Meet Darby Tillman. An amiable-even likeable love starved thirty-six year old screwball who has some rather bizarre views on almost everything, including what it takes to woo, bemuse and

finally conquer the fairer sex. Believing he's finally found true love at last, Darby can't quite understand why his frustrating, often lopsided relationship suddenly goes sour with Gretchen, the lovely but mysterious lady upstairs who has been concealing a chilling, unspeakable horror most of her life. Ultimately rejected by Gretchen, Darby shifts his amorous, somewhat vengeful feelings toward Amber-Gretchen's precocious niece-after learning the beautiful tennis playing coed is visiting her wealthy great aunt on Hawaii's Big Island for the summer. From the very beginning of Darby's

moronically contrived "Amber Introduction Plan"-if one can accept kidnapping as a perfectly normal approach to meeting someone new-everything goes wrong. And things just get a lot worse as Amber and her loopy, nitwit abductor, Darby, suddenly find themselves battling for their lives-and each other-as they struggle to survive one of the worst cataclysms to ravage the Hilo coastline in years! Sure, it might not be completely unfair to call

Michael Anderson a "control freak". It's helped him in business—he's the CEO of Anderson Enterprises, after all. But he's trying to learn to let loose just a tiny bit. Still, he's not quite sure why his therapist thinks dogsitting will fix anything? Especially since Michael and this particular canine share a kind of mutual loathing. To make matters worse, his new next door neighbor keeps disrupting his peace—and his dates—by blasting the worst possible music at the worst possible times. Artist and free spirit

Mia Argaropolis just landed the perfect gig to complement her career as an art therapist and her preference for living a nomadic life: housesitting in the Upper West Side. Too bad the guy next door is an arrogant stick in the mud with a penchant for calling security whenever she tries to drown out the noises coming from his side of the wall. Suddenly, all in one day, Mia finds herself fighting for survival in unbearable situations. First, her dinner rolls go apocalyptic and try to take

out the whole kitchen. Then her douchebag ex shows up out of the blue, her bathtub overflows, and she's attacked by a Shih Tzu with the personality of Godzilla. When Mia's uptight neighbor steps in as her unlikely hero and unplanned fiancé (wait, what?), she's not sure how much stranger this day could get. Each book in the Anderson Brothers series is a standalone, full-length story that can be enjoyed out of order.
