## **Fly-Fishing Knots** Sportsman's Connection

Newly updated for 2016, the Southern Minnesota Fishing Map Guide is a thorough, easy-to-use collection of detailed contour lake maps, fish stocking and survey data, and the best fishing spots and tips from area experts. Fishing maps, detailed area road maps and exhaustive fishing information for lakes and streams in Southern Minnesota are provided in this handy eBook. Over 150 publicly accessible lakes in Southern Minnesota counties are included, plus extensive coverage on fishing the Mississippi River, southeastern Minnesota trout streams and other stream fisheries in the region. This guide provides everything you need to fish the entire region with comprehensive information that you just can't get from an app or chip. Whether you're fishing for big crappies on Lac Qui Parle Lake, walleyes on Madison Lake, a mixed bag on Lake Pepin or trout in southeastern Minnesota streams, you'll find all the information you need to enjoy a successful day out on the water on one of the region's many excellent fisheries. Know your waters. Catch more fish with the Southern Minnesota Fishing Map Guide.

## **Figure Eight Feet Wet Writing**

Covering everything from selecting specialized tackle and flies to casting strategy, this definitive guide explores how to successfully fly fish for the elusive muskie. Fly fishermen discover how to turn frustrating follows into explosive strikes--no easy task as the infamously aggressive fish is tough to fool with any kind of gear, especially a fly rod and feathered hook. Both educational and inspiring, this handbook explores introductory and advanced techniques, the typical behavior of this violent freshwater fish, seasonal strategies, specialized tackle and fly patterns, and fly fishing basics. Exclusive interviews with top fishing guides and information on the best locations for catching muskie on the fly are also included.

*Alexandria Area & West Central Minnesota Fishing Map Guide* Wilderness Adventures Press  
From kyped brown trout, lake-dwelling rainbow and brook trout and crazy numbers of smallmouth bass and native sea-run and inland cutthroat to spawning-bound salmon and the hallowed wild and native steelhead, Oregon is the place for great flyfishing. Gary Weber's all-new Flyfisher's Guide to Oregon details these outstanding fishing opportunities like no other guidebook on the market. Weber covers the hot spots and lesser known fisheries with personal

experiences, history, effective techniques for both trout and anadromous species, appropriate gear and flies, access points, nearby fly shops, and much more. His stunning visuals paint the full picture of the fishing in this gorgeous state. From mainstays like the Owyhee, Deschutes, North Umpqua and Sandy rivers to lesser known jewels like the Malheur and John Day rivers, Weber has put in the river-time so that you can get down to business. Many more tributaries, lakes and reservoirs are covered. Weber is a veteran Oregon writer who has covered the state's flyfishing opportunities for years. This book comes standard with Wilderness Adventures Press' precise and detailed full-color maps, with GPS coordinates for all access points, boat ramps, and parking areas, along with access roads, public land and more. As Lefty once said: "If someone can't find locations from these maps - they need to stay home." Whether you're an Oregon lifer or new to the state, get an edge with this all-new guidebook.

## **The Orvis Guide to Muskies on the Fly** Author House

In this completely updated and expanded second edition, veteran anglers Jim Humphrey and Bill Shogren have added information on dozens of new streams. The authors describe their native trout waters with an evocative sense of place and anecdotes that convey not only the details but also the experience an angler can expect.

## **Northern Pike and Muskie Stackpole Books**

Anyone can fill their tackle box with quality lures and probably catch fish when the fishing is good. But the person who takes the time to learn a few facts about the fish that he is angling for and knows how to use this knowledge in a variety of situations and on unfamiliar lakes, will be the person who catches fish when others don't. From simple monofilament lures for Walleye, to deadly in-line wire spinners for Northern Pike; Walleye & Northern Pike will not only walk you through the steps enabling you to produce your own quality tackle at a fraction of the cost of retail but will give you tips and info on when and why to use certain sizes and colors. If the only thing you learn from this book is to choose your spinner baits with reference to the time of day, the water clarity or overcast conditions, your success on the water will improve immensely. Its nice to be able to produce spinner baits below retail cost, but if you don't know why or when to use certain ones, your ability to catch fish will be greatly dependent on luck

## **Before I Forget--** Stackpole Books

Third edition - revised and updated. Comprehensive guide to the waters of Minnesota.

**A Fly Rod of Your Own** Gower Publishing Company, Limited  
Advanced tight line nymphing tactics, including Czech, Polish, French, Spanish, and American techniques.

**Dynamic Nymphing** Sportsman's Connection

"After five decades, twenty books, and countless columns, [John Gierach] is still a master," (Forbes) and his newest book only confirms this assessment, along with his recent induction into the Flyfishing Hall of Fame. In *A Fly Rod of Your Own*, Gierach brings his ever-sharp sense of humor and keen eye for observation to the fishing life and, for that matter, life in general. Known for his witty, trenchant observations about fly-fishing, Gierach's "deceptively laconic prose masks an accomplished storyteller...his alert and slightly off-kilter observations place him in the general neighborhood of Mark Twain and James Thurber" (Publishers Weekly). *A Fly Rod of Your Own* transports readers to streams and rivers from Maine to Montana, and as always, Gierach's fishing trips become the inspiration for his pointed observations on everything from the psychology of fishing ("Fishing is still an oddly passive-aggressive business that depends on the prey being the aggressor"); why even the most veteran fisherman will muffle his cast whenever he's being filmed or photographed; the inevitable accumulation of more gear than one could ever need ("Nature abhors an empty pocket. So does the tackle industry"); or the qualities shared by the best guides ("the generosity of a teacher, the craftiness of a psychiatrist, and the enthusiasm of a cheerleader with a kind of Vulcan detachment"). As Gierach likes to say, "fly-fishing is a continuous process that you learn to love for its own sake. Those who fish already get it, and those who don't couldn't care less, so don't waste your breath on someone who doesn't fish." *A Fly Rod of Your Own* is an ode to those who fish that "brings a skeptical, wry voice to the peril and promise of twenty-first-century fishing" (Booklist).

#### **Notebook Planner Musky Fishing Minnesota Wilderness** Adventures Press

Newly updated for 2016, the *Alexandria Area & West Central Minnesota Fishing Map Guide* is a thorough, easy-to-use collection of detailed contour lake maps, fish stocking and survey data, and the best fishing spots and tips from area experts. #### **Flyfisher's Guide to Oregon** Sportsman's Connection

Steelhead flies represent the highest echelon of artistic fly-dressing. They enjoy a rich tradition as both a functionally designed lure for tempting the much-revered steelhead, but also as a creative expression of the aesthetic appeal of fly angling. John Shewey, author of the acclaimed *Spey Flies & Dee Flies*, has produced another well-written and researched book, rich in technique, method and innovation. Through concise text and

hundreds of sharp, color photographs--including step-by-step and artistic individual fly plates--Shewey covers: materials for steelhead flies; basic tying techniques; hairwing and featherwing flies; Spey and Dee styles; Practitioners, shrimp and prawn patterns; dry flies and much more. This book is a must-have for all steelhead fly-fishermen.

#### *Advanced Fly Fishing for Great Lakes Steelhead* Bookhouse Fulfillment

"The most innovative fly tier I have ever known." --Lefty Kreh on Bob Popovics "Bob Popovics has brought more creative ideas to the table in the last two decades than any other tier out there." --Dan Blanton This is the first and only book available on the tier whose techniques with epoxy and silicone revolutionized saltwater fly tying. The family of flies Bob Popovics developed over the last three decades (dubbed "Pop Fleyes," a spelling that incorporates part of his last name with the fact that eyes are a prominent feature in their design) have proven devastatingly effective for stripers, bluefish, false albacore, and many more species. This book goes beyond the basic recipe format to provide the thinking behind Popovics's pattern development, a guide to key tying techniques, and detailed notes on how to fish Pop Fleyes most effectively.

#### *Duluth-Superior Harbor* Simon and Schuster

For generations, the Ojibwe bands of northern Wisconsin have spearfished spawning walleyed pike in the springtime. The bands reserved hunting, fishing, and gathering rights on the lands that would become the northern third of Wisconsin in treaties signed with the federal government in 1837, 1842, and 1854. Those rights, however, would be ignored by the state of Wisconsin for more than a century. When a federal appeals court in 1983 upheld the bands' off-reservation rights, a deep and far-reaching conflict erupted between the Ojibwe bands and some of their non-Native neighbors. Starting in the mid-1980s, protesters and supporters flocked to the boat landings of lakes being spearfished; Ojibwe spearfisher-men were threatened, stoned, and shot at. Peace and protest rallies, marches, and ceremonies galvanized and rocked the local communities and reservations, and individuals and organizations from across the country poured into northern Wisconsin to take sides in the spearfishing dispute. From the front lines on lakes to tense, behind-the-scenes maneuvering on and off reservations, *The Walleye War* tells the riveting story of the spearfishing conflict, drawing on the experiences and perspectives of the members of the Lac du Flambeau reservation and an anthropologist who accompanied them on spearfishing expeditions. We learn of the historical roots and cultural significance of spearfishing and off-reservation treaty rights and we see why many modern Ojibwes and non-Natives view them in profoundly different ways. We also come to understand why the Flambeau tribal council and some tribal members disagreed with the spearfishermen and pursued a policy of negotiation with the state to lease the off-reservation treaty rights for fifty million dollars. Fought with rocks and metaphors, *The Walleye War* is the story of a Native

people's struggle for dignity, identity, and self-preservation in the modern world.

**Flyfisher's Guide to Minnesota** Cool Springs Press

Smallmouth bass swim in more streams, rivers, lakes, and reservoirs than any other gamefish, and exceptional, world-class fishing opportunities for them are found across the country, from the John Day River in Oregon to the Great Lakes, to Maine's Penobscot. While numerous books have been written on smallmouth, this is the first book to cover the cutting edge techniques and fly patterns being used by some of the country's top fly fishing guides. Though most of these flies and techniques have been developed and refined in the rivers and lakes of the Midwest (a hotbed of smallmouth fly fishing) anglers can adapt them for their waters. Cutting edge fly patterns for smallmouth, including full color plates and recipes, as well as new techniques for fishing these patterns A "tips" section from various guides, both old school and new, including Luke Kavajecz, Kyle Zempel, Austin Adduci, Kip Vieth, and Bart Landwehr Covers smallmouth bass essentials including biology, behavior, and where to find trophy bass Interviews with Mike Schultz, Lefty Kreh, Chuck Kraft, and Larry Dahlberg

**Walleye & Northern Pike** Sportsman's Connection

This 3rd edition of A Compendium of Muskie Angling History, Volume I is like reading a murder mystery, with some strange twists of fate, where you know who did it but you don't know how and you just have to find out! Finally, the complete truth of muskie angling world record history is revealed for the first time and past revisionist history corrected. There is a gaggle of historic photographs within, including many new photographs never before published. A must read for muskie junkies and fish historians everywhere.

**Steelhead Flies** Rowman & Littlefield
