(Book). Making it in music has never been easy, but today it's harder than ever before. The digital age has dawned and, with it, the music biz has wholly merged with the entertainment industry. Up-and-comers are immediately faced with a dire choice: alter your art to appease the powers that be or learn to navigate the notoriously grimy underside of the most glamorous profession in the world. Whether you're a self-reliant DIY musician or an aspiring personal manager, Stephen Marcone and David Philp's *Managing Your Band Artist Management: The Ultimate Responsibility* can help you keep your shirt and maybe just maybe make a buck, all for less than the price of a decent dinner. Now in its sixth edition, *Managing Your Band* has long since been the standard bearer for aspirants and hardened vets alike. From dive bars to festivals, from branding and merchandising to marketing and publicity, from publishing and licensing to rights and contracts, Marcone and Philp leave no stone unturned in this comprehensive guide to artist management. A lofty claim, eh? No need to take our word for it luminaries in every corner of the industry are willing to testify. To put it mildly, the book has a reputation

with record labels. John Butler, Vice President of Promotion at Curb, believes that "Marcone and Philp take on our ever-changing business with a fresh and complete approach. The breadth of information here is as important to veterans as it is to the new entrepreneurs that will power the current and next versions of the music industry." Paul Sinclair, the EVP of Digital Strategy & Innovation at Atlantic, attests that "the 6th edition of *Managing Your Band* provides an excellent blueprint to follow paths of flexibility and specificity toward a successful career in music. In this book, you find the framework. Implement it well and you have a better shot of finding success with your musical art." Joe Riccitelli, the EVP/GM of RCA, considers the book "a must for new and established managers who may need a brush-up on topics they have forgotten," as "Stephen's & David's vast experience pays off in the 6th edition." Hell, this is "the only book" music mogul Harvey Leeds "took to Israel to teach the Israelis about the international music and entertainment business!" In the end, we think Doc McGhee, the man who whisked Bon Jovi and Motley Crue to superstardom, says it best: "I wish I had

something like this when I was starting out!" What more can we say? Pick up the latest edition of *Managing Your Band* and chase that wild dream!

Grove's Dictionary of Music and Musicians Scarecrow Press

This essential and highly acclaimed guide, now updated and revised in its sixth edition, explains the business of the British music industry. Drawing on her extensive experience as a media lawyer, Ann Harrison offers a unique, expert opinion on the deals, the contracts and the business as a whole. She examines in detail the changing face of the music industry and provides absorbing and up-to-date case studies. Whether you're a recording artist, songwriter, music business manager, industry executive, publisher, journalist, media student, accountant or lawyer, this practical and comprehensive guide is indispensable reading. Fully revised and updated. Includes: The current types of record and publishing deals, and what you can expect to see in the

contracts A guide to making a record, manufacture, distribution, branding, marketing, merchandising, sponsorship, band arrangements and touring The most up-to-date information on copyright law and related rights An in-depth look at digital downloads, streaming, online marketing and piracy Case studies illustrating key developments and legal jargon explained.

Etude Lorenz Educational Press

A history of American music, its diversity, and the cultural influences that helped it develop.

The Musical Herald and Tonic Sol-fa Reporter Princeton Review

Includes music.

THE EDUCATIONAL TIMES

John D. White's comprehensive approach to music education is updated here in the second edition of *Guidelines for College Teaching of Music Theory*. The text demonstrates presentation styles for developing aural, keyboard, and writing skills as well as examining the theoretical and pedagogical conventions of musical education. Twenty years after the publication of the first edition, this revised

second edition responds to the new trends in pedagogical study, highlights the transcendence of the canon by international music styles and popular music, and takes a fresh look at the current state of American academia. Features an additional chapter by William E. Lake on the benefits of technology in the classroom.

The Musical Standard

This collection will help you teach music basics whether you have a music degree or no formal music training. Students will practice their listening skills, identify musical notation and terms, recognize instruments, and more! Reinforce lessons from other subjects with cross-curricular elements, or adapt the activities to include new material. Mix and match whole-class, group, and individual activities to give your students a variety of ways to learn music basics.
