Scholastic Inc.

When Sam Meeker leaves his home in Redding, Connecticut, a town loyal to the king, to fight with the rebel army, he places his family in a very difficult position.

Challenging Our Freedom to Read  
Teacher Created Materials

This blistering novel—from the

bestselling, Pulitzer Prize – winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed Border Trilogy. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law – in the person of aging, disillusioned Sheriff Bell – can contain. As Moss tries to evade his

---

pursuers – in particular a mysterious mastermind who flips coins for human lives – McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning ' s headlines. *No Country for Old Men* is a triumph.

A True Story of Adventure, Heroism & Treachery Turtleback Books

Struggling readers frequently lack basic reading skills and are not equipped with the prior knowledge and reading strategies to thoroughly engage in the classroom literature experience. Give your students the background and support they need to understand and enjoy literature. ## The Notorious Benedict Arnold Saddleback

Educational Publishing

Fifteen-year-old Ben Buck and his family spent four years clearing the wilderness to build a new home in Pennsylvania.

They fought the Indians and the British, and they made sacrifices most people wouldn't have been strong enough to make, all so they could be independent and free. Now someone's trying to take everything away from them-their land, their home, even Ben's best friend, Joe. But the Bucks won't give up without a fight, and Ben knows his family will have to win a war to stay free. But what he doesn't know is that wars sometimes last a very long time. And even if you win in the end, you can lose almost everything along the way.

A Novel Crown

Justin Conkey was too young to fight in the Revolution of 1776, but now it is 1787 and he is fourteen. Justin is ready to fight, even if he has only his father's old sword to protect him. But once on the battlefield, war is not what he expected. It is

---

dangerous and frightening and nothing makes sense. Throughout a particularly bitter winter the young man is desperate to prove that he too can be a hero-not realizing that many times heroes turn out to be just ordinary people caught up in extraordinary events, who do what comes naturally to save others regardless of risk to themselves. Insisting on joining General Daniel Shays' group of Regulators, he lies about his age and marches with the group throughout New England. But war puts friendships and political convictions to the test.

A NEW YORK TIMES BESTSELLER • The enthralling true story of the rise and reign of O-Six, the celebrated Yellowstone wolf, and the people who loved or feared her. Before men ruled the earth, there were wolves. Once abundant in North America, these majestic creatures were hunted to near extinction in the lower 48 states by the 1920s. But in recent decades, conservationists have brought wolves back to the Rockies,

---

igniting a battle over the very soul of the West. With novelistic detail, Nate Blakeslee tells the gripping story of one of these wolves, O-Six, a charismatic alpha female named for the year of her birth. Uncommonly powerful, with gray fur and faint black ovals around each eye, O-Six is a kind and merciful leader, a fiercely intelligent fighter, and a doting mother. She is beloved by wolf watchers, particularly renowned naturalist Rick McIntyre, and becomes something of a social media star, with followers around the world. But as she raises her pups and protects her pack, O-Six is challenged on all fronts: by hunters, who compete with wolves for the elk they both prize; by cattle ranchers who are losing livestock and have the ear of politicians; and by other Yellowstone wolves who are vying for control of the park ' s stunningly beautiful Lamar Valley. These forces collide in *American Wolf*, a riveting multigenerational saga of hardship and triumph that tells a larger story about the ongoing cultural clash in the West—between those fighting for a vanishing way of life and those committed to restoring one of the country ' s most iconic landscapes.

*My Brother Sam is Dead*, by James and Christopher Collier Teacher Created Materials

To some kids, Amelia's life sounds like the ultimate fantasy. She and her brothers are homeschooled by their adventurous parents, and the family travels around the country in an RV, scaling mountains, rappelling down canyons, and skiing down double black diamond slopes. There's just one problem-Amelia hates every minute of it. She's terrified of heights and would

---

give anything to be reading instead of careening down a mountain. She's also desperate for the chance to attend a regular school and make real friends. So when her parents decide to spend a year in Colorado, Amelia's delighted by the chance to settle down. However, starting at a conventional school is much harder than Amelia imagined, and her anxiety makes meeting new friends extra challenging. Everything about her feels wrong, from her clothes to her hobbies to her complete lack of pop culture knowledge. So when Amelia's given the chance to volunteer at an alpaca ranch, she's delighted by the chance to do something she's good at-take care of animals. And soon, the alpacas and their owners start to feel like real friends. But when a cruel classmate's prank puts the alpacas in mortal peril, Amelia will have to

summon strength she never knew she possessed to save the only place that's ever felt like home.
