While some try to get out of prison, Soapy, the only character in O. Henry 's short story, tries to get into it. Soapy is a homeless guy who prefers the warm cell to the cold night under the New York sky. He does everything he can think of in order to draw the attention of the police. However without any success. Until he hears a magical organ anthem. How will this story develop? Will Soapy manage to get into jail or he will find another way to sort out his life? "The Cop and the Anthem" is a comical short story with a touch of irony which emphatically presents the lower class and the obstacles man has to face. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections, among the most famous being "Cabbages and Kings", "The Voice of the City", and "Strictly Business." As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

“What the Communist Manifesto is to the capitalist world, Annihilation of Caste is to India.” —Anand

Teltumbde, author of *The Persistence of Caste* The classic work of Indian Dalit politics, reframed with an extensive introduction by Arundhati Roy B.R. Ambedkar's *Annihilation of Caste* is one of the most important, yet neglected, works of political writing from India. Written in 1936, it is an audacious denunciation of Hinduism and its caste system. Ambedkar – a figure like W.E.B. Du Bois – offers a scholarly critique of Hindu scriptures, scriptures that sanction a rigidly hierarchical and iniquitous social system. The world's best-known Hindu, Mahatma Gandhi, responded publicly to the provocation. The hatchet was never buried. Arundhati Roy introduces this extensively annotated edition of *Annihilation of Caste* in "The Doctor and the Saint," examining the persistence of caste in modern India, and how the conflict between Ambedkar and Gandhi continues to resonate. Roy takes us to the beginning of Gandhi's political career in South Africa, where his views on race, caste and imperialism were shaped. She tracks Ambedkar's emergence as a major political figure in the national movement, and shows how his scholarship and intelligence illuminated a political struggle beset by sectarianism and obscurantism. Roy breathes new life into Ambedkar's anti-caste utopia, and says that without a Dalit revolution, India will continue to be hobbled by systemic inequality.

Ten years ago, a fateful intersection of technology risk, and split second decisions claimed 290 lives when the USS VICENNES mistakenly shot down a commercial airliner over the Persian Gulf. In the aftermath of this tragedy, a revolutionary applied research programme known as TADMUS (Tactical Decision Making Under Stress) was launched. The TADMUS

programme was devoted to developing and improving training and decision support technology in the US Navy. This volume documents the lessons learned from TADMUS - a programme of research driven by a common operational problem, based on a common theoretical framework, and employing a common methodology and task. The military has long been in the vanguard of using human factors research to increase the efficiency and reduce the danger of critical tasks. The abundant technical and operational accomplishments described here should be valuable to all front-line personnel in high-risk environments. General Intelligence and Test of Reasoning Ramesh Publishing House

"

Let Me Say it Now Penguin Group Focusing on politics and society in India, this book explores new areas enmeshed in the complex social, economic and political processes in the country. Linking the structural characteristics with the broader sociological context, the book emphasizes the strong influence of sociological issues on politics, such as social milieu shaping and the articulation of the political in day-to-day events. Political events are connected with the ever-changing social, economic and political processes in order to provide an analytical framework to explain ' peculiarities ' of Indian politics. Bidyut Chakrabarty argues that three major ideological influences of colonialism, nationalism and democracy have provided the foundational values of Indian politics. Structured thematically and chronologically, this work is a useful resource for students of political science, sociology and South Asian studies.
