She burst into
uncontrollable sobs.
And he let her get it
out, wanting to
reach out and
embrace her, hold
her but daring to
interrupt the flood
of raw emotion now
being released
through so many
tears. She cried like a
little helpless baby
until he had no
choice but to hold
her. And when he
took her into his
arms where he could
feel her body close
to his, he was falling
backwards through
the memories of
their romance... His
career was the

perfect American
tragedy, layered by
those darker images
reflected in the
shadows of the
invisible black man.
He was that rare
commodity and
commercial
powerhouse with
artistic value and
street credibility. His
rapid ascent to fame
came actually from
the dark side of the
American dream,
which afforded him a
chance to develop a
reputation and image
that made him one of
Detroit ' s most
infamous
personalities. He was
living the hustler ' s
life through the
poetry of his art.
Outside the walls of
the biggest walled
prison in the world,
he stood in the

broken sunlight and
took council with
himself, a man
consciously trying to
decide what course
to follow... Strange
Fruit is that broken
memoir that
imagines a journey
through the mind
and madness of a
starving artist trying
to reconcile sins of a
generational curse.
Success would be the
better revenge. He
was well aware of the
contradictions in his
lifestyle. Society
wouldn ' t let him
forget.
Determination
couldn ' t be
disenfranchised.
Donavon Taylor was
raised in the trashy
back alleys of Detroit
and the systematic
racism of old, at a
time police were

killing unarmed black republicans were people on video and getting away with state sponsored murder. He was a diamond in the dirt. He had no real choice but to fight against his own character flaws and survive both the sacred and the profane. He was a native son of the city. He was Detroit everyday... He was an artist who hustled all his life through the poetry of being black in a day and time when being black meant you had to march and protest for Black Lives to Matter. He was forced to be humble and stand on the front lines fighting injustice and inequality. Trump losing the culture battle while unresolved grievances and bitterness revealed itself through America ' s painful politics: voter suppression, police violence, mass shootings and the rise of right wing militant hate groups. QAnon supporters were living their American dream in the cult of an alternate universe quarantined in a bubble of lies and conspiracy theories. Donny was forced to deal with the drama of being the black antagonist in a global pandemic while America stare into the abyss of insurrection, old Jim

Crow antics and ghosts of the Confederacy.
Fuel Magazine J. A. Wallace Publisher, LLC
A Kate Cavanaugh and Renato Lopez adventure: Private investigator, Kate Cavanaugh is asked to investigate the murder of a young woman found dead, floating in an inlet near Caye Isle, Florida. "A cleverly plotted murder/mystery with a big dollop of sexy romance."

Turn Right at Machu Picchu Penguin

THE NEW YORK TIMES
BESTSELLING
TRAVEL MEMOIR

What happens when an unadventurous adventure writer tries to re-create the original expedition to Machu Picchu? In 1911, Hiram Bingham III climbed into the Andes Mountains of Peru and “discovered” Machu Picchu. While

history has recast Bingham as a villain who stole both priceless artifacts and credit for finding the great archeological site, Mark Adams set out to retrace the explorer’s perilous path in search of the truth—except he’d written about adventure far more than he’d actually lived it. In fact, he’d never even slept in a tent. Turn Right at Machu Picchu is Adams’ fascinating and funny account of his journey through some of the world’s most majestic, historic, and remote landscapes guided only by a hard-as-nails Australian survivalist and one nagging question: Just what was Machu Picchu?
