Dragons. Beasts of legend and wonder. Since ancient times, dragons have filled the sky. They come from a land called Requiem. A kingdom of magic. Requiem's children are born human. But once old enough, they can grow wings, breathe fire, and rise as dragons. Requiem is mighty. But now it might fall. Some call her Nemoria. Others know her as the Devourer. All fear the dark goddess. For eras, she slept. But now Nemoria has risen. And she craves the blood of dragons. She topples castles. Shatters cities. Dragonfire cannot burn her. Claws cannot cut her. Countless dragons fly toward her. And die. Only one dragon can stop her. Fira has a special power. Only her dragonfire can burn the goddess. Can she find the courage to face this evil? Or will Requiem fall? _____ Since 2011, the Requiem novels have captivated readers, selling over 500,000 copies and hitting the USA Today bestsellers list.

Got trouble with aliens? Call the Alien Hunters. This bundle includes all three novels in this fast-paced, sci-fi adventure. **BOOK 1: Alien Hunters -- The skelkrins.** Predators from deep space. Creatures of claws, fangs, and malice. Riff and his crew are the Alien Hunters, ragtag mercenaries who travel the galaxy, trapping and removing cosmic critters. They're just galactic pest controllers, not an army. When the skelkrins attack, will the Alien Hunters be the ones hunting aliens . . . or will aliens hunt them? **BOOK 2: Alien Sky -- The Singularity.** The day the machines gained awareness. The day they turned cruel. The robotic fleet swarms across the galaxy, slaying all in its path. The Alien Hunters--outgunned, outsmarted, outclassed--fly up to meet these killer robots. The battle between life and machine begins. **BOOK 3: Alien Shadows -- On a dead planet orbiting a black hole,** shadows stir. Some call them ghosts, others merely figments of the imagination. As these astral beings spread across the cosmos, the Alien Hunters stare into the darkness of deepest space . . . and find terror.

Dawn of Dragons: The Complete Trilogy (World of Requiem) Tor Books

In a cruel desert, slaves toil in chains. Their masters, angelic seraphim with haloes and swan wings, drive them mercilessly with whips of fire. For centuries, the slaves have languished here, building pyramids, temples, and glorious cities for their overlords. But long ago, these wretched, beaten people were not slaves. Long ago, they could become dragons. They once lived in a land called Requiem, many miles away. Without their chains and collars, they could summon ancient magic, grow wings, and breathe dragonfire. Today Requiem lies in ruin, perhaps only a myth. Today the children of Requiem labor as humans, rather than fly as dragons. But there are some who believe that Requiem can rise again. A slave girl, a miner of bitumen. A haunted young man, a brickmaker. A haggard priest, his wife slain. A mysterious princess, holder of a secret power. Together they will rise up. They will cast off their chains. They will tell their seraphim masters: "Requiem is free. We will fly as dragons again." _____ **THE REQUIEM SERIES:** Requiem: Dawn of Dragons Book 1: Requiem's Song Book 2: Requiem's Hope Book 3: Requiem's Prayer Requiem: Song of Dragons Book 1: Blood of Requiem Book 2: Tears of Requiem Book 3: Light of Requiem Requiem: Dragonlore Book 1: A Dawn of Dragonfire Book 2: A Day of Dragon Blood Book 3: A Night of Dragon Wings Requiem: The Dragon War Book 1: A Legacy of Light Book 2: A Birthright of Blood Book 3: A Memory of Fire Requiem: Requiem for Dragons Book 1: Dragons Lost Book 2: Dragons Reborn Book 3: Dragons Rising Requiem: Flame of Requiem Book 1: Forged in Dragonfire Book 2: Crown of Dragonfire Book 3: Pillars of Dragonfire Requiem: Dragonfire Rain Book 1: Blood of Dragons Book 2: Rage of Dragons Book 3: Flight of Dragons

The Moth Saga Tor Books

We are in darkness. We are alone. They came from the lands of light. They came with torches, with lanterns, with the banners of the sun. The children of endless day—they came to banish the darkness. And they came to kill. We are the children of never-ending night. We are the dwellers of shadow. In the light of our enemy, we are dying. We were born in darkness. We must cast out the light. This is our story.

Liquid Cool (Liquid Cool, Book 1) Del Rey

Outcast from Hell. Banished from Heaven. Lost on Earth. The battle of Armageddon was finally fought... and ended with no clear victor. Upon the mountain, the armies of Hell and Heaven beat each other into a bloody, uneasy standstill, leaving the Earth in ruins. Armageddon should have ended with Heaven winning, ushering in an era of peace. That's what the prophecies said. Instead, the two armies--one of angels, one of demons--hunker down in the scorched planet, lick their wounds, and gear up for a prolonged war with no end in sight. In this chaos of warring armies and ruined landscapes, Laila doesn't want to take sides. Her mother was an angel, her father a demon; she is outcast from both camps. And yet both armies need her, for with her mixed blood, Laila can become the ultimate spy... or ultimate soldier. As the armies of Heaven and Hell pursue her, Laila's only war is within her heart--a struggle between her demonic and heavenly blood.

Alien Hunters: A Space Opera Trilogy Open Road Media

I am broken. I am lost. Our world has fallen still. One half lies drenched in eternal daylight, the other cloaked in endless night. Our people are divided, some living under the sun, the others hidden in shadow. All is light or darkness. All is the sun or the moon. All but me. My father was born in the never-ending sunlight of the west. My mother is a daughter of darkness. I am split in two. Like the moth of our forests, one wing white and the other black, I am torn. I am a child of dusk, a stranger in both day and night. I am alone. This is my story.

NEW YORK TIMES BESTSELLER • “ Dapper Dan is a legend, an icon, a beacon of inspiration to many in the Black community. His story isn ’ t just about fashion. It ’ s about tenacity, curiosity, artistry, hustle, love, and a singular determination to live our dreams out loud. ” —Ava DuVernay, director of Selma, 13th, and A Wrinkle in Time NAMED ONE OF THE BEST BOOKS OF THE YEAR BY VANITY FAIR • DAPPER DAN NAMED ONE OF TIME ’ S 100 MOST INFLUENTIAL PEOPLE IN THE WORLD With his now-legendary store on 125th Street in Harlem, Dapper Dan pioneered high-end streetwear in the 1980s, remixing classic luxury-brand logos into his own innovative, glamorous designs. But before he reinvented haute couture, he was a hungry boy with holes in his shoes, a teen who daringly gambled drug dealers out of their money, and a young man in a prison cell who found nourishment in books. In this remarkable memoir, he tells his full story for the first time. Decade after decade, Dapper Dan discovered creative ways to flourish in a country designed to privilege certain Americans over others. He witnessed, profited from, and despised the rise of two drug epidemics. He invented stunningly bold credit card frauds that took him around the world. He paid neighborhood kids to jog with him in an effort to keep them out of the drug game. And when he turned his attention to fashion, he did so with the energy and curiosity with which he approaches all things: learning how to treat fur himself when no one would sell finished fur coats to a Black man; finding the best dressed hustler in the neighborhood and converting him into a customer; staying open twenty-four hours a day for nine years straight to meet demand; and, finally, emerging as a world-famous designer whose looks went on to define an era, dressing cultural icons including Eric B. and Rakim, Salt-N-Pepa, Big Daddy Kane, Mike Tyson, Alpo Martinez, LL Cool J, Jam Master Jay, Diddy, Naomi Campbell, and Jay-Z. By turns playful, poignant, thrilling, and inspiring, *Dapper Dan: Made in Harlem* is a high-stakes coming-of-age story spanning more than seventy years and set against the backdrop of an America where, as in the life of its narrator, the only constant is change. **Praise for Dapper Dan: Made in Harlem “ Dapper Dan is a true one of a kind, self-made, self-liberated, and the sharpest man you will ever see. He is couture himself. ” —Marcus**

Samuelsson, New York Times bestselling author of Yes, Chef “ What James Baldwin is to American literature, Dapper Dan is to American fashion. He is the ultimate success saga, an iconic fashion hero to multiple generations, fusing street with high sartorial elegance. He is pure American style. ” —André Leon Talley, Vogue contributing editor and author

Daughter of Moth Moonclipse

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began--a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

"They say the world used to turn. They say that night would follow day in an endless dance. They say that dawn rose, dusk fell, and we worshiped both sun and stars. That was a long time ago..." The Moth Saga, a bestselling fantasy series, tells the story of Moth, a world torn in two--its one half always in sunlight, the other cloaked in endless night. This bundle includes the first three novels in the series: Moth, Empires of Moth, and Secrets of Moth. Many eras ago, the world of Moth fell still, leaving one side in perpetual daylight, the other in darkness. Torin and Bailey have spent their lives in the light, but now they're about to venture into the dark . . . and discover a world of danger, secrets, and wonder.
