Nov 15, 2019 Updates on the LIBOR-SOFR Transition new Under the guidance of the Federal Housing Finance Agency (FHFA) and in coordination with Freddie Mac, we intend to implement recently published fallback language recommended by the Alternative Reference Rate Committee (ARRC) for adjustable rate mortgages (ARMs) and offer SOFR-based hybrid ARM products.

Magnetic Resonance Imaging (MRI) uses a magnetic field and radio waves to generate cross-sectional images without the use of X-Rays. MRI produces detailed and clear images of the body, especially the brain, spine, joints, bones, organs & soft tissues. MRA is a specialized type of MRI which produces images of the vessels in your body.
