"SO THE SIGN SAID is a humorous young adult fiction. The novel's main character, Jordan Klein, is a precocious seventeen-year-old New York City girl who cracks wise to deal with the world around her. Her mother, Rachel, is a litigator—sharp, refined, and always careful not to spill

her gin and tonic on the couch. Her father, Eli, is a professor of divinity, an unapologetic eccentric and, in Jordan's eyes, a dippy-doodling disaster. When he spontaneously agrees to pastor a church in podunk Texas for the summer, Jordan's world is turned upside down. It's not long before Jordan meets Knox, a gorgeous yet complicated mess, and Bliss, a fun-loving whimsical blonde. Through Knox and Bliss, Jordan discovers the best parts of her new summer home, including the quirky church

sign outside her bedroom window. The sign offers advice, provides pun-laden humor, and has an uncanny ability to predict the future—including hers." [The Buying Guide 2004](#)

BESTSELLING AUTHOR AND FAMILY HISTORIAN ELIZA WATSON! After inheriting her grandmother's cottage, Mags Murray moves from the States to rural Ireland to embark on a new life. Her odd seasonal jobs won't pay for the needed repairs on her home, so Mags is determined to become a full-time genealogist, following in her grandmother's footsteps. She starts by organizing a DNA support group that encourages

members to share research tips and provide moral support to frustrated family historians. Mags soon lands her first client, but not the kind she'd expected. A group member, Aidan, hires Mags to find a stolen family heirloom—a valuable unpublished manuscript written by a famous Irish author. Shortly after hiring her, Aidan also turns up missing. His brother hires Mags and her sidekick, Biddy, to find both Aidan and the manuscript. He

guarantees them a cut of the manuscript's sale price. Rather than spending the money on an exotic trip as she would have in the past, Mags dreams of buying a shiny new riding lawn mower and a fuel tank. Will the money they stand to make be worth the risk of uncovering a dark family secret and chasing down forgers, an ex-con, and other dodgy suspects?

In this standalone follow-up to an Edgar winner's acclaimed debut novel, Murray Kiefer is a boy who lives in a cemetery and can talk with those buried beneath the tombstones. He'd rather no one knew, but word got out once he helped solve a fellow student's murder. Now people think he's nuts, or want to use his ability for their own ends, or don't care that he might not want to get tangled

in another police investigation all over again. But there's been a brutal killing--maybe more than one--and Murray may be able to help unravel the crime, although not without risking his own life, and those of the only friends he has.

Meet a genuine American folk hero cut from the homespun cloth of America's heartland: Sam Walton, who parlayed a single dime store in a hardscrabble cotton town into Wal-Mart, the largest retailer in the world. The undisputed merchant king of the late twentieth century, Sam never lost the common touch. Here, finally, inimitable words. Genuinely modest, but always sure of his ambitions and achievements. Sam shares his thinking in a candid,

straight-from-the-shoulder style. In a story rich with anecdotes and the "rules of the road" of both Main Street and Wall Street, Sam Walton chronicles the inspiration, heart, and optimism that propelled him to lasso the American Dream.
