textbook. Procedure checklists icons alert you to additional sources and skills on companion CD or Evolve video clips for review prior to practicing the skill. Optional learning exercises and mini-case studies highlight concepts and skills within each chapter so you can apply concepts and build critical thinking skills. Independent learning activities in every chapter promote critical thinking with optional higher level study opportunities for those programs or learners

wishing to go beyond the basic competency level.

New to this edition is a Competency Evaluation Review section that will help students prepare for the certification exam.

Mosby's® Massage Therapy Exam Review - E-Book Elsevier Health Sciences

MOSBY'S TEXTBOOK FOR LONG-TERM CARE ASSISTANTS

provides complete coverage of the knowledge and skills required to work in a long-term care facility. This popular text features a clear, logical presentation of procedures with hundreds of large, full-color photos and drawings, making it easy for students to learn and understand. This new edition addresses the expanding role of the nursing assistant in long-term care, and includes a

number of more complex procedures now frequently performed in subacute facilities. New information on work ethic, basic job skills, cultural considerations, quality of life, care of the developmentally disabled, and residents with dementia prepare the student for today's residents. * Contains complete coverage of the knowledge and skills needed by the nursing assistant in long-term care. * Features a clear, readable writing style that makes learning easy for students. * Attractive, full-color design engages students' interest. * Includes concise, step-by-step procedures that clearly explain how to perform nursing skills. * Provides hundreds of full-color photos and drawings to add visual appeal and show students exactly how to perform

important tasks. (Includes FREE MERLIN website at: www.harcourthealth.com/MERLIN/MAPS/LTCtxtbk/) Mosby's Textbook for Nursing Assistants (Soft Cover Version) - Text, Workbook, and Mosby's Nursing Assistant Video Skills: Student Online Version 3.0 (Access Code) Package Elsevier Health Sciences

Encouraging, user-friendly, and altogether unique, Mosby's Tour Guide to Nursing School encourages you to not only survive nursing school, but excel in whichever program you select.

Throughout the book, Dr. Chenevert compares your journey through nursing school to a road trip, and she offers advice to increase your understanding, help you successfully navigate obstacles, and make your journey more enjoyable. You'll learn how to prepare for the NCLEX® and your nursing career, how

to get good grades, how to deal with failure, how to improve oral and written reports, and much more. A must-have for every nursing student! - Endorsed by the National Student Nurses Association (NSNA). - Written by a nationally known motivational speaker and nurse, the book's down-to-earth approach uses humor and clever analogies to clearly teach the information you need to know. - Uses the analogy of a cross-country road trip to help you see the relationships between different aspects of nursing school, as well as give you a finite view of its duration and end result. - Inspirational quotes throughout offer wisdom and encouragement from fellow nursing students and graduates. - The appendix lists numerous diverse resources you'll find useful before, during, and after nursing school. - Electronic Age Information covers distance

learning, online courses, and podcasts, facilitating your success both in today's electronic classroom and with the advancing technology in nursing. - A special NCLEX® chapter (Chapter 29: Are We There Yet? Almost.) provides you with the tools you need to prepare for and pass the NCLEX®. - Updated statistics and information on the emerging trends of the workforce keep you current with what's happening in the world outside nursing and help you make educated choices during nursing school. - Three chapters are devoted to diversity in today's workforce and the non-traditional student. - Thorough coverage of ADN, BSN, and RN-BSN programs (program prerequisites, differences, and more) helps you make informed decisions about your choice of nursing programs. - An appendix of Online Resources provides quick and

easy access to web sites that will assist both students and graduates with continued study and real-world advice. Mosby's Prep Guide for the Canadian PN Exam E-Book Elsevier Health Sciences Prepare for success on the REx-PNTM and CPNRE® exams! Mosby's Prep Guide for the Canadian PN Exam: Practice Questions for Exam Success is the only concise examination study tool to focus specifically on Canada's Practical Nurse licensure examination. Between the book and its accompanying website, this resource includes 1,000 practice questions along with a detailed rationale for each answer; it also provides valuable test-taking tips and strategies. From Canadian nursing experts Marianne Langille and Karen Katsademas, this self-study guide has everything you need to be completely ready for your PN exam. - Strategic overview of the REx-PNTM and CPNRE® exams helps you prepare effectively for the Practical Nurse licensure examination. - 600

practice questions in the book reflect the latest CCPNR national competencies (including Ontario and British Columbia) and provide three comprehensive practice exams of 200 questions each. - Additional 400 practice questions on the companion Evolve website (for a total of 1,000) allow you the flexibility to test yourself in exam mode and self-study mode, with instant feedback to assess your progress. - Rationales for answers explain why your answer is correct or incorrect. - Test-taking tips and techniques help you answer the "tricky" questions, select the best answer from a choice of possible solutions, and tackle short-answer questions. - Classification legends indicate the competency and taxonomy being tested for each question. - Practical appendix includes the Entry-Level/Entry-to-Practice Canadian Council for Practical Nurse Regulators (CCPNR) Competencies for both the CPNRE© and the REx-PNTM licensure examinations. - Study tools make it easier to determine the correct answer options. - REx-PNTM format practice questions on Evolve provide an introduction and exam preparation for exam writers in Ontario and British Columbia.

Mosby's Comprehensive Review of Nursing for the NCLEX-RN® Examination Lippincott Williams & Wilkins

Prepare for success on the ARRT certification exam!

Mosby's Comprehensive Review of Radiography: The Complete Study Guide & Career Planner, 7th Edition offers a complete, outline-style review of the major subject areas covered on the ARRT exam in radiography. Each review section is followed by a set of questions testing your knowledge of that subject area. Two mock ARRT exams are included in the book, and over 1,400 online review questions may be randomly combined to generate a virtually limitless number of practice exams. From noted radiography educator and lecturer William J. Callaway, this book is also an ideal study guide for the classroom and an expert resource for use in launching your career. - Over 2,400 review

questions are provided in the book formulas, key terms, and other key and online, offering practice in a multiple-choice format similar to the ARRT exam. - Outline-style review covers the major subject areas covered on the ARRT exam, and helps you focus on the most important information. - Coverage of digital imaging reflects the increased emphasis of this topic on the Registry exam. - Career planning advice includes examples of resumes and cover letters, interviewing tips, a look at what employers expect, online submission of applications, salary negotiation, career advancement, and continuing education requirements. - Online mock exams let you answer more than 1,400 questions in study mode — with immediate feedback after each question, or in exam mode — with feedback only after you complete the entire test. - Key Review Points are included in every chapter, highlighting the 'need to know' content for exam and clinical success. - Rationales for correct and incorrect answers are included in the appendix. - Electronic flashcards are available online, to help you memorize

information. - Online test scores are date-stamped and stored, making it easy to track your progress. - UPDATES reflect the latest ARRT exam changes, providing the content that you need to know in order to pass the exam. - NEW! Image labeling exercises prepare you for the labeling questions on the ARRT exam. - NEW! Colorful design highlights essential information and makes the text easier to read.

Mosby's Essential Sciences for Therapeutic Massage - E-Book Elsevier Health Sciences

With approximately 1,400 practice questions – more than any other exam review – this book provides the most complete, reliable preparation available for the PRAXIS II subject assessment examination. Review questions can be selected to match the style and question distribution of the real exam to familiarize

you with the examination experience and help you build test-taking confidence. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included.
