Early Years CPD Training and Consultancy - Music and Movement

Music and Movement was set up in Hexham in 1979 by Alice Emmerson, after placing an advert in the local newspaper, the Hexham Courant. She recalled at the most recent anniversary celebration "We started in my front room with just a handful of children and never thought that the group would still be going strong 40 years later, continuing to provide the same mix of music and dance in a fun way ...

Music and Movement: A Way of Life for the Young Child ...

Providing music and movement strengthens the following skills: Physical development; Listening; Social and emotional; Language and communication; Creativity; Children love to move. In fact, if we are having an "extra wiggly day", I will grab some instruments, turn on our favorite music, and get the children moving. I've also found that music is a great way to get quieter children involved.

Early Learning Goals - Music + Movement

Music and Movement is a way of teaching the whole child: Mental Physical Emotional Social As children improve vocabulary and language comprehension they also improve movement skills, developing coordination,

balance, strength and endurance. In this way, children are learning to move and moving to learn at the same time.

Music and Movement Activities for Toddlers and Preschoolers

The usual way is for a song to be sung or recorded music to be played to which the children are then invited to move. The movements are often suggested to them by the practitioner and the children required to 'fit' their movements to the music they hear.

Movement & Music

Movement and Music is a different way to increase activity for people with dementia because it empowers Care Home Staff to do their best work. Unlike freelance instructors or activity suppliers who sell timeslots, Movement and Music trains staff to deliver safe and effective mobility sessions which are designed with dementia in mind.
