hardships. Original. 40,000 first printing.  
[Tiny Beautiful Things](#) Immortal Divorce Court  
A wedding dress passed down through  
generations unravels the tangled threads of  
three women's lives in a novel of friendship,  
family, and forgiveness from the USA Today  
bestselling author of Ten Beach Road. Prized  
and stored away for safekeeping, the timeless  
ivory wedding dress, with its scooped neck and

cleverly fitted bodice, sits gently folded in its  
box, whispering of Happily Ever Afters. To  
Kendra, Brianna, and Lauren it's a reminder of  
what could have been, the promise of a fairy  
tale, and a friendship torn apart. But as Kendra  
knows firsthand: it wasn't the dress's fault.  
Once closer than sisters, Lauren and Bree have  
grown up and grown apart, allowing broken  
promises and unfulfilled dreams to destroy  
their friendship. A successful author, Lauren  
returns home to the Outer Banks, fiancé in tow,  
to claim the dress she never thought she'd  
wear. While Bree, a bookstore owner, grapples  
with the realities of life after you marry the  
handsome prince. As the former best friends  
wrestle with their uncertain futures, they are  
both certain of one thing: some betrayals can  
never be forgiven. Now on the eve of her  
daughter Lauren's wedding, Kendra struggles  
with a secret she's kept for far too long. And

vows to make sure the dress will finally bring Lauren and Bree back together—knowing they'll need each other to survive the coming storm. Unleash My Love Houghton Mifflin Harcourt I shoot war zones, not nuptials. But when my ex-wife lands a starring role in the wedding of the year, it's tempting to change things up a bit. Who's better than me to follow her around before and during the big day, capturing every picturesque moment, snapping every detail as they join together in wedlock? No one. Not to mention, she still owes me for destroying my prized vintage camera during our divorce. As the saying goes, revenge is a dish best served cold.

A Novel Singapore New Reading Technology Pte Ltd

**\*\*Now a USA Today Bestseller\*\*** If your ex arrives in your hometown eighteen months after you walked out on him while you were eight months pregnant, follow this short list of rules before you give him a second chance. Rule #1 - Don't stand in the way of your brothers who want to rough him up. Rule #2 - Don't meet him for coffee and agree to allow him to meet your daughter. Rule #3 - Don't drool when your daughter falls asleep on his chest for the first time. It's just your ovaries talking. Rule #4

- Don't let him hold your hand. While we're at it, no hugs, no kisses on the cheek... just no physical contact in general. That only leads to remembering better times. The last one is the most important... Rule #5 - When you find yourself needing someone's help and you're tired of always asking your family, don't let him be the one who's there for you. Because all those good qualities of his will suck you right back in and you'll have no chance of fighting your feelings, especially now that he's ready to be a father to your daughter.

Life After Hell: Reflections of a Bag Lady Createspace Independent Publishing Platform Meeting him was a fluke. Dating him was a mistake. Watching him become a drug addict put me through hell. Running was my only option. \*\*\* I'm running from my demons and when I find out she's trying to escape her past, I know what I have to do. One broken cop. One woman fighting for her life. A fragile love. Sinister secrets

that threaten to tear them apart. They've been to hell. The hard part will be finding their way back together. How U.S. Navy SEALs Lead and Win Vintage In this beautifully written and propulsive memoir, Huma Abedin—Hillary Clinton's famously private top aide and longtime adviser—emerges from the wings of American political history to take command of her own story. The daughter of Indian and Pakistani intellectuals and advocates who split their time between Saudi Arabia, the UK, and the United States, Abedin grew up in many worlds. Both/And grapples with family, legacy, identity, faith, marriage, and motherhood with wisdom and sophistication. Abedin launched full steam into a college internship in the office of the first lady in 1996, never imagining that her work at the White House would blossom into a career in public service, nor that the career would become an all-consuming way of life. Still in her twenties and thirties, she thrived in rooms with diplomats

---

and sovereigns, entrepreneurs and artists, philanthropists and activists, and witnessed many crucial moments in 21st-century American history—Camp David for urgent efforts at Middle East peace in the waning months of the Clinton administration, Ground Zero in the days after the 9/11 attacks, the inauguration of the first African American president of the United States, the convention floor when America nominated its first female presidential candidate. Abedin's relationship with Clinton has seen both women through extraordinary personal and professional highs, as well as unimaginable lows. Here, for the first time, is a deeply personal account of Hillary Clinton as mentor, confidante, and role model. Abedin cuts through caricature, rumor, and misinformation to reveal a crystal-clear portrait of Clinton as a brilliant and caring leader a steadfast friend, generous, funny, hardworking, and dedicated. Both/And is a candid and heartbreaking chronicle of Abedin's marriage to Anthony Weiner, what drew her to him, how

much she wanted to believe in him, the devastation wrought by his betrayals—and their shared love for their son. It is also a timeless story of a young woman with aspirations and ideals coming into her own in high-pressure jobs, and a testament to the potential for women in leadership to blaze a path forward while supporting those who follow in their footsteps. Both/And describes Abedin's journey through the opportunities and obstacles, the trials and triumphs, of a full and complex life. Abedin's compassion and courage, her resilience and grace, her work ethic and mission are an inspiration to people of all ages. "This journey has led me through exhilarating milestones and devastating setbacks," said Abedin. "I have walked both with great pride and in overwhelming shame. It is a life I am—more than anything—enormously grateful for and a story I look forward to sharing."

LLC

When Izzy shows up to theater

class, the last person she expects to see is her sister's ex-boyfriend Sebastian Rodgers. The whole school is buzzing about the reason for their breakup, but Izzy's more concerned he's now dating—or is it fake-dating?—her theater rival. How can she possibly shine on stage when the limelight is focused entirely on them? She needs this play to get over the foster father who abused her and her new self-harm habit. Sebastian might only be taking the class to graduate, but that doesn't give him an excuse to bomb auditions. They've been paired together. He's adamant that he doesn't want to be in Grease. And, worst of all, he and Izzy butt heads every step of the way. They'll have to learn to work together if they want the audition to be a success, and that's the

---

last thing Sebastian wants. The more time they spend together the harder it is to ignore the sparks flying between them. Sexual chemistry and hypnotic attraction are just a part of acting though. Izzy and Sebastian are only pretending. Right?

**A Swear Word Adult Coloring Book of 40 Funny, Relatable Breakup Insults** John Dies at the End

Moby Dick is a novel by American writer Herman Melville. The work is an epic sea story of Captain Ahab's voyage in pursuit of Moby Dick, a great white whale. A contemporary commercial failure and out of print at the time of the author's death in 1891, its reputation rose during the twentieth century. D.H. Lawrence called it "the greatest book of the sea ever written." Jorge Luis

Borges praised the style: "Unforgettable phrases abound." Today it is considered one of the Great American Novels and a leading work of American Romanticism. The opening line, "Call me Ishmael," is one of the most recognizable opening lines in Western literature. Ishmael then narrates the voyage of the whaleship Pequod, commanded by Captain Ahab. Ahab has one purpose: revenge on Moby Dick, a ferocious, enigmatic white whale which on a previous voyage destroyed Ahab's ship and severed his leg at the knee. The detailed and realistic descriptions of whale hunting and the process of extracting whale oil, as well as life aboard ship among a culturally diverse crew, are mixed with exploration of class and social status, good and evil, and the existence

of God. Melville uses a wide range of styles and literary devices ranging from lists and catalogs to Shakespearean stage directions, soliloquies, and asides.

To Hell and Back St. Martin's Press

Sirius Sinister keeps sleeping with the wrong women. And this time, it's led to his imprisonment in Hell. Literal Hell. Immortal vampire assassin Sirius Sinister has a healthy libido that constantly results in bad relationship decisions. But when he's served divorce papers by Bloodsucker Number One--a shady woman from his past--he realizes there's a major problem: he was never even married to her, or so he thought. Regardless of the truth, Sirius is put under the jurisdiction of Immortal Divorce Court. You would think by now he'd know having sex can lead to horrific consequences like marriage, children, and ex-wives--but some habits just won't die. Leaving his faithful vampire Maltese, Garlic, behind, Sirius travels to court to defend himself

---

with the help of his demon attorney, Maximillian Justice. Unfortunately, the trial quickly spirals out of control, and Sirius is banished to hell for a hundred years. When Sirius finally escapes, he ends up in the Caribbean where he meets his next paramour: the Howler. After a wild romp with his new werewolf lover under the lure of a full blood moon, he finds himself becoming the father of a litter of pups--but, the Howler and her Pack want to put the dead in deadbeat dad. Luckily, Sirius is saved by the Queen of the Merfolk, who comes with a hidden agenda even as they fall in love. Can he make it work with the Queen, or will he have to head to Immortal Divorce Court once again as yet another relationship flounders? For all those who have nursed a broken heart--or a vengeful one--Immortal Divorce Court Volume 1 is a sexy, exciting debut and the start of a hellishly fun new series about the flawed antihero Sirius Sinister.

### **A Life Beyond Imaginings**

Greystone Books

\*The Instant New York Times

Bestseller\* "A book historians will relish." –Peggy Noonan, Wall Street Journal "Must read. I've read every book about the Trump presidency. This is the best." –Bill Press An account like no other, from the White House reporter who has known President Donald Trump for more than 25 years. We have never seen a president like this...norm-breaking, rule-busting, dangerously reckless to some and an overdue force for change to others. One thing is clear: We are witnessing the reshaping of the presidency. Jonathan Karl brings us into the White House in a powerful book unlike any other on the Trump administration. He's known and covered Donald Trump longer than any other White House reporter. With extraordinary access to Trump during the campaign and at 1600 Pennsylvania Avenue, Karl delivers essential new reporting and surprising insights. These are the behind-

the-scenes moments that define Trump's presidency—an extraordinary look at the president, the person, and those closest to him. This is the real story of Trump's unlikely rise; of the struggles and battles of those who work in the administration and those who report on it; of the plots and schemes of a senior staff enduring stunning and unprecedented unpredictability. Karl takes us from a TV set turned campaign office to the strange quiet of Trump's White House on Inauguration Day to a high-powered reelection campaign set to change the country's course. He shows us an administration rewriting the role of the president on the fly and a press corps that has never been more vital. Above all, this book is only possible because of the surprisingly open relationship Donald Trump has had with Jonathan Karl, a reporter he has praised, fought, and branded an enemy of

---

the people. This is Front Row at the Trump Show.

A Memoir Harper Collins

"A truly great writer and explorer of the human mind." – Jo Nesbø "What grips readers is the enormous amount of emotion [Fossum] works up as we get closer and closer to reliving the murderous event in question . . . Hell Fire is close to heartbreaking, and there are not many novels, thrillers or otherwise, you can say that about." – Los Angeles Times A gruesome tableau awaits Inspector Konrad Sejer in the oppressive summer heat: a woman and a young boy lay dead in a pool of blood near a dank trailer. The motivation behind the deaths of Bonnie Hayden and her five-year-old son, Simon, is mysterious—there is no sign of robbery. Who would brutally stab a defenseless woman and her child? In a parallel story, another mother, Mass Malthe, navigates life with her adult son, Eddie. It's a relationship

some would call too close, since Eddie's father, a man he obsesses over, abandoned them many years ago. As Sejer searches for the truth behind the seemingly senseless killings, Hell Fire deftly probes why we lie to those closest to us, and what drives people to commit the most horrific of crimes. "There's always something dark hovering on the edge of the page, something about getting what you wish for and the crushing irony when that gift proves your undoing." – New York Times Book Review

**A Standalone Novel** Penguin

Luna is the same as most people. She leads a pretty boring life. Until one day she is kidnapped by a truly evil man. She is brutalized in all the ways a man can, and then some. Then one day she is rescued by two well-muscled men. Not just any men either, one was the king of werewolves. At first, she thought it wasn't true due to her mental issues; yet they were real. She made a vow before her rescue to save the women before her. They were brutalized as she was, but they were sold, while she was saved. Luna trusts only her new werewolf family as she has no idea how high this goes. She does this with her Hellhound at her side, all the while trying to rebuild a life outside of just being a hunter for the women; as well as her unusual pregnancy.

My Ex Simon and Schuster

This book explores a real life transformational process, using a variety of techniques, including psychology, spirituality and life's experiences. That is, any transformed grief-stricken life possesses meaning and usefulness, and can be a powerful approach to

positive psychology, vision and leadership.

**What the Hell Did I Just Read**  
Xlibris Corporation

Young and naïve, Shanae settles for the bare minimum from the only man who's ever shown her any affection. Losing herself in him, she vowed that the last time was indeed the last time. Too many chances had been given, and the respect she had for him was slowly dwindling. Pleading for a sign from God, he provides Shanae one that rocks her to her core, leading her into the powerful arms of her childhood crush, Levi. Kali, a mother of one, is simply fed up. Getting pregnant at twenty-one was never in her plans, and neither was having to deal with an emotionally unstable baby daddy for the rest of her life. In a perfect world, she envisioned them under one

---

roof, raising their son to be a king. The reality of that happening is slim to none. Over the single life, Kali pursues a relationship with her a classmate Rondo, not realizing the struggles that lied ahead while satisfying her desires. After a break up that causes Layla to question every man's intentions, her promiscuity heightens. She stopped longing to be accepted and became selfish with her time, placing her needs above all. With the thoughts of being abandoned again, Layla swore off relationships. That is until her smooth-talking neighbor Brody breaks that barrier she built between them. Somewhat interested in why he'd pursue her, Layla falls hard with no restraints, unleashing years of pain while doing so. Sometimes in life, the people we love the most hurt and

betray us in ways we'd never imagine. Shanae, Kali, and Layla know that all too well. To the woman who has given her unwavering devotion to a man... a man who should've never had the privilege to even get close to you, this book is for you. You deserve more. More than what he's giving you. More than what you're allowing yourself to receive. Reclaim your time and your heart. And remember, that man is your ex for a reason...there's no need to double back.

*Sam Cruz's Infallible Guide to Getting Girls* Penguin

Why the hell can't chicks be more like guys? That question plagues high school senior Sam Cruz. Sam is perfectly happy being a player. He just wishes girls wouldn't change the game from sex to relationships. It makes him look like an asshole. But

when Sam's best friend, Ally Klinger, gets dumped, she begs him to transform her into someone who can screw around then screw off. No risk of heartbreak that way. It's Sam's chance to create the perfect female AND cheer up his best friend. Armed with Sam's Three Step Guide to Backseat Success, Ally gets the game better than Sam thought she would and before long, Sam has his wish: the female version of himself. Too bad it's driving him nuts. This contemporary teen romance contains strong language, drinking, euphemisms, and lots of "bow chicka wow wow." Get it now.

Book 6 Page Publishing Inc

Thrust into the media spotlight with her son Sean Wilsey's searing portrayal of her in his New York Times bestseller *Oh the Glory of It All*, the former queen of San Francisco society

---

shares her own candid take on the fascinating events of her life. Once dubbed San Francisco's "Golden Girl," Montandon socialized with the cream of San Francisco society, including Danielle Steel, Alex Haley, and the Gettys. Immortalized as a character in Armistead Maupin's *Tales of the City*, she lived a seemingly perfect life in a penthouse above the San Francisco Bay, complete with her marriage to multimillionaire Al Wilsey and the birth of her son, Sean. From her lavish parties to her legendary Roundtable lunches, Montandon was always the talk of the town. Then, less than a decade later, Wilsey announced he was divorcing her, and Sean abandoned her as well—both for the affections of her once-close friend, Dede Traina. Left penniless and virtually suicidal, Montandon once again had to reinvent herself, this time as a humanitarian for peace. From Berlin to Beslan,

she made it her life's mission to give a voice to the world's children and spread a message of hope in times of crisis. Oh the Hell of It All is a rich feast of a story: that of a poor girl turned rich turned poor again, in and out of love and betrayed by those closest to her, who has achieved peace in her life through devotion to something outside herself. *Unfriending My Ex* BookRix National Bestseller Best Book of the Year: NPR, Shelf Awareness "I didn't know how much I needed a laugh until I began reading Stephen McCauley's new novel, *My Ex-Life*. This is the kind of witty, sparkling, sharp novel for which the verb 'chortle' was invented." —Maureen Corrigan, *Fresh Air* "McCauley fits neatly alongside Tom Perrotta and Maria Semple in the category of 'Novelists You'd Most Like to Drive Across the Country With.'" —The New York Times Book Review David

Hedges's life is coming apart at the seams. His job helping San Francisco rich kids get into the colleges of their (parents') choice is exasperating; his younger boyfriend has left him; and the beloved carriage house he rents is being sold. His solace is a Thai takeout joint that delivers 24/7. The last person he expects to hear from is Julie Fiske. It's been decades since they've spoken, and he's relieved to hear she's recovered from her brief, misguided first marriage. To him, Julie definitely doesn't have a problem with marijuana (she's given it up completely, so it doesn't matter if she gets stoned almost daily) and the Airbnb she's running out of her seaside house north of Boston is neither shabby nor illegal. And she has two whole months to come up with the money to buy said house from her second husband before their divorce is finalized. She'd

---

just like David's help triggered. (Throw pillows  
organizing college plans for optional.)  
her seventeen-year-old  
daughter. That would be Mandy.  
To quote Barry Manilow, Oh  
Mandy. While she knows she's  
smarter than most of the kids  
in her school, she can't figure  
out why she's making so many  
incredibly dumb and  
increasingly dangerous choices?  
When David flies east, they  
find themselves living under  
the same roof (one David needs  
to repair). David and Julie  
pick up exactly where they left  
off thirty years ago—they're  
still best friends who can  
finish each other's sentences.  
But there's one broken bit  
between them that no amount of  
home renovations will fix. In  
prose filled with hilarious and  
heartbreakingly accurate one-  
liners, Stephen McCauley has  
written a novel that examines  
how we define home, family, and  
love. Be prepared to laugh,  
shed a few tears, and have  
thoughts of your own ex-life
