How to write Civil Judgments in MPSC (MAIN) Examination - JUDICIAL SERVICE C.J.J.D & J.M.F.C., MPSC (MAIN) Examination MPSC (Prelims) Exam 2020 | 18 Mock Test (Paper I & II) For Complete Preparation

From 1799 to 1804, German naturalist and adventurer Alexander von Humboldt conducted the first extensive scientific exploration of Latin America. At the completion of his arduous 6,000-mile journey, he was feted by Thomas Jefferson, presented to Napoleon and, after the publication of his findings, hailed as the greatest scientific genius of his age. Humboldt ' s Cosmos tells the story of this extraordinary man who was equal parts Einstein and

Livingstone, and of the adventure that defined his life. Gerard Helferich vividly recounts Humboldt ' s expedition through the Amazon, over the Andes, and across Mexico and Cuba, highlighting his paradigm-changing discoveries along the way. During the course of the expedition, Humboldt cataloged more than 60,000 plants, set an altitude record climbing the volcano Chimborazo, and introduced millions of Europeans and Americans to the great cultures of the Inca and the Aztecs. In the process, he also revolutionized geology and laid the groundwork for modern sciences such as climatology, oceanography, and geography. His contributions would profoundly influence future greats such as Charles Darwin and shape the course of science for centuries to come. Humboldt ' s Cosmos is a dramatic tribute to one of history ' s most audacious adventurers, who, as Stephen Jay Gould noted, "may well have been the world ' s most famous and influential intellectual."

It is one of the bestselling books on Modern Indian History covering the time line from 1707 to the modern times. The book covers the entire gamut in a very unique style- it mentions not only factual data about various topics but also provides information about different interpretations put forth by Western and Indian historians, with an integrated analysis. This makes the book equally useful for undergraduate students of History and aspirants appearing for various competitive examinations.

The book that inspired the major new motion picture Mandela: Long Walk to Freedom.

Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's anti-apartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. **LONG WALK TO FREEDOM** is his moving and exhilarating autobiography, destined to

take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

MPSC State Service Prelims Practice Set 2021: Attempt Latest PDF! Chandresh Agrawal
A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious

issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

PRAGATI M.P.S.C. STATE SERVICES
PRELIMINARY EXAMINATION PAPER - I

Career Examination

Research on communication and information technologies is of growing importance to sociology and the interdisciplinary examination of communication and (new) media. This volume includes eight chapters examining recent developments in the field, illustrating the maturation, vibrancy, and diversity of this field of study as well as pointing to rich new avenues for scholarly exploration. Contributions aptly chart three key developments that characterize current research on communication and digital media. First, chapters demonstrate the maturation of work on measurement, demonstrating the importance of refining measurements of online activities and their consequences. For instance, contributions evaluate: social network measures frequently used in online research; alternative measures for online activity; and alternative measures of Twitter activity. Second, the volume showcases continued work on understanding user behaviour, including research on the

consequence of reward systems similar to badges and on the limitations of purely technological solutions to social dilemmas in emergency preparedness. Finally, chapters identify emerging questions for the field related to social media, such as research on potential privacy and identity implications of social media, different dispositions toward social media use, and variation in levels of social media usage. This book was originally published as a special issue of Information, Communication & Society.

Governance in India Svastham 24/7

Civil services are one of the most famous and respectable career options among the youth.

Civil Service is the only body of government officials who are employed in civil

occupations that are neither political nor judicial. Public Service Commissions of both central and state governments are the main recruiters of graduate civil service aspirants. The Civil Servants look after the administration of the state. Their role is not only confined to administration.

Implementation and adherence of rules and regulations in their jurisdiction comprise their main task.
