" I didn't feel like I was reading this novel—I felt like I was living it. " —Ann Patchett, author of *The Dutch House* From award-winning author Asali Solomon, *The Days of Afrekete* is a tender, surprising novel of two women at midlife who rediscover themselves—and perhaps each other, inspired by Mrs. Dalloway, Sula, and Audre Lorde's *Zami* Liselle Belmont is having a dinner party. It seems a strange occasion—her husband, Winn, has lost his bid for the state legislature—but what better way to thank key supporters than a feast? Liselle was never sure about her husband becoming a politician, never sure about the limelight, never sure about the life of fundraising and stump speeches. Then an FBI agent calls to warn her that Winn might be facing corruption charges. An avalanche of questions tumbles around her: Is it possible he ' s guilty? Who are they to each other; who have they become? How much of herself has she lost—and was it worth it? And just this minute, how will she make it through this dinner party? Across town, Selena Octave is making her way through the same day, the same way she always does—one foot in front of the other, keeping quiet and focused, trying not to see the terrors all around her. Homelessness, starving children, the very living horrors of history that made America possible: these and other thoughts have made it difficult for her to live an easy life. The only time she was ever really happy was with Liselle, back in college. But they ' ve lost touch, so much so that when they ran into each other at a drugstore just after Obama was elected president, they barely spoke. But as the day wears on, memories of Liselle begin to shift Selena ' s path. Inspired by Mrs. Dalloway and Sula, as well as Audre Lorde ' s *Zami*, Asali Solomon ' s *The Days of Afrekete* is a deft, expertly layered, naturally funny, and deeply human examination of two women coming back to themselves at midlife. It is a watchful celebration of our choices and where they take us, the people who change us, and how we can reimagine ourselves even when our lives seem set.

Clare Moorhouse, the American wife of a high-ranking diplomat in Paris, is arranging an official dinner crucial to her husband's career. As she shops for fresh stalks of asparagus and works out the menu and seating arrangements, her day is complicated by the unexpected arrival of her son and a random encounter with a Turkish man, whom she discovers is a suspected terrorist. Like Virginia Woolf did in *Mrs. Dalloway*, Anne Korkeakivi brilliantly weaves the complexities of an age into an act as deceptively simple as hosting a dinner party.

*Mr. Bennett and Mrs. Brown* Oxford University Press

A family memoir that traces the myths, legends, and secrets of seven generations of remarkable women All families have their myths and legends. For many years Juliet Nicolson accepted hers--the dangerous beauty of her flamenco dancing great-great-grandmother Pepita, the flirty manipulation of her great-grandmother Victoria, the infamous eccentricity of her grandmother Vita Sackville-West, her mother ' s Tory-conventional background. But then Juliet, a distinguished historian, started to question. As she did so, she sifted fact from fiction, uncovering details and secrets long held just out of sight. *A House Full of Daughters* takes us through seven generations of women. In the nineteenth-century slums of Malaga, the salons of fin-de-siecle Washington D.C., an English boarding school during the Second World War, Chelsea in the 1960s, the knife-edge that was New York City in the 1980s, these women emerge for Juliet as people in their own right, but also as part of who she is and where she has come from. *A House Full of Daughters* is one woman ' s investigation into the nature of family, memory, and the past. As Juliet finds uncomfortable patterns reflected in these distant and more recent versions of herself, she realizes her challenge is to embrace the good and reject the hazards that have trapped past generations.

This "tender biography of a sickly marmoset that was adopted by Leonard Woolf and became a fixture of Bloomsbury society" (*The New York Times*) is an intimate portrait of the life and marriage of Leonard and Virginia Woolf from a National Book Award-winning author. In 1934, a "sickly pathetic marmoset " named Mitz came into the care of Leonard Woolf. After he nursed her back to health, she became a ubiquitous presence in Bloomsbury society. Moving with Leonard and Virginia Woolf between their homes in London and Sussex, she developed her own special relationship with each of them, as well as with their pet cocker spaniels and with various members of the Woolfs ' circle, among them T. S. Eliot and Vita Sackville-West. Mitz also helped the Woolfs escape a close call with Nazis during a trip through Germany just before the outbreak of World War II. Using letters, diaries, memoirs, and other archival documents, Nunez reconstructs Mitz ' s life against the background of Bloomsbury ' s twilight years. This tender and imaginative mock biography offers a striking look at the lives of writers and artists shadowed by war, death, and mental breakdown, and at the solace and amusement inspired by its tiny subject--and this new edition includes an afterword by Peter Cameron and a never-before-published letter about Mitz by Nigel Nicolson. " In short, glistening sentences that refract the larger world, Ms. Nunez describes the appealingly eccentric, fiercely intelligent Woolfs during a darkening time. " —*The Wall Street Journal*

Angelica Garnett may truly be called a child of Bloomsbury. Her Aunt was Virginia Woolf, her mother Vanessa Bell, and her father Duncan Grant, though for many years Angelica believed herself, naturally enough, the daughter of Vanessa's husband Clive. Her childhood homes, Charleston in Sussex and Gordon Square in London, were both centres of Bloomsbury activity, and she grew up surrounded by the most talked-about writers and artists of the day - Leonard and Virginia Woolf, Roger Fry, the Strachays, Maynard Keynes, David Garnett (whom she later married), and many others. But *Deceived with Kindness* is also a record of a young girl's particular struggle to achieve independence from that extraordinary and intense milieu as a mature and independent woman. With an honesty that is by degrees agonising and uplifting, the author creates a vibrant, poignant picture of her mother, Vanessa Bell, of her own emergent individuality, and of the Bloomsbury era.

*Virginia Woolf and Her Female Contemporaries*, seeks to contextualize Virginia Woolf's writing alongside the work of other women writers during the first decades of the twentieth-century. This volume not only expands our understanding of the unprecedented number of female writers but also helps us comprehend the ways that these writers contributed and complicated modernist literature. It explores how burgeoning communities and enclaves of women writers intersected with and coexisted alongside Virginia Woolf and emphasizes both the development of enclaves and specific female subcultures or individual writers who were contemporaneous with Virginia Woolf. The essays in the first section, 'Who Are Virginia Woolf's Female Contemporaries?' explore the boundaries of contemporaneity by considering women across nation, time, and class. The second section, 'Cultural Contexts,' explores Woolf's connections to early twentieth-century culture such as film and book societies. The two final sections, 'Recovery and Recuperation,' and 'Connections Between Canonical Writers,' illuminate the interlocking network of women writers and artists, the latter through women who have been bereft of scholarly attention and the former through women who have received more scholarly attention.

Between the Acts HarperCollins UK

*To the Lighthouse* (5 May 1927) is a novel by Virginia Woolf. A landmark novel of high modernism, the text, centering on the Ramsay family and their visits to the Isle of Skye in Scotland between 1910 and 1920, skillfully manipulates temporality and psychological exploration. To the Lighthouse follows and extends the tradition of modernist novelists like Marcel Proust and James Joyce, where the plot is secondary to philosophical introspection, and the prose can be...
