**504 Absolutely Essential Words** Holt Rinehart & Winston  
From the author of bestselling "How to Argue and Win Every Time" comes a new classic about two Native American brothers torn apart--a legal thriller, a love story, and a visionary work that examines deeply the values of life and death.  
*Mental Health Research Institute Staff Publications* Chronicle Books  
"A bloated corpse turns up in the Thames, throat slashed, and the only clue is a hospital wristband reading 'Dr. F. Klein.' Frieda is taken to see the body and realizes with horror that it is Sandy, her ex-boyfriend. She's certain that the killer is Dean Reeve--the man who has never stopped haunting her. But the police think he has been dead for years, and Frieda is their number one suspect"--

Anna Broadway's "Sexless in the City" blog has become a popular Internet destination, attracting readers with its amusing tales of romantic misadventures and candid, far-from-prissy reports on the difficulties of trying to reconcile Christian beliefs with the mores and temptations of the modern world. In **SEXLESS IN THE CITY**, Broadway offers a lighthearted, yet unflinching, look at the realities of life as a twentysomething urbanite. She writes about her youthful ambition of writing or editing bodice-rippers,

struggles with debt and loneliness, the pleasures and perils of meeting men in singles bars, and other urban outposts, and about her friendships with women searching, as she is, for a good man to spend the rest of their lives with. Guided by her trust in God and the teachings of the Bible, Broadway navigates romantic entanglements with the Harvard Lickwit, Hippie the Groper, Ad Weasel, 5 Percent Man, and various others who wander in and out her life—but never into her bed. As Broadway discovered, romance novels don't quite prepare you for love in the real world. For Christian women looking for guidance through the land of contemporary romance, **SEXLESS IN THE CITY** is the ideal place to start.  
A Novel of World War II Bantam  
From the author of *Models Don't Eat Chocolate Cookies* comes a middle grade novel hailed by Linda Urban as "A perfect blend of laugh out loud funny and real-world heart." Elsie Wyatt wants to be an orchestra superstar, like her dad and grandfather. The first step? Get into a super-selective summer music camp. In order to qualify, Elsie must "expand her musical horizons" by joining her high school's marching band. Not only does this mean wearing a plumed hat and polyester pants, but it also means she can't play her own instrument, can't sit down, and can't seem to say the right thing to anyone...let alone Jake, the cute trumpet player she meets on the first day. Plus, everything she does seems to cause a disaster. Surviving marching band is going to be way harder than Elsie thought. For fans of funny, realistic, every-girl novels like Wendy Mass's *13 Gifts* and Lisa Greenwald's *My Life in Pink & Green*. "It has humor, heart, and a touch of romance that will provide ample fodder for booktalks." —School Library Journal "Marching-band kids everywhere will enjoy this believable celebration of a life-changing, musical rite of passage." —Kirkus

“ Sleeping Bear is one of the very best thrillers you ’ ll read this year. It ’ s one of those rare novels that keeps getting better and better and better. Remember the author ’ s name—Connor Sullivan. ” —James Patterson Perfect for fans of Brad Thor and Vince Flynn, this white-knuckled debut thriller follows a former Army veteran seeking solitude in the Alaskan wilderness after her husband ’ s death—only to find herself a pawn in a deadly game with Russia. After her young husband ’ s untimely death, Army veteran Cassie Gale decides to take a few days of solitude in the Alaska wilderness before she starts her new job. But when she fails to show up on her first day and her dog is discovered injured at her wrecked campsite, her father knows that this is much more than a camping trip gone awry. As it

turns out, Cassie ’ s not the first person to disappear without a trace in Alaska ’ s northern interior. Bears. Wolves. Avalanches. Frostbite. Starvation. There are many ways to die in here. But not all disappearances can be explained. Cassie ’ s is one of them, along with a number of other outdoor enthusiasts who have vanished in recent years. Regaining consciousness in a Russian prison, Cassie finds herself trapped in a system designed to ensure that no one ever escapes alive. It will require all her grit and skills to survive. Meanwhile, her father rushes to outrun the clock, scouring thousands of acres, only to realize she ’ s been taken by a far more nefarious adversary—one with the power of the Eastern Bloc behind it. Ties to his past life, one full of secrets, threaten to surface. He knows there ’ s a price to be paid, but he ’ s determined it won ’ t be his daughter.

Provide students a clear view of what success looks like for any process, task, or product. What does success look like for your students? How will they know if they have learned? This essential component of teaching and learning can be difficult to articulate but is vital to achievement for both teachers and students. The Success Criteria Playbook catapults teachers beyond learning intentions to define clearly what success looks like for every student—whether face-to-face or in a remote learning environment. Designed to be used collaboratively in grade-level, subject area teams—or even on your own—the step-by-step playbook

expands teacher understanding of how success criteria can be utilized to maximize student learning and better engage learners in monitoring and evaluating their own progress. Each module is designed to support the creation and immediate implementation of high-quality, high impact success criteria and includes:

- Templates that allow for guided and independent study for teachers.
- Extensive STEM-focused examples from across the K-12 STEM curriculum to guide teacher learning and practice.
- Examples of success criteria applied across learning domains and grades, including high school content, skills, practices, dispositions, and understandings.

Can Norrie stop a murderer ’ s reign of terror? The descent of winter on the Finger Lakes means it ’ s time for the Wine Trail Association ’ s Chocolate and Wine Extravaganza. Unfortunately, for screenwriter-turned-reluctant vintner, Norrie Ellington, her Two Witches Winery is co-hosting the festivities. Norrie ’ s duties include wrangling the three international chocolatiers featured at the event—bitter rivals and industry influencers who can make or break Two Witches. But the heated competition among the celebrity confectioners soon spills out of the professional arena, and before the Extravaganza is over, one of the cocoa pros is dead, last seen sipping a Two Witches ’ Cabernet Sauvignon. With spirits souring at the Extravaganza and her winery on the line, Norrie must hustle to find the uncorked killer before Two Witches ’ reputation is

crushed once and for all.

#### The Likely World R. R. Bowker

Bruce Sterling, one of the founding fathers of the cyberpunk genre, now presents a novel of vivid imagination and invention that proves his talent for creating brilliant speculative fiction is sharper than ever. Forty years from now, Earth's climate has been drastically changed by the greenhouse effect. Tornadoes of almost unimaginable force roam the open spaces of Texas. And on their trail are the Storm Troupers: a ragtag band of computer experts and atmospheric scientists who live to hack heavy weather -- to document it and spread the information as far as the digital networks will stretch, using virtual reality to explore the eye of the storm. Although it's incredibly addictive, this is no game. The Troupers' computer models suggest that soon an "F-6" will strike -- a tornado of an intensity that exceeds any existing scale; a storm so devastating that it may never stop. And they're going to be there when all hell breaks loose.

In this riveting sequel to Martin Walker ' s internationally acclaimed novel Bruno, Chief of Police, some of France ' s great pleasures—wine, passion and intrigue—converge in a dark chain of events that threaten the peaceful village of Saint-Denis. Beno î t (Bruno) Courr è ges—devoted friend, cuisinier extraordinaire and the town ' s only municipal policeman—rushes to the scene when a research station for genetically modified crops is burned down outside Saint-Denis. Bruno immediately suspects a group of fervent environmentalists who live nearby, but the fire is only the first in a string of mysteries centering on the region ' s fertile soil. Then a bevy of winemakers descends on Saint-Denis, competing for its land and spurring resentment among the villagers. Romances blossom. Hearts are broken. Some of the sensual pleasures of the town—a dinner of a truffle omelette and grilled b é casses, a community grape-crushing—provide an opportunity for both warm friendship and bitter hostilities to form. The town ' s rivals—Max, an environmentalist who hopes to make organic wine; Jacqueline, a flirtatious, newly arrived Qu é b é coise; and Fernando, the heir to an American wine fortune—act increasingly erratically. Events grow ever darker, culminating in two suspicious deaths, and Bruno finds that the problems of the present are never far from those of the past. A splendid mystery—and a delectable serving of the pleasures of France.

From literary journalist Sara Mansfield Taber comes a deep and wondrous memoir of her exotic childhood as the daughter of a covert CIA operative. Born under an Assumed Name portrays the thrilling and confusing life of a girl growing up abroad in a world of secrecy and diplomacy—and the heavy toll it takes on her and her father. As Taber leads us on a tour through the alluring countries to which her father is assigned, we track two parallel stories—those of young Sara and her Cold War spy father. Sara struggles for normalcy as the family is relocated to cities in North America, Europe, and Asia, and the constant upheaval eventually exacts its price. Only after a psychiatric hospitalization at age sixteen in a U.S. Air Force hospital with shell-shocked Vietnam War veterans does she come to a clear sense of who she is. Meanwhile, Sara's sweet-natured, philosophical father becomes increasingly disillusioned with his work, his agency, and his country. This is the question at the heart of this elegant and sophisticated work: what does it mean to be an American? In this fascinating, painful, and ultimately exhilarating coming-of-age story, young Sara confronts generosity, greatness, and tragedy—all that America heaps on the world.
