The orientation towards vehicle maintenance led to the significant advancements in its engineering applications in the past few decades. With the advent of automation and electronics in automobiles, the study gained more momentum, which led vehicle maintenance and garage practice to emerge as a new discipline of automobile engineering. The present book is an attempt to reveal underlying principles and best practices in diagnostic procedures, services, repairs and overhauling of the vehicles. The key techniques and methods described with the help of diagrams and images make the book user-friendly

---

and informative, enabling students to understand the concept easily. The text not only provides theoretical information, but also imparts practical knowledge on vehicle maintenance and repairing, emphasising the role and function of service stations. The book deals with both conventional and non-conventional methods of repairing and overhauling. Primarily designed for the undergraduate and postgraduate students of automobile and mechanical engineering, the lucid and simple presentation of the book makes it useful for the students pursuing diploma in automobile engineering as well. It can be used as an automobile repair guide by vehicle owners for its step-by-step explanation of repair procedures, which help them to carry out repair and maintenance conveniently.

India's Struggle for Independence Arihant Publications India limited

Aryan's father is killed by a powerful Minister. No one, including the Police, is ready to help him get justice for the death of his father. Can the Minister be allowed to get away with a murder just because he is powerful? What can a mere unarmed individual do? But Aryan is not totally unarmed - he has been training to get an Olympic medal in Archery. Can one man with bows and arrows bring a powerful Minister, protected by the Police, down to his knees? Can archery win against guns and might? Set in contemporary India but written for International readers, this tale is bound to change your perspectives about a number of things in life: Underdogs are not always underdogs. Friends are not always friends. Destiny doesn't always favor a select few.

How to Crack Test Of Reasoning- REVISED EDITION Arihant Publications India limited

This Book has comprehensive General Knowledge about Maharashtra for the Candidates of Various Competitive Exams. Clerk-stenographer Ramesh Publishing House

India ' s struggle for Independence by Bipin Chandra is your go to book for an in-depth and detailed overview on Indian independence movement . Indian freedom struggle is one of the most important parts of

its history. A lot has been written and said about it, but there still remains a gap. Rarely do we get to hear accounts of the independence from the entire country and not just one region at one place. This book fits in perfectly in this gap and also provides a narration on the impact this movement had on the people. Bipin Chandra ' s book is a well-documented history of India's freedom struggle against the British rule. It is one of the most accurate books which have been painstakingly written after thorough research based on legal and valid verbal and written sources. It maps the first war of independence that started with Mangal Pandey ' s mutiny and witnessed the gallant effort of Sri Rani Laxmi Bai. Many of the pages of this book are dedicated to Mahatma Gandhi ' s non-cooperation and the civil disobedience movements. It contains detailed description of Subash Chandra Bose ' s weapon heavy tactics and his charisma. This book includes all the independence movements and fights, irrespective of their size and impact, covering India in its entirety. Although these movements varied in means and ideas, but they shared a common goal of independence. This book contains oral and written narratives from different parts of the country, making this book historically rich and diverse. The book captures the evolution of Indian independence struggle in full detail and leaves no chapter of this story untouched. This book is a good read for the students of Indian modern history and especially for students who are preparing for UPSC examination and have taken History as their subject.
