Handbook of Middle American Indians: Guide to ethnohistorical sources, H. F. Cline, vol. editor IOS Press

Winner of the Bakeless Prize for Fiction, an imaginative debut that ranges from Havana to Berlin * A Kansas City Star Best Book of the Year * One of Publishers Weekly's "Best Summer Books"* Ancient cities and fallen empires come to life in this masterful collection. In the Byzantine court, a noble with a crippled hand is called upon to ensure that a holy man poses no threat to the throne. On an island in Lake Michigan, a religious community crumbles after an ardent convert digs a little too deep. And the black detective Jackson Hieronymus Burke rises to fame and falls from favor in two stories that recount his origins in Havana and the height of his success in Kaiser Wilhelm's Germany. Ben Stroud's historical reimaginings twist together with contemporary stories to reveal startling truths about human nature across the centuries. In his able hands, Byzantium makes us believe that these are accounts we haven't heard yet. As the chronicler of Burke's exploits muses, "After all, where does history exist, except in our imagination? Does that make it any less true?"

Guide to Ethnohistorical Sources comprises Volumes 12 through 15 of the Handbook of Middle American Indians, published in cooperation with the Middle American Research Institute of Tulane University under the general editorship of Robert Wauchope (1909 – 1979). The Guide has been assembled under the volume editorship of the late Howard F. Cline, Director of the Hispanic Foundation in the Library of Congress, with Charles Gibson, John B. Glass, and H. B. Nicholson as associate volume editors. It covers geography and ethnogeography, especially the Relaciones Geogr á ficas (Volume 12); sources in the European tradition: printed collections, secular and religious chroniclers, biobibliographies (Volume 13); sources in the native tradition: prose and pictorial materials, checklist of repositories, title and synonymy index, and annotated bibliography on native sources (Volumes 14 and 15). Volume 12, which is Part One of the Guide, contains the following: " Introduction: Reflections on Ethnohistory, " " Introductory Notes on Territorial Divisions of Middle America, " " Viceroyalty to Republics, 1786 – 1952: Historical Notes on the Evolution of Middle American Political Units, " " Ethnohistorical Regions of Middle America, " " The Relaciones Geogr á ficas of the Spanish Indies, 1577 – 1648, " " A Census of the Relaciones Geogr á ficas of New Spain, 1579 – 1616, " and " The Relaciones Geogr á ficas of Spain, New Spain, and the Spanish Indies: An Annotated Bibliography, " all the foregoing by Howard F. Cline. In addition it includes: " Colonial New Spain, 1519 – 1786: Historical Notes on the Evolution of Minor Political Jurisdictions " by Peter Gerhard; " The Pinturas (Maps) of the Relaciones Geogr á ficas, with a Catalog " by Donald Robertson; " The Relaciones Geogr á ficas,

1579 – 1586: Native Languages " by H. R. Harvey; and " The Relaciones Geogr á ficas of Mexico and Central America, 1740 – 1792 " by Robert C. West. The Handbook of Middle American Indians was assembled and edited at the Middle American Research Institute of Tulane University with the assistance of grants from the National Science Foundation and under the sponsorship of the National Research Council Committee on Latin American Anthropology.

The 8 recurring volumes of the "Essentials in Ophthalmology" series cover the most recent developments in one of eight subspecialties in Ophthalmology. With four volumes published per year, each subspecialty is newly visited every 24 months, with a distinct focus on recent developments. By bridging the gap between original research and medical textbooks, the transfer of this developing knowledge into daily practice is greatly enhanced.

From tips on life, love, and everything in between; to original DIYs, recipes, and style hacks; to the incredible story of a girl next door turned Internet sensation, *Make Your Mind Up* is the ultimate guide to rocking your look and ruling your world—from inspirational YouTuber, designer, entrepreneur, and digital influencer, Bethany Mota. When Bethany first propped her camera on a stack of books and pressed record on her family's handheld camera in 2009, she didn't realize her life was about to change—forever. After uploading her first video to YouTube at just thirteen years old, Bethany quickly became one of the Internet's go-to beauty, style, and lifestyle vloggers. Since then, she has filmed countless room

tours and tutorials, traveled the world, experimented with hundreds of DIYs, designed her own clothing line, gone on an international tour, competed on Dancing with the Stars, and created health, beauty, and wellness content for multiple platforms. But before Bethany found her #MotaFam online, life wasn't looking so great: After being intensely bullied in school, the already shy Bethany retreated further into her shell, suffering from crippling anxiety and a lack of self-confidence she just couldn't shake. From growing up on a dairy farm in small-town Los Banos, California, to figuring out how to overcome anxiety and find her voice, to finally breaking out of her shell and learning to forge her own positive path, *Make Your Mind Up* is more than just a heartwarming memoir or lifestyle guide—this is a portrait of Bethany's life, exactly how she lives it. *Practical Guide to Visualizing Medicine* University of Texas Press

Cases on Tour Guide Practices for Alternative Tourism Graywolf Press

Jean Barbot, who served as a commercial agent on French slave-trading voyages to West Africa in 1678-9 and 1681-2, in 1683 began an account of the Guinea coast, based partly on his voyage journals (only one of which is extant) and partly on previous printed sources. The work was interrupted by his flight to England, as a Huguenot refugee, in 1685, and not finished until 1688. When Barbot found that his lengthy French account could not be published, he rewrote it in English, enlarging it even further, and then continually revising it up to his death in 1712. The manuscript was eventually published in 1732. Barbot's book had considerable influence on later European attitudes to Black Africa and the Atlantic slave trade and in modern writings on both subjects is frequently cited as evidence. The French account serves as the base for the present edition and is presented in English translation but additional material in the later English version is inserted. The edition concentrates on Barbot's original information. He copied much from earlier sources - this derived material is omitted but is identified in the notes. The original material, mainly on Senegal, Sierra Leone, River Sess, Gold Coast and the Calabars, is extensively annotated,

and not least with comparative references to other sources. Apart from its narrative interest, the edition thus provides a starting point for the critical assessment of a range of early sources on Guinea. The edition opens with an introductory essay discussing Barbot's life and career and analysing his sources. Barbot provided a large number of his own drawings of topographical and ethnographical features, in particular drawings of almost all of the European forts in Guinea. Many of these illustrations are reproduced. This volume covers the coast from the River Volta to Cape Lopez. The main pagination of this and the previous volume (2nd series 175) series is continuous. This is a new print-on-demand hardback edition of the volume first published in 1991.

Tour guides, a highly responsible group of professionals who are in direct communication with tourists traveling around the world, have a great impact on the proper promotion of the culture of countries, global peace, and tolerance. Additionally, they are also effective in the preservation of world natural heritage. Thus, the educational status of tour guides, as well as the characteristics and ethical values that they should possess, need to be examined on an international scale. In today's world, where tourism demand is directed towards all types of tourism, practices in special interest tourism should be customized in order to

ensure the highest level of service quality and cultural appreciation. Cases on Tour Guide Practices for Alternative Tourism provides emerging research exploring the theoretical and practical aspects of the occupational issues that surround tour guides and their applications within international tourism. Featuring coverage on a broad range of topics such as cultural education, specialized learning, and international business, this book is ideally designed for tour guides, travel agencies, tour managers, tour developers, heritage sites, museums, academicians, researchers, students, industry experts, and hospitality professionals.

The Catholics Pocket-Manual Or Guide to Jesus University of Texas Press

This manual is the first comprehensive account of Brazilian Portuguese linguistics written in English, offering not only linguists but also historians and social scientists new insights gained from the intensive research carried out over the last decades on the linguistic reality of this vast territory. In the 20 overview chapters, internationally renowned experts give detailed yet concise information on a wide range of language-internal as well as external synchronic and diachronic topics. Most of this information is the fruit of large-scale language documentation and description projects, such as the project on the linguistic norm of educated speakers (NURC), the project "Grammar of spoken Portuguese", and the project "Towards a History of Brazilian Portuguese" (PHPB),

among others. Further chapters of high contemporary interest and relevance include the study of linguistic policies and psycholinguistics. The manual offers theoretical insights of general interest, not least since many chapters present the linguistic data in the light of a combination of formal, functional, generative and sociolinguistic approaches. This rather unique feature of the volume is achieved by the double authorship of some of the relevant chapters, thus bringing together and synthesizing different perspectives.
