This is the only guide
for hiking to the top
of Half Dome - the
signature landmark of
Yosemite National
Park, CA. It provides
a history of the
original Indian
inhabitants of the
area. The unique
geological formations
are explained. The
focus of the book is to
provide information
on safe hiking
practices to complete
this extremely
strenuous hike of
16-miles round trip
that is climaxed by a

harrowing 400 foot vertical ascent to the top of the 8,842 foot high granite monolith with the aid of a pair or steel cable banisters set at 45 degrees incline. Included is an extensive trail description with photos and narration of 16 points of interest. The author has completed this hike over 30 times and is a recognized expert source of information about the hike. This is not a topographic map intensive guide; rather it tells historical vignettes to interpret the hike so readers identify with events of the mid 1800's. He relates the story of the interaction of the Miwok and Mono Paiute Indians with the hordes of white invaders during California's Gold

Rush. The reader is aware of how Yosemite developed after the white man's "discovery." The explanation of how odd geologic formations arose from ancient magma flows provides the reader with an understanding of what happened to the "missing part" of Half Dome. The full day hike up to the top of Half Dome is one of the most popular in the country. It is not easy. The book prepares the reader for the adventure with an extensive discussion of the equipment required, the training needed and a detailed "walk through" of the entire trail. Photographs and descriptions of salient features take the apprehension out of doing the hike. Sections with

descriptions of 16-Points of Interest - waterfalls, historical areas, flora and fauna, drinking water sources and the actual cables provide readers with the "real deal" information to safely prepare for and complete this "bucket list" Adventure. Readers are given specific information on the gear needed. This includes a boots/foot care, use of hiking poles and a summary of water filter usage clothing selection and food suggestions. [Baltimore Trails](#) MIT Press Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The

authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

North Carolina Mountains - Insiders Guide Baltimore Trails

Fat-tire enthusiasts will pilgrimage from afar to bike in the Southern Appalachian and Smoky Mountains -- the East's off-road bicycle belt. Don't miss this chance to supply these thrill seekers with their sacred text! Veteran mountain bike author Steve Jones covers classic trails in the Holy Land of East Coast mountain biking, including unforgettable technical single-track in North Carolina's popular Tsali Recreation Area. Mountain Bike! The

Southern Appalachian and Smoky Mountains, Jones' fourth book, is also chockfull of social and natural history anecdotes and light humor. Bikers will find some serious trail mileage on routes in Alabama's Monte Sano and at North Georgia's world class destinations. And if that's not enough, the best trails in eastern Tennessee, western North Carolina, and Virginia's Mount Rogers recreation area make up more trail mileage than you will find in all the existing guides combined. From nearly unridable trails in northern Alabama to nice-and-easy jaunts through tranquil scenery, if it's good riding in the mountains of the East, it's profiled here.

"Containing the public messages, speeches, and statements of the President", 1956-1992.

I Don't Want to Grow Up Plunkett Research, Ltd.
Here is a volume that is as big and as varied as the nation it portrays. With over 1,400 entries written by some 900 historians and other scholars, it

Ulysses illuminates not only America's political, diplomatic, and military history, but also social, cultural, and intellectual trends; science, technology, and medicine; the arts; and religion. Here are the familiar political heroes, from George Washington and Benjamin Franklin, to Abraham Lincoln, Woodrow Wilson, and Franklin D. Roosevelt. But here, too, are scientists, writers, radicals, sports figures, and religious leaders, with incisive portraits of such varied individuals as Thomas Edison and Eli Whitney, Babe Ruth and Muhammed Ali, Black Elk and Crazy Horse, Margaret Fuller, Emma Goldman, and Marian Anderson, even Al

Capone and Jesse James. The Companion illuminates events that have shaped the nation (the Great Awakening, Bunker Hill, Wounded Knee, the Vietnam War); major Supreme Court decisions (Marbury v. Madison, Roe v. Wade); landmark legislation (the Fugitive Slave Law, the Pure Food and Drug Act); social movements (Suffrage, Civil Rights); influential books (The Jungle, Uncle Tom's Cabin); ideologies (conservatism, liberalism, Social Darwinism); even natural disasters and iconic sites (the Chicago Fire, the Johnstown Flood, Niagara Falls, the Lincoln Memorial). Here too is the nation's social and

cultural history, from Films, Football, and the 4-H Club, to Immigration, Courtship and Dating, Marriage and Divorce, and Death and Dying. Extensive multi-part entries cover such key topics as the Civil War, Indian History and Culture, Slavery, and the Federal Government. A new volume for a new century, The Oxford Companion to United States History covers everything from Jamestown and the Puritans to the Human Genome Project and the Internet--from Columbus to Clinton. Written in clear, graceful prose for researchers, browsers, and general readers alike, this is the volume that addresses the totality of the American experience,

its triumphs and heroes as well as its tragedies and darker moments. *Martindale-Hubbell Buyer's Guide* Oxford University Press From the Highroad Guide series, Washington Cascades, will show you the best of the West. This book is beautifully illustrated and reveals top spots for hiking, camping, biking, fishing, canoeing, birding, and scenic driving. * Easy-to-read maps * Trail descriptions for strolls, hikes, and backpacks *

Human and natural history * Lists of outfitters and seasonal events Head for the hills well-prepared with Highroad Mountain Guides - Travel & Leisure To call this book indispensable is almost an understatement. I have never seen so much relevant information compiled into one source - The Burlington Free Press "Detailed trail maps and pen-and-ink drawings of area flora and fauna for the traveler who likes to get off the main drag." - Atlanta, Georgia Journal

The electronic age is bringing sweeping changes to entertainment and media of all kinds, including publishing, broadcasting and film. Multimedia, the Internet and other digital media

outlets for entertainment and information are being refined at a rapid rate. Media giants are merging and making big acquisitions. This book covers these exciting developments and provides profiles on hundreds of leading firms in film, radio, television, cable, new media, and publishing of all types including books, magazines and newspapers. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and

other resources. You'll get in-depth profiles of nearly 400 of the world's top Entertainment & Media firms: our own unique list of companies that are the leaders in this field. Here you'll find complete profiles of the hot companies that are making news today, the largest, most successful corporations in all facets of the Entertainment and Media Business, from broadcasters to film production companies, casino operators to theme park companies, publishers of books and

magazines to video game designers, and much more. Our corporate profiles include executive contacts, growth plans, financial records, address, phone, fax and much more. This innovative book offers unique information, all indexed and cross-indexed more for each firm! Our industry analysis section provides an exceptional discussion of business and market trends. The book includes statistical tables covering revenues for several industry sectors. Purchasers of

either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data. *Small Business Sourcebook* Equator Baltimore TrailsJHU Press **Backpacker** Beachway Press Amazing Asheville by Lan Sluder is the new guidebook to Asheville and the beautiful North Carolina Mountains. It candidly covers all the best places to stay, eat and explore in Asheville's

exciting Downtown and surrounding neighborhoods, and elsewhere in the North Carolina mountains. In more than 150,000 words, it also covers the Great Smoky Mountains National Park, the Blue Ridge Parkway, Biltmore House and Biltmore Estate and the hundreds of thousands of acres of national and state forests in Western North Carolina. This is THE guide that gives you the ins and outs of enjoying the mountains and saving money on your Asheville and

North Carolina mountains vacation. Written by an Asheville native and award-winning author of more than a dozen books on travel and retirement, Amazing Asheville provides readable, easy-to-use information on Asheville's many B&Bs, mountain lodges, resorts and vacation cabins. It tells you where to find great food and drink -- from bistros where locals go to five-star splurge places. It explains where to go for the most amazing experiences for your vacation.

Amazing Asheville doesn't just stick to the city of Asheville. It covers many interesting small towns and villages in the mountains around Asheville. It details where to go for the best outdoor activities in the Blue Ridge Mountains -- hiking, scenic drives, camping, wildlife spotting, birding, river rafting, boating, gem mining, fishing, rock climbing, exploring waterfalls and the backcountry, and more. Whether your interest is outdoor

crafts, clubbing and nightlife, music and culture, architecture, outdoor adventures or just having fun in the highest, coolest mountains and most-visited national parks in the East, Amazing Asheville is the guide for you.

Fulcrum Publishing
The Insiders' Guides series has an all-new look and feel for 2000! The terrific content that the series is known for -- the best hotels, restaurants, annual events, and attractions, parks and recreation chapters, and superb relocation

information -- is showcased in the new, handy 6 x 9 trim size, bright, eye-catching cover with updated logo, and a streamlined, easy-to-use interior. Lush and beautiful in the spring, dry and comfortable in the summer, and spectacularly colorful in the fall, the mountains of North Carolina are truly a year-round vacation destination. In addition to the standard comprehensive Insiders' rundown of chapters on accommodations, restaurants, and attractions, this popular guide includes unique chapters on waterfalls, the Blue Ridge Parkway, and the Cherokee Indian Reservation.

An Outdoor Family Guide to Washington's National Parks and Monument Falcon Guides
This new edition of John Forester's handbook for transportation policy makers and bicycling advocates has been completely rewritten to reflect changes of the last decade. It includes new chapters on European bikeway engineering, city planning, integration with mass transit and long-distance carriers, "traffic calming," and the art of encouraging private-sector

support for bicycle commuting. A professional engineer and an avid bicyclist, John Forester combined those interests in founding the discipline of cycling transportation engineering, which regards bicycling as a form of vehicular transportation equal to any other form of transportation. Forester, who believes that riding a bicycle along streets with traffic is safer than pedaling on restricted bike paths and bike lanes, argues the

case for cyclists' rights with zeal and with statistics based on experience, traffic studies, and roadway design standards. Over the nearly two decades since *Bicycle Transportation* was first published, he has brought about many changes in the national standards for highways, bikeways, bicycles, and traffic laws. His *Effective Cycling Program* continues to grow. [The Rough Guide to Sicily \(Travel Guide eBook\)](#) *Apa Publications (UK) Limited*
