I have a project aircraft (brand

x) which has an early on-board engine monitor installed. The brand is MPI (Masten Products Inc) which is now defunct and I can find very little information about the unit or company. I do have the owner's manual, but need more information.

Mpi On Board Engine

Monitor Install Manual

Multi-point injection (MPI) systems inject fuel at each cylinder, allowing much greater control over how much fuel the engine burns. In MPI systems, the injection generally takes place directly inside the cylinder's intake valve. Types of MPI Systems

Depending on how the injection is handled, MPI systems fall into several types.
