Praise for Morningstar Guide to Mutual Funds "Picking actively managed mutual funds is no mean challenge. And as the recent era underscores, past performance is of little help. The Morningstar Guide to Mutual Funds helps cut through the fog with a solid volume of constructive advice. The central message-'truly diversify, keep it simple, focus on costs, and stick with it'-is not only timeless, it is priceless." -John C. Bogle, founder and former CEO, The Vanguard Group "There's nothing Morningstar doesn't know about mutual funds. And at last, for ready reference, there's a book. You'll find everything here you need to know about managing fund investments, inside or outside a 401(k)." -Jane Bryant Quinn, Newsweek columnist and author of Making the Most of Your Money "All serious mutual fund investors know that Morningstar is the source of impeccable data and sound investment advice. This book is the culmination of nearly two decades of research, analysis, and good old commonsense wisdom." -Tyler Mathisen, financial journalist, CNBC "Momentum investing, the hype in NASDAQ, the dot-com mania are mostly behind us. Now, we must navigate through the market debris. We need a compass as we look to allocate our financial resources in a way best suited to maintain purchasing power and fully fund retirement. The Morningstar Guide will help investors find true north and steer a course to reach their long-term financial goals." -Mario J. Gabelli, Chief Investment Officer Gabelli Asset Management, a publicly traded company "A generation of investors who took the stock market for granted now know how important it is to understand-and control-their own investments. The Morningstar Guide should be their most important resource." -Terry Savage, Chicago Sun-Times financial columnist and author of The Savage Truth on Money

to do. Here is everything the aspiring investor needs to get started, including mutual fund fundamentals—their different types, fees, and taxes—as well as how to construct one's portfolio and choose the best fund manager. —From a seasoned financial writer —Pocket-sized format for quick reference

Beginners Guide To Mutual Funds Lightbulb Press, Inc.

"The Mutual Fund Industry Handbook is a remarkably important work . . . I am profoundly impressed by the broad and comprehensive sweep of information and knowledge that this book makes available to industry participants, college and business school students, and anyone else with a serious interest in this industry." -- From the Foreword by John C. Bogle President, Bogle Financial Markets Research Center Founder and former chief executive, The Vanguard Group A Foreword by John C. Bogle, founder of The Vanguard Group and one of the most respected leaders in the mutual fund industry, sets the stage for this authoritative book that explains the complexities of the phenomenal industry in simple terms. Investors like the fact that mutual funds offer professional management, easy diversification, liquidity, convenience, a wide range of investment choices, and regulatory protection. Mutual Fund Industry Handbook touches on all of those features and focuses on the diverse functions performed in the day-to-day operations of the mutual fund industry. You'll learn about: Front-office functions—analysis, buying, and selling. Back-office functions, including settlement, custody, accounting, and reporting. Commission structures—front-end loads, back-end loads, or level loads. The various fund categories used by the Investment Company Institute, Morningstar, and Lipper. The roles played by fund managers, investment advisors, custodial banks, distributors, transfer agents, and other third-party service providers. If you want a definitive reference on the mutual fund industry, this is the book for you.
