New Testament Greek for Beginners B&H Publishing Group

An academic staple updated for the first time in fifteen years, David Alan Black's user-friendly introduction to New Testament Greek keeps discussion of grammar as non-technical as possible. The simplified explanations, basic vocabularies, and abundant exercises are designed to prepare the student for subsequent practical courses in exegesis, while the linguistic emphasis lays the groundwork for later courses in grammar. Revisions to this third edition include updated discussions and scholarship, further back matter vocabulary references, and additional appendices. "A streamlined introductory grammar that will prove popular in the classroom." —Murray J. Harris, Trinity Evangelical Divinity School "Clear charts, clear examples, clear discussion—what more could one want from a beginning grammar!" —Darrell L. Bock, Dallas Theological Seminary " . . . combines the strengths of a fairly traditional sequence of topics, in generally manageable chunks with clear explanations fully abreast of modern linguistics." —Craig L. Blomberg, Denver Seminary "Pedagogically conceived, linguistically informed, hermeneutically sensitive, biblically focused—unique among beginning grammars. It sets a new standard." —Robert Yarbrough, Trinity Evangelical Divinity School

The Basics of New Testament Syntax Piquant Publishing

Biblical Greek: A Compact Guide, Second Edition by William D. Mounce is a handy, at-a-glance reference for students, pastors, and teachers. It follows the organization and format of the fourth edition of *Basics of Biblical Greek Grammar*, but it's also usable by students who learned with a different grammar. By limiting its discussion to the "nuts and bolts," Greek language students working on translation and exegesis will more quickly and easily find the relevant grammatical refreshers. Students can, for example, check on the range of meaning for a particular word or make sure they remember how aorist participles function in a sentence. The paradigms, word lists, and basic discussions in *Biblical Greek: A Compact Guide, Second Edition* points students in the right direction and allow them to focus on more advanced Greek study.

My First Grade Koine Greek reader Zondervan

Basics of the Biblical Greek is an entirely new, integrated approach to teaching and learning New Testament Greek. It makes learning Greek a natural process and shows from the very beginning how an understanding of Greek helps in understanding the New Testament. *Basics of Biblical Greek*: combines the best of the deductive and the inductive approaches, explains the basics of English grammar before teaching Greek grammar, uses from the very beginning parts of verses from the New Testament instead of 'made-up' exercises, includes at the beginning of every lesson a brief devotional, written by a well-known New Testament scholar, that demonstrates how the principles taught in the lesson apply directly to an understanding of the biblical text, is the most popular first-year Greek course used in colleges and seminaries today, comes with an interactive study aid CD-ROM, containing an eight-minute greeting from the author and the fun, helpful, and graphical vocabulary-memorizing program 'Learning the Basics of Biblical Greek' (runs on Power Mac and Windows 95), where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs Flashworks(TM) and Parseworks from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95). A separate workbook is also available. And complimentary teacher helps are located on the author's website (<http://www.homeschooling.org>).

Intermediate Biblical Greek Reader Kregel Academic

This study integrates three independent subjects—translation theory, Mandarin aspect, and Greek aspect—for the purpose of formulating a working theory applicable to translating the Bible. The primary objectives are defined in terms of grammatical translation of Greek aspect into Mandarin aspect at the discourse level. A historical overview of the Chinese Bible is provided as a way of introducing major translation issues related to linguistic, conceptual, and logistical challenges. The proposed theory provides the translator with a powerful tool, which is tested in two sample passages from John 18 – 19 and 1 Corinthians 15. Provided, also, are critical reviews of over sixty Chinese Bible versions, Nestorian, Manichaeian, Catholic documents, and a translation written according to the proposed theory.

Koine Greek Reader Zondervan

This book invites you to see not only how Hellenistic Koine ought to be pronounced but also why. Rigorously investigating the history of Greek orthography and sounds from classical times to the present, the author places linguistic findings on one side of the scale and related events on the other. The result is a balance between the evidence of the historical Greek sounds in Koine and pre-Koine times, and the political events that derailed those sounds as they were being transported through Europe's Renaissance academia and replaced them with Erasmian. This book argues for a return to the historical Greek sounds now preserved in Neohellenic (Modern Greek) as a step toward mending the Erasmian dichotomy that rendered post-Koine Greek irrelevant to New Testament Greek studies. The goal is a holistic and diachronic application of the Hellenic language and literature to illumine exegetically the Greek text, as the New Testament contains numerous features that have close affinity with Neohellenic and should not be left unexplored.

Reading and Pronouncing Biblical Greek Zondervan

An abridgment of the award-winning standard reference grammar of New Testament Greek, *Greek Grammar Beyond the Basics*, for use in intermediate Greek courses.

This is a new release of the original 1923 edition.

Learn to Read New Testament Greek Zondervan

John Dobson has a world-wide reputation as a highly respected and successful teacher of New Testament Greek. This course has been taught to groups ranging in size from a few people to over one hundred students, language students as well as those who have

never studied a foreign language before, English speakers as well as those for whom English is a second language. The material can be used with equal ease in: *an intensive six-week course *a regular academic language programme *a part-time extension module *self-study, possibly with a mentor To develop his innovative and highly effective teaching method, John Dobson has applied the latest research findings on how people learn. This third edition of *Learn New Testament Greek* has been revised and updated to include an accented text. It is a complete student textbook as well as a comprehensive resource for teachers.

A Graded Reader of Biblical Greek Baker Academic

After completing basic biblical Greek, students are often eager to continue to learn and strengthen their skills of translation and interpretation. This intermediate graded reader is designed to meet those needs. The reader is "intermediate" in the sense that it presumes the user will have already learned the basics of Greek grammar and syntax and has memorized Greek vocabulary words that appear frequently in the New Testament. The reader is "graded" in the sense that it moves from simpler translation work (Galatians) towards more advanced readings from the book of James, the Septuagint, and from one of the Church Fathers. In each reading lesson, the Greek text is given, followed by supplemental notes that offer help with vocabulary, challenging word forms, and syntax. Discussion questions are also included to foster group conversation and engagement.

Biblical Translation in Chinese and Greek Harper Collins

In the spirit of Cyril Barber's classic work from the 1970s, *The Minister's Library*, Robert Yost provides students and pastors with expert guidance on building a working ministerial library. From Old and New Testament languages, lexical aids, and grammatical tools, to commentaries and theologies as well as pastoral resources, Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses. Far more than just a guide to commentaries as are so many works today, this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies.

Greek for the Rest of Us BRILL

For years, Vine's Expository Dictionary has been the standard word study tool for pastors and laypeople, selling millions of copies. But sixty-plus years of scholarship have shed extensive new light on the use of biblical Greek and Hebrew, creating the need for a new, more accurate, more thorough dictionary of Bible words. William Mounce, whose Greek grammar has been used by more than 100,000 college and seminary students, is the editor of this new dictionary, which will become the layperson's gold standard for biblical word studies. Mounce's is ideal for the reader with limited or no knowledge of Greek or Hebrew who wants greater insight into the meanings of biblical words to enhance Bible study. It is also the perfect reference for busy pastors needing to quickly get at the heart of a word's meaning without wading through more technical studies. What makes Mounce's superior to Vine's? The most accurate, in-depth definitions based on the best of modern evangelical scholarship Both Greek and Hebrew words are found under each English entry (Vine's separates them) Employs both Strong's and G/K numbering systems (Vine's only uses Strong's) Mounce's accuracy is endorsed by leading scholars

Basics of Biblical Greek Grammar Prentice Hall

Basics of Biblical Greek (BBG) third edition uses feedback from professors, students, and home schooling parents to continue offering an innovative and integrated approach to teaching and learning New Testament Greek. BBG makes learning Greek a natural process, and shows how an understanding of Greek helps in understanding the New Testament.

Machen's grammar served for many years as the standard introductory-level text.

Biblical Greek: A Compact Guide Wipf and Stock Publishers

Clear. Understandable. Carefully organized. Basics of Biblical Greek Grammar by William D. Mounce is the standard textbook for colleges and seminaries. Since its initial publication in 1993 its integrated approach has helped more than 250,000 students learn New Testament Greek. The fourth edition of Basics of Biblical Greek Grammar has been updated throughout based on continuing feedback from professors, students, self-learners, and homeschoolers, making it even more effective for today's students. Other improvements have been made based on recent developments in scholarship. The key to the effectiveness of Basics of Biblical Greek Grammar in helping students learn is in how it introduces them to the language. Students learn about the features of the Greek language in a logical order, with each lesson building upon the one before it. Unnecessary obstacles that discourage students and hinder progress are removed, such as rote memorization of endless verbal paradigms. Instead, students receive encouragement along the way to assure them they are making the necessary progress. Detailed discussions are also included at key junctures to help students grasp important concepts. By the time students have worked their way through Basics of Biblical Greek Grammar they will have learned: The Greek Alphabet Vocabulary for words occurring 50 times or more in the Greek New Testament The Greek noun system The Greek verbal system, including indicative and nonindicative verbs, and participles A robust suite of learning aids is available for purchase to be used alongside the textbook to help students excel in their studies. These include a workbook, video lectures for each chapter featuring the author, flashcards keyed to vocabulary in each chapter, a laminated quick study sheet with key concepts, and audio of the vocabulary for each chapter to aid in acquisition.

Mounce's Complete Expository Dictionary of Old and New Testament Words Pennington ePress

The author Thomas Moore is the son of Fon Moore, a former United Airlines pilot who in WWII was a pilot of a C47 Skytrain flying "the hump" from India to China, in the China Burma India theatre. When Tom was a sophomore at Thousand Oaks High School, CA. his dad and older brother were killed in a car accident on the Conejo Grade in 1967. Tom then threw himself into the arms of Father God and desired to obtain a close personal relationship with God through the Lord Jesus Christ as his personal Savior. In 1969 he joined the Navy and when assigned to an oiler stationed in Long Beach, CA. he became the object of hatred and abuse as he was heavily persecuted for his Christian faith. He refused the invitation to join the crew at a brothel in the Philippines, which they took as a personal judgment against them. Tom returned love for their hate and decided by faith to always be full of joy. Three years later Tom led exactly 10% of the ship's crew to faith in Jesus. Tom's love for the Lord Jesus and His Word, led him to work on learning Koine Greek. He developed his own learning program by making elementary style school readers in the Koine Greek. This not only greatly accelerated his learning the Greek but found that reading a collection of elementary Greek Scriptures became his favorite devotional. It is Tom's hopes that others will find the joy in learning and reading the Greek text as he does. Castle Rock, CO. 7/30/24

Biblical Greek Zondervan

First published in 1993, Basics of Biblical Greek is the most popular introduction to the field, used in universities and seminaries around the world. Over 250,000 students have learned biblical Greek under its guidance. This significant third edition has been carefully developed in consultation with instructors, students, self-learners, and homeschoolers. Users can now take advantage of the many improvements made to the book's website, www.BillMounce.com, where they will find--for free--an online course that walks students through every chapter, vocabulary flashcards, video and audio helps, Greek fonts, quizzes for each chapter, fun songs and games, and much more. Now in a larger size, with an attractive 2-color design, the third edition adds an element of fun, with encouragement, songs, and more, which appear in the margins. Chapter 35 has been split into two chapters, "half-time review" sections have been added to every chapter, and new exegesis sections are now included. These and other improvements serve to enhance the learning experience and will continue BBG's legacy as the premier introduction to biblical Greek.

Learn New Testament Greek Wipf and Stock Publishers

For the first time, a workbook with thousands of supplemental learning exercises is offered to accompany David Alan Black's popular Learn to Read New Testament Greek textbook.
