about.

How do I get my Facebook back to English? - Ask Dave Taylor

I have seen various cases where the default language of Facebook gets changed automatically. Most users are reporting that their language has been changed to Arabic, Polish, French, Vietnamese ... How to Change the Language Back to English on Facebook ... Log in to Facebook to start sharing and connecting with your friends, family and people you know.

How to change Language on Facebook to English  
Once you have clicked on it,

you will see a window with all the available languages. There, you just have to click on English (UK) or English (US) according to the version of English you would like to have: the one for the United Kingdom or the one for the United States of America. This way your Facebook user interface will be again in English.
