*The Self-Explanatory Family Bible ... with ... Notes, by the Rev. John Brown ... and Numerous Additional ... Notes ... by the Rev. J. B. Patterson and the Rev. A. S. Patterson*  
Penguin

The language of the Bible has no inconsiderable influence in forming and preserving our national language. On this account, the language of the common version ought to be correct in grammatical construction, and in the use of appropriate words. This is the more important, as men who are accustomed to read the Bible with veneration, are apt to contract a predilection for its phraseology, and thus to become attached to phrases which are quaint or obsolete. This may be a real misfortune; for the use of words and phrases, when they

have ceased to be part of the living language, and appear odd or singular, impairs the purity of the language, and is apt to create a disrelish for it in those who have not, by long practice, contracted a like predilection. It may require some effort to subdue this predilection; but it may be done, and for the sake of the rising generation, it is desirable. The language of the scriptures ought to be pure, chaste, simple, and perspicuous, free from any words or phrases which may excite observation by their singularity; and neither debased by vulgarisms, nor tricked out with the ornaments of affected elegance. Noah Webster, 1833

invaded our small town, Sunrise Bay, like he owned it. Gavin was my biggest celebrity crush when I was young. He bears the charisma of an easygoing boy-next-door mixed with a rule-breaker personality both in person and on screen. For a moment, I thought maybe my fairy godmother sent him to me. Until he decided to run against my mother for mayor. Everyone in our town knows my mom's happiness comes before my own, so I take it as my personal mission to show him who really runs this town. I just didn't realize that being my mom's right-hand woman would put me in such close proximity to him. Very quickly, I question whether he wants to win the mayoral race or me.
