His first 350cc engine, a longitudinal 72-degree V-twin, featured a toothed belt driving the camshafts and a multi-disk dry clutch. The engine made its way into a new prototype motorcycle, which debuted at the Milan show in 1971, and the now famous 3 1/2 Sport was born. This beautiful example has been faithfully restored using NOS and refurbished original parts, and is presently located with our Italian agent.
