The book that inspired the major new motion
picture Mandela: Long Walk to Freedom. Nelson
Mandela is one of the great moral and political
leaders of our time: an international hero whose
lifelong dedication to the fight against racial

oppression in South Africa won him the Nobel
Peace Prize and the presidency of his country. Since
his triumphant release in 1990 from more than a
quarter-century of imprisonment, Mandela has been
at the center of the most compelling and inspiring
political drama in the world. As president of the
African National Congress and head of South
Africa's antiapartheid movement, he was
instrumental in moving the nation toward
multiracial government and majority rule. He is
revered everywhere as a vital force in the fight for
human rights and racial equality. LONG WALK TO
FREEDOM is his moving and exhilarating
autobiography, destined to take its place among the
finest memoirs of history's greatest figures. Here for
the first time, Nelson Rolihlahla Mandela tells the
extraordinary story of his life--an epic of struggle,
setback, renewed hope, and ultimate triumph.

The Preparation Notes Nirali Prakashan

It is one of the bestselling books on Modern Indian History covering the time line from 1707 to the modern times. The book covers the entire gamut in a very unique style- it mentions not only factual data about various topics but also provides information about different interpretations put forth by

Western and Indian historians, with an integrated analysis. This makes the book equally useful for undergraduate students of History and aspirants appearing for various competitive examinations.

Logical and Analytical Reasoning (Useful for All Competitive Exams) Svastham Healthcare

India's struggle for Independence by Bipin

Chandra is your go to book for an in-depth and detailed overview on Indian independence

movement . Indian freedom struggle is one of the most important parts of its history. A lot has been written and said about it, but there still remains a

gap. Rarely do we get to hear accounts of the independence from the entire country and not just one region at one place. This book fits in perfectly

in this gap and also provides a narration on the impact this movement had on the people. Bipin

Chandra's book is a well-documented history of India's freedom struggle against the British rule. It

is one of the most accurate books which have been painstakingly written after thorough research based

on legal and valid verbal and written sources. It maps the first war of independence that started with

Mangal Pandey's mutiny and witnessed the gallant effort of Sri Rani Laxmi Bai. Many of the pages of

this book are dedicated to Mahatma Gandhi's non-cooperation and the civil disobedience movements.

It contains detailed description of Subash Chandra Bose's weapon heavy tactics and his charisma.

This book includes all the independence movements and fights, irrespective of their size and impact, covering India in its entirety. Although

these movements varied in means and ideas, but they shared a common goal of independence. This

book contains oral and written narratives from different parts of the country, making this book

historically rich and diverse. The book captures the evolution of Indian independence struggle in full

detail and leaves no chapter of this story untouched. This book is a good read for the

students of Indian modern history and especially for students who are preparing for UPSC

examination and have taken History as their subject.

**PRAGATI M.P.S.C. STATE SERVICES
PRELIMINARY EXAMINATION PAPER**

- I Infinity Educations

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan

Singh, constitute a remarkable overview of a nation on the move.
