A crystal-clear account
of the entangled history
of Western and Muslim
feminisms. Western
feminists, pundits, and
policymakers tend to
portray the Muslim
world as the last and
most difficult frontier of
global feminism.
Challenging this view,
Elora Shehabuddin
presents a unique and
engaging history of
feminism as a story of
colonial and
postcolonial
interactions between

Western and Muslim
societies. Muslim
women, like other
women around the
world, have been
engaged in their own
struggles for
generations: as
individuals and in
groups that include but
also extend beyond
their religious identity
and religious practices.
The modern and
globally enmeshed
Muslim world they
navigate has often been
at the weaker end of
disparities of wealth
and power, of
processes of
colonization and policies
of war, economic
sanctions, and Western
feminist outreach.
Importantly, Muslims
have long constructed
their own ideas about
women ' s and men ' s
lives in the West, with
implications for how
they articulate their
feminist dreams for
their own societies.
Stretching from the
eighteenth-century
Enlightenment era to
the War on Terror
present, Sisters in the
Mirror shows how
changes in women ' s
lives and feminist

strategies have
consistently reflected
wider changes in
national and global
politics and economics.
Muslim women, like non-
Muslim women in
various colonized
societies and non-white
and poor women in the
West, have found
themselves having to
negotiate their demands
for rights within other
forms of struggle—for
national independence
or against occupation,
racism, and economic
inequality. Through
stories of both well-
known and relatively
unknown figures,
Shehabuddin recounts
instances of conflict
alongside those of
empathy, collaboration,
and solidarity across
this extended period.
Sisters in the Mirror is
organized around
stories of encounters
between women and
men from South Asia,
Britain, and the United
States that led them, as
if they were looking in a
mirror, to pause and
reconsider norms in
their own society,
including cherished
ideas about women ' s
roles and rights. These

intertwined stories confirm that nowhere, in either Western or Muslim societies, has material change in girls and women's lives come easily or without protracted struggle.

Inscriptions at Sravana Belgola: A Chief Seat of the Jains Sagwan Press

Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book.

This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

God is the most misused and misunderstood word in the world. There are thousands

and thousands of religions in this world but the major religions that stand out in the list include Hinduism, Islam and Christianity. Do they have anything in common or they are completely different from each other? In this book, I will show you how all the major religions of the world have the same central core and point to the same truth. I have quoted numerous verses from the Bible, Bhagavad Gita and Quran and have given a detailed commentary on them in the process of explaining the truth about these religions. I have unraveled the secrets of Greek mystery schools, Upanishads, Kabbalah, Hasidism, Sufism and other mystic traditions in the book. But this book needs a complete open-mindedness and patience from your part. By buying this book and sharing it with your friends, you are contributing something to the world peace. I strongly believe that this book will bring a change.

Financial Inclusion in Emerging Markets Financial Inclusion in Emerging Markets

Commentary on 'The Bhagavad Geeta' by Swami Mukundananda

The Warrior Diet Rowman & Littlefield

Irving Stone's powerful and passionate biographical novel of Michelangelo. His time: the turbulent Renaissance, the years of poisoning princes, warring popes, the all-powerful

Medici family, the fanatic monk Savonarola. His loves: the frail and lovely daughter of Lorenzo de Medici; the ardent mistress of Marco Aldovrandi; and his last love - his greatest love - the beautiful, unhappy Vittoria Colonna. His genius: a God-driven fury from which he wrested the greatest art the world has ever known. Michelangelo Buonarroti, creator of David, painter of the Sistine ceiling, architect of the dome of St Peter's, lives once more in the tempestuous, powerful pages of Irving Stone's marvellous book.

THE INDIAN LISTENER

Love marriages around the world are simple: Boy loves girl. Girl loves boy. They get married. In India, there are a few more steps: Boy loves girl. Girl loves boy. Girl's family has to love boy. Boy's family has to love girl. Girl's family has to love boy's family. Boy's family has to love girl's family. Girl and boy still love each other. They get married. Welcome to 2 States, the story of Krish and Ananya, who are from two different states of India, deeply in love with each other, and want to get married. Of course, their parents don't

agree. To convert their love story into a love marriage, the couple has a tough battle ahead of them; for it is easy to fight and rebel, but harder to convince. Will they make it? From the bestselling author Chetan Bhagat comes another witty tale about inter-community marriages in modern India.

Encyclopaedia of Sikh Religion and Culture

Penguin Random House India "KURUKSHETRA" depicts a small part of a very well known Hindu epic, Mahabharata, in which a terrible fratricidal war is narrated. This prestigious award winning book, is a very beautiful piece of Gujarati literature, from India.

Manubhai Pancholi, "Darshak" has created a fictional novel based on the epic and makes us visualize Kurukshetra with a unique angle through his powerful pen. It starts with a delicate love affair between Tapati, daughter of a guru and Takshak, a tribal youth coming from two different strata of society where intermingling is not desired. More over the budding love gets scorched by the upcoming terrible war which could destroy all the kingdoms and entire culture of the contemporary North India. The war can be compared to today's world war. Brahmastra a terrible weapon, comparable to today's atomic bomb was used to seek revenge! Though based on mythological epic Darshak unveils almost all

universal human emotions to pluck down the barriers of Time and Place! It also discusses the intermingling of Aryans and tribal communities. More over through the characters of Draupadi and Tapati successfully paints the strong and passionate qualities of the women. I translated Kurukshetra in English so Non Gujarati readers can enjoy this unique piece of Indian literature. - Rohini

The kingdom of Patan faces an ominous future. King Karnadev lies on his deathbed. His son, Jaydev, is too young to ascend the throne. Rumours abound of scheming warlords intent on establishing their own independence and powerful merchants plotting to wrest control from Patan Fort. There is also the shadowy monk Anandsuri and his vision to unite Patan under one religion: Jainism. In the eye of this gathering storm are Queen Minaldevi and the shrewd chief minister Munjal Mehta. Both have striven to maintain order in Patan and ensure that Jaydev's succession is secure. But the attraction between them is threatened by betrayal and intrigue, with

dramatic consequences for the future of Patan. A sprawling, fast-paced saga in the oeuvre of Alexandre Dumas, *The Glory of Patan* is the first book in an epic trilogy about the exploits of the magnificent Chalukya dynasty at a crucial period in the history of Gujarat.

Springer Nature

This book discusses ideas for stakeholders to develop strategies to access and use financial products and services such as deposits, loans, and fund transfer mechanism, insurance, payment services, and intermediaries, distribution channels at economical prices in order to cater to the needs of the poor and underprivileged people. Financial inclusion ensures ease of access, availability, and usage of the financial products and services to all the sections of the society. The book will help in recognizing the role of financial inclusion as one of the main drivers in reducing income inequality and thus supporting sustainable economic growth of the countries, especially of an emerging economy. The book provides conceptual and practical ideas from the practitioners, best practices from the experts, and empirical views from the researchers on the best practices and how to mitigate the challenges and issues plaguing the development of

the financial inclusion.

On a nationalist movement
against the 1905 partition of
Bengal.
The Agony And The Ecstasy
Penguin Books India
This is the first definitive
biography of arguably India's
most influential and powerful
civil servant: P.N. Haksar,
Indira Gandhi's alter ego
during her period of glory.
Educated in the sciences and
trained in law, Haksar was a
diplomat by profession and a
communist-turned-democratic
socialist by conviction. He had
known Indira Gandhi from their
student days in London in the
late-1930s, even though family
links predated this friendship.
They kept in touch, and in May
1967, she plucked him out of
his diplomatic career and
appointed him secretary in the
prime minister's Secretariat.
This is when he emerged as
her ideological beacon and
moral compass, playing a
pivotal role in her much-
heralded achievements
including the nationalization of
banks, abolition of privy
purses and princely privileges,
the Indo-Soviet Treaty, the
creation of Bangladesh,
rapprochement with Sheikh
Abdullah, the Simla and New
Delhi Agreements with
Pakistan, the emergence of
the country as an agricultural,
space and nuclear power and,
later, the integration of Sikkim
with India. This power and
influence notwithstanding,
Haksar chose to walk away
from Indira Gandhi in January
1973. She, however,

persuaded him to soon return,
first as her special envoy and
later as deputy chairman of the
Planning Commission where
he left his distinctive imprint.
Exiting government once and
for all in May 1977, he then
continued to be associated
with a number of academic
institutions and became the
patron for various national
causes like protecting India's
secular traditions, propagating
of a scientific temper,
strengthening the public sector
and deepening technological
self-reliance. Successive prime
ministers sought his counsel
and in May 1987, he initiated
the reconstruction of India's
relations with China. He
remained an unrepentant
Marxist and one of India's
most respected elder
statesman and leading public
figures till his death in
November 1998. Drawing on
Haksar's extensive archives of
official papers, memos, notes
and letters, Jairam Ramesh
presents a compelling
chronicle of the life and times
of a truly remarkable
personality who decisively
shaped the nation's political
and economic history in the
1960s and 1970s that
continues to have relevance for
today's India as well. Written
in Ramesh's inimitable style,
this work of formidable
scholarship brings to life a man
who is fast becoming a victim
of collective amnesia.

Islam represents more than
1.6 billion believers worldwide.
Thereby it is the second

largest religion behind
Christians. But there are many
reservations and prejudices
with regard to this belief in
particular in the western world.
Because of that the famous
author James A. Michener
(1907-1997) wrote the
following text already in 1955.
Trying to understand the
characteristics of Islam is today
more topical than ever. This
booklet, getting for yourself or
giving as a present, is suitable
to start in this way, that you will
be able to know the origin and
nature of Islam.
Islam All India
Radio, Bombay
These writings, by Nome,
are an offering to Lord Siva,
to Sadguru Ramana, and to
all sages of the lineage of
Advaita Vedanta. Upon
reading this little book, the
reader immediately will
recognize that he or she is
reading writings of both a
devotional nature and
writings expressive of
jnana—Knowledge. This is
Parabhakti—supreme
devotion. The first part of
this book is in seven
chapters. The reader will
note subtle differences
among the chapters. The
first and second chapters
describe bhakti (devotion),
while the third chapter
describes the experience of
the bhakta (devotee). The
fourth chapter takes the
bhakta deeper into jnana
through the relationship with
the Guru, while the fifth
chapter speaks of

continuous, absorbing devotion to God and Guru. The sixth describes the practice of the bhakta and the spiritual activities and attitudes with which a bhakta infuses his or her life, and the seventh describes absorption, through bhakti, in jnana. The second part of this book is in six chapters consisting of a collection of poetry: Chapter I, Namah Sivaya, presents short verses praising Lord Siva, while simultaneously expressing Knowledge of the Lord. Chapter II, In Praise of the One Like Space, is a poem that is descriptive of Absolute Being and praising that Absolute. Chapter III, Realize the One Like Space, is composed of verses that pose questions that, if asked, guide the bhakta to realize the One like space. Chapter IV, Space of Grace, is a set of verses descriptive of the One like space—a description of Grace. Chapter V, Within the One Like Space, features verses describing the experience of the space that is the One Absolute. Chapter VI, Gracious Inquiry, appears as both a solicitation for Grace and also Knowledge of the ever-presence of Grace through inquiry. If a person practices pure, ego-less jnana, bhakti is unavoidable. On the other hand, if a person practices

pure, ego-less bhakti, jnana is surely inevitable. The glorious, lofty heights of devotion and Knowledge are expressed here in this little book, and the sages assure us that the identical experience is available to all. It is sincerely hoped that the reader experiences the vastness of parabhakti while deeply meditating on these writings and remains absorbed therein. To abide unmoving, without giving rise to illusion, free of attachment to the transient unreality, desireless and fearless, absorbed by the power of devotion that gives birth to Knowledge, in That, as That, is bhakti. ~ from the book Parabhakti The Swadeshi Movement in Bengal: 1903-1908 Simon and Schuster One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally

driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like Johny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and Razia Sultan. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly

lived life on her own terms. A History of Indian Logic (ancient, Mediæval and Modern Schools.) Arun Joshi

You know those stories where an adorably misunderstood clumsy girl needs a fake date to a wedding so she asks her brother's best friend and they accidentally fall in love? I wish that was the kind of life I lead, but it's not. I don't need a date to a wedding. I need a date to a funeral. Clumsy sometimes fits, but then, that's true for all of us, right? But adorable? No. Misunderstood? Nope again. I'm just your average girl, standing in front of a funeral invitation, asking it to be a winning lottery ticket instead. And I don't have a brother, or a best friend with a brother available, which means I'm stuck with Tyler Jaeger. Sure, he's a professional hockey player who also knows advanced calculus, but let's say we're not compatible and leave it at that. I should know. I am a matchmaker. Not a very good one, but that's beside the point. I know a mismatch when I see one. Still, Tyler's what I've got, and I am not going to this funeral solo, so he's what I'll take. After all-what could go wrong at a funeral? I Pucking Love You is a

hilariously wrong romantic comedy about the world's worst matchmaker, a hockey player with a problem he doesn't want to talk about, and an awkward date-of-convenience that everyone would prefer to forget. It comes complete with a cat working his way through his nine lives, all the sexy times, fish and chips, and a swoony happily-ever-after.

2 States: The Story of My Marriage (Movie Tie-In Edition) Univ of California Press

Sikhism traces its beginnings to Guru Nanak, who was born in 1469 and died in 1538 or 1539. With the life of Guru Nanak the account of the Sikh faith begins, all Sikhs acknowledging him as their founder. Sikhism has long been a little-understood religion and until recently they resided almost exclusively in northwest India. Today the total number of Sikhs is approximately twenty million worldwide. About a million live outside India, constituting a significant minority in the United Kingdom, Canada, and the United States. Many of them are highly visible, particularly the men, who wear beards and turbans, and they naturally attract attention in their new countries of domicile. This

third edition of Historical Dictionary of Sikhism covers its history through a chronology, an introductory essay, and an extensive bibliography. The dictionary section has over 1000 cross-referenced entries on key persons, organizations, the principles, precepts and practices of the religion as well as the history, culture and social arrangements. This book is an excellent access point for students, researchers, and anyone wanting to know more about Sikhism.
