Competition Science Vision by Mocktime Publication

This book contains the answers to the general doubts
we have when we start the preparation for UPSC. From
my personal experiences, I have tried to addressed
some of the issues and how one can prepare. This book
is divided into various chapters which have questions
related to ‘ before UPSC times ’ i.e. when I failed in IIT
even after taking a drop at Kota and my college life
where I wasn ’ t sure as to where life will take me,
‘ during UPSC times ’ i.e. when I was preparing for the
UPSC and ‘ after UPSC ’ where questions related to
Mussoorie and Hyderabad academies, life of civil
servants in general have been answered. I want to put a
disclaimer in the beginning itself that this book doesn ’ t
cover any part of the UPSC syllabus and this book is
just to motivate and help you strategize your way to
fight UPSC and any other life struggle for that matter. I
would recommend readers not to ‘ study ’ this book but
‘ read ’ it which means that go through this book at
leisure time. Pick up the book whenever you are in
doubt, feel depressed or want to quit. This book can be
your favorite companion during tough times. You will be
able to learn few things from my mistakes, you might
laugh at few moments, you may picture yourself as a
successful candidate while reading this book. There is
no compulsion to complete this book and I believe that
you can pick this from any page. The size of book is
because I tried addressing as much as I could in this
book. Thank you. Jai Hind.
