Mitchell Stone has had it! No more Mr. Nice Guy. Sick and tired of dates that end with a pat on the back, he's decided it's time to even his odds with the ladies and become the type of man they really seem to want: a mysterious, mischievous, deceitful Dog! With the help of his "Player" instructors, Tony and Trey, he's dipping his toe into a stream of booty calls, baby-mamas, and sexual spin, winning over every woman who crosses his path! Nikki Coleman has had it, too! The men in her life have

been good for one thing: disappointment. There's her high school sweetheart, Barry, a successful attorney who got someone else pregnant and derailed Nikki's early hopes of marriage. Then there's Jomo, a guitarist who's great in bed—except Nikki's not the only one he's great in bed with. There's Mitchell Stone, an old friend and fellow executive at her record company, who's handsome but just a little too nice. Last but not least, there's her father, Gene Coleman, who took a few years to acknowledge that, yeah, she's his. Now that a case of sexual harassment has Nikki on the verge of losing her job and with it her entire career in the music industry, the lack of a strong man in her life is even more painful. She can survive on her own, but in her heart she wants a Mr. Right to stand by her side and help her ride out the storm. Meanwhile, Mitchell is well on his way to becoming a real Player. With his handbook of "Dog rules" and a new, swaggering style, he's attracting women left and right. He's even got Nikki reconsidering their just-friends status. But has this Dog bitten off more than he can chew? And will Mitchell's newfound womanizing ways come back to bite him before he and Nikki find true love? From the Trade Paperback edition.

## Mr. Nice : autobiografía a HarperCollins

'I have long wanted to write a book about my life and the extraordinary years I spent with my husband Howard Marks. I feel now is the time. I want to write it from a woman's perspective and describe what it was like to be married to such a charismatic drug smuggler.' Judy Marks Howard Marks's story has passed into hippie folklore. At one time, the world's then most wanted man had 43 aliases, 89 phone lines and 25 registered companies. Thanks to the technical brilliance of his networking skills, it was estimated that he was trafficking as much as a tenth of all the marijuana smoked in the world. But this is only half the story. Intimately involved throughout was Marks's wife Judy. From living the high life hobnobbing with movie stars and euro trash to mixing it with the IRA and CIA, then the long, increasingly desperate years on the run, Mr Nice and Mrs Marks is about the exhilaration of their criminal life and the hell of not knowing what's happening when your husband stops telling you the truth. Now, for the first time, Judy tells her own side of the tale.

Harcourt Welcome to the personal archives of Britain's biggest dope smuggler. For 40 years Howard Marks traversed the globe: an international businessman who became an inmate in America's toughest penitentiary before standing for election in the United Kingdom. *Becoming Mr Nice* reveals an extraordinary montage of previously unseen material from his roller-coaster life, interwoven with his daughter's incisively researched and deadpan commentary. It includes surveillance footage, intelligence reports, phone transcripts, the business cards and letterheads used as trading fronts, driving licences and passport applications in multiple identities, and cryptic faxes from the Far East. But more than that, it offers a vista onto his many and varied experiences and escapades, through notebooks, personal items and correspondence with the bizarre, wonderful, comic or downright suspicious characters who surrounded him. It includes extracts from a lavishly detailed and hitherto unpublished account of Howard's years on the run (written in confidence for the benefit of his otherwise baffled defence team) together with transcripts from his trial at the Old Bailey, in which he successfully

claimed that his involvement in the biggest ever importation of cannabis into the United Kingdom was on behalf of the secret services. Peppered with comic observations from Howard's private letters, this book provides a uniquely personal insight into one of Britain's most remarkable characters. *Becoming Mr Nice* is the essential companion volume to Marks' million-copy-selling autobiography *Mr Nice* and a comprehensive, illustrated introduction to Howard Marks for a new generation. Praise for *Becoming Mr Nice* 'Funny, brave and deeply personal, this remarkable book records the tenderness of father and daughter and the lives beyond the legend' - Salena Godden 'Becoming Mr Nice is a brilliant read with so much that I didn't know' - Tim Burgess Praise for Howard Marks 'An urban legend, a dedicated human rights campaigner, a smuggling overlord, a counterculture champion, a respected academic, an outstanding author, a DJ, a hilarious comedian, a skilful raconteur, and a loving father. A man who never compromised his values even in the face of overwhelming adversity' - Simon Doherty, Huff Post 'The Marco Polo of the drug traffic' - Thomas V. Cash, special agent in charge of the Miami division of the American Drug Enforcement Agency (DEA) 'True modern-day folk hero' - James Brown 'Britain's best-known and most charming drug smuggler' - Guardian (Please note that due to the complex layout of this title and the number of illustrations included, some aspects of the design are compromised in the digital format.
