In this video, I will show you how to install PS3 games in super slim OFW 4.81 without Jailbreak no Multiman. In my last video, I share with you many ways to inject PS3 games on OFW even 4.81. But ...

Multiman Beginner Guide
Just read the guide I linked, at the top of the guide you have "installation" chapter and link to BDEMU V2, and explanation to install it. You don't have to create anything manually. multiMAN is doing all the copying/joining/caching function by itself. Just run the game, multiMAN will check if the game need to be cached.

PS3 Buying Guide & Favorite Games
then, in multiMAN, enable PSF/NTFS driver to read the NTFS HDD and list the files on it. Select the movie from multiMAN, it will copy/stream the file on the internal 2GB cache HDD of the PS3, and launch the integrated ShowTime to play the file from the internal cached HDD.

Beginners Guide for Jailbreaking your PS3! Part 1
If you look on this Wiki, it's marked as "Internal only". In the guide I wrote this about Disgaea 3: Disgaea 3 Absence of Justice: This game needed an update from the debug-psn to get a non signed eboot. I don't know if the debug version is still needed now the we have eboot_mod tool, but the "fix" installation package can be found on torrent websites, disgaea3_2.30_by_segata.

Heres a great video from elsewhere that provides you with an comprehensive look at multiman on the PS3. It demonstrates the newest release of Multiman and covers each of the features now built ...
