What happens when a person looks inside and addresses old wounds that have long been denied? How does it feel to lay down deeply ingrained patterns and behaviours that are no longer helpful? How do relationships change when self-worth is restored? The answers are found in *The Ember Ever There*, a collection of poetry by Jean McCarthy. McCarthy believes that everyone has patterns in need of attention and healing, and suggests that the process used for recovery is transferrable to other aspects of personal growth. These poems pay homage to the pain of feeling adrift, the excitement of embarking on change, the wonder of self-awareness, the joy of connections, and the surprising grief that can arise when old ways are left behind. This book includes poems about each of the twelve steps as well as a section of song lyrics that include "I Own It," the theme song of the popular recovery podcast "The Bubble Hour."

Mrs. Perivale and the Blue Fire Crystal Harper Perennial

Written in author Virginia Woolf's trademark stream-of-consciousness style, Mrs. Dalloway intricately and vividly explores a day in the life of Clarissa Dalloway—a woman of high-society London in the midst of preparations for a party.

Moving through time, and from one character's innermost thoughts to those of another, Woolf's fourth novel is a moving portrait of privileged life inter-war England. "McConaughey's book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand." —Mark Manson, author of *The Subtle Art of Not Giving a F*ck* I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those

diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call "catching greenlights." So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

An absolute delight of a debut novel by William Kuhn—author of Reading Jackie: Her Autobiography in Books—Mrs Queen Takes the Train wittily imagines the kerfuffle that transpires when a bored Queen Elizabeth strolls out of the palace in search of a little fun, leaving behind a desperate team of courtiers who must find the missing Windsor before a national scandal erupts. Reminiscent of Alan Bennett's The Uncommon Reader, this lively, wonderfully inventive romp takes readers into the mind of the grand matriarch of Britain's Royal Family, bringing us an endearing runaway Queen Elizabeth on the town—and leading us behind the Buckingham Palace walls and into the upstairs/downstairs spaces of England's monarchy.

Despite outward appearances three years after getting sober Lotta is struggling to deal with life in the raw. It's becoming abundantly clear what people mean when they say putting down the drink is just the beginning. Truth is Lotta's lifelong heavy-drinking habit has left her as a fledgling emotionally. She's slowly accepting that she needs to do some more work on herself. But what? Please don't say it has to involve turning into a hippy. Can't she just comfort herself with another chocolate muffin, distract herself on Instagram, and hope for the best? It would appear not. In Mrs D Is Going Within Lotta outlines the practices she developed and strategies

she worked on to start establishing herself as an emotionally robust woman.

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

How one woman stopped drinking and started living. By New York Times Bestseller Liveright Publishing

Journalist Walls grew up with parents whose ideals and stubborn

nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

An instant New York Times bestseller "A multigenerational narrative that's nothing short of brilliant." —People "Simply unputdownable." —Good Housekeeping "The perfect book club pick." —SheReads Named a Best Book of Summer by Entertainment Weekly, Cosmopolitan, Woman's Day, PopSugar, HelloGiggles, and Refinery29 From Jennifer Weiner, the #1 New York Times bestselling author of *Who Do You Love* and *In Her Shoes* comes a smart, thoughtful, and timely exploration of two sisters' lives from the 1950s to the present as they struggle to find their places—and be true to themselves—in a rapidly evolving world. Do we change or does the world change us? Jo and Bethie Kaufman were born into a world full of promise. Growing up in 1950s Detroit, they live in a perfect "Dick and Jane" house, where their roles in the family are clearly defined. Jo is the tomboy, the bookish rebel with a passion to make the world more fair; Bethie is the pretty, feminine good girl, a would-be star who enjoys the power her beauty confers and dreams of a traditional life. But the truth ends up looking different from what the girls imagined. Jo and Bethie survive traumas and tragedies. As their lives unfold against the background

of free love and Vietnam, Woodstock and women's lib, Bethie becomes an adventure-loving wild child who dives headlong into the counterculture and is up for anything (except settling down). Meanwhile, Jo becomes a proper young mother in Connecticut, a witness to the changing world instead of a participant. Neither woman inhabits the world she dreams of, nor has a life that feels authentic or brings her joy. Is it too late for the women to finally stake a claim on happily ever after? In her most ambitious novel yet, Jennifer Weiner tells a story of two sisters who, with their different dreams and different paths, offer answers to the question: How should a woman be in the world?
