Named in USA Today's "5 books not to miss," and New York Post's "The best new books to read" From New York Times bestselling author Eric Jerome Dickey—named one of USA Today's 100 Black Novelists and Fiction Authors You Should Read—comes his final work: an unflinchingly timely novel about history, hearts, and family. It's the summer of 2019, and Professor Pi Suleman is a Black man from Memphis with a lot to endure—not only as a Black man in Trump's America but in his hard-earned career as an adjunct professor. Pi is constantly forced to bite his tongue in the face of one of his tenured colleague's prejudices and microaggressions. At the same time, he's being blackmailed by a powerful professor who threatens to claim he has assaulted her, when in fact the truth is just the opposite, trapping him in a he-said-she-said with a white woman that, in this society, Pi knows he will never win. When he meets Gemma Buckingham, a sophisticated entrepreneur who has just moved to Memphis from London to escape a deep heartbreak, things begin to look up. Though Gemma and Pi hail from separate cultures, their differences fuel a fiery and passionate connection that just may consume them both. But Pi's whirlwind romance is interrupted when his absentee father, a celebrated writer, passes away and Pi is called to Los Angeles to both collect his inheritance and learn about the man who never acknowledged him. With the complicated legacy of his famous father to make sense of, Gemma's visa expiration date looming, and the threats of his colleague becoming increasingly intense, Pi must figure out who he is and what kind of man he will become in his father's shadow. In *The Son of Mr. Suleman*, Eric Jerome Dickey takes readers on a powerful journey exploring racism, colorism, life as a mixed-race person, sexual assault, microaggressions, truth and lies, cultural differences, politics, family legacies, perceptions, the impact of enslavement and Jim Crow, code-switching, the power of death, and the weight of love. It is an extraordinary story, page-turning and intense, and a book only Dickey could write.

Bestselling author Carolyn Jess-Cooke has written a brilliant novel of suspense that delves into the recesses of the human mind and soul—perfect for fans of Gillian Flynn and Lisa Unger. *The Boy Who Could See Demons* follows a child psychologist who comes up against a career-defining case—one that threatens to unravel her own painful past and jeopardizes the life of a boy who can see the impossible. Dr. Anya Molokova, a child psychiatrist, is called in to work at MacNeice House, an adolescent mental health treatment center. There she is told to observe and assess Alex Connolly, a keenly intelligent, sensitive ten-year-old coping with his mother ' s latest suicide attempt. Alex is in need of serious counseling: He has been harming himself and others, often during blackouts. At the root of his destructive behavior, Alex claims, is his imaginary " friend " Ruen, a cunning demon

who urges Alex to bend to his often violent will. But Anya has seen this kind of behavior before—with her own daughter, Poppy, who suffered from early-onset schizophrenia. Determined to help Alex out of his darkness, Anya begins to treat the child. But soon strange and alarming coincidences compel Anya to wonder: Is Alex's condition a cruel trick of the mind? Or is Ruen not so make-believe after all? The reality, it turns out, is more terrifying than anything she has ever encountered. Garnering a vast amount of attention from young people and parents, and from book buyers across the country, Smashed became a media sensation and a New York Times bestseller. Eye-opening and utterly gripping, Koren Zailckas's story is that of thousands of girls like her who are not alcoholics—yet—but who routinely use booze as a shortcut to courage and a stand-in for good judgment. With one stiff sip of Southern Comfort at the age of fourteen, Zailckas is initiated into the world of drinking. From then on, she will drink faithfully, fanatically. In high school, her experimentation will lead to a stomach pumping. In college, her excess will give way to a pattern of self-poisoning that will grow more destructive each year. At age twenty-two, Zailckas will wake up in an unfamiliar apartment in New York City, elbow her friend who is passed out next to her, and ask, "Where are we?" Smashed is a sober look at how she got there and, after years of blackouts and smashups, what it took for her to realize she had to stop drinking.
